

§§ 83.7 (d), (f) and (g) of the 1978 acknowledgment regulations.

We find that the Samish Tribal Organization has been continuously identified throughout history as Indian or aboriginal, has existed as a distinct community since first sustained European contact, has maintained political influence within itself as an autonomous entity and that 80 percent of its members are descendants of the historical Samish tribe or families which became incorporated into that tribe. We conclude, therefore, that the Samish Tribal Organization has met the mandatory criteria for acknowledgment in 25 CFR 83.7, including specifically, the requirements of the criteria in §§ 83.7 (a) through (c) and 83.7(e) of the 1978 acknowledgment regulations. This determination is based on the membership list used for the 1987 administrative decision under 25 CFR Part 83. This list will become the base membership roll of the STO, subject to verification that the individuals on it consent to be listed as members.

The courts have made it clear that the issue of what treaty rights the STO may have, if any, are not an issue on remand to the Department. Therefore, we make no determination as to what rights, if any, the STO or its members may have pursuant to any treaty.

The Joint Status Report filed in July 1992 by the parties to *Greene v. Lujan* provided:

The decision of the Assistant Secretary shall be final agency action for the Department of the Interior, unless the Secretary of the Interior determines within 30 days that is [sic] should be reconsidered in accordance with 25 CFR Part 83, in which case the Secretary shall state the basis for this decision and establish the procedures and timetable to be followed on reconsideration.

At the hearing on the Joint Status Report, the court found that:

The government and the Samish also agree that the Assistant Secretary's decision should constitute final agency action unless the Secretary of the Interior determines within 30 days that the decision should be reconsidered.

Although the amicus argues otherwise, I will order that what the Samish and the government have agreed to will be the order of this Court and it is so ordered.

Two tribes have requested that the Secretary direct the Assistant Secretary to reconsider her decision. The Upper Skagit Indian Tribe by letter of January 3, 1996, requested that the ASIA's decision to acknowledge the STO be reversed and the matter returned to the ALJ for a full hearing on the question of the Upper Skagit Indian Tribe's

successorship to the Nuwha'ha. The Swinomish Tribal Community by letter of January 5, 1996, requested that the Secretary direct reconsideration of the ASIA's decision to recognize the Samish Tribe. The Swinomish Tribal Community had been denied the right to participate before the ALJ as a party but had been granted *amicus curiae* status. Under the 1978 regulations, the Secretary can for any reason request the ASIA to reconsider and the Secretary shall make such a request in certain circumstances. See 25 CFR 83.10.

The Secretary is considering whether he has authority to direct the Assistant Secretary to reconsider and, if he has that authority, whether he should direct her to reconsider. The question of the Secretary's authority arises from an ambiguity in the Joint Status Report which states that the decision of the Assistant Secretary shall be final agency action but also indicated that reconsideration will be done in accordance with 25 CFR Part 83. There is also an ambiguity with regard to the time within which the Secretary must act since the time for action under Part 83 is 30 days from the date of publication of the notice in the Federal Register and the Joint Status Report simply states the decision will be made within 30 days.

In accordance with §§ 83.9 and 83.10 of the 1978 regulations, this determination will in any event become effective in 60 days from its publication in the Federal Register unless the Secretary of the Interior requests that the Assistant Secretary-Indian Affairs reconsider her decision.

The Samish Tribal Organization has not requested administrative reconsideration of the Assistant Secretary's determination to acknowledge its existence as an Indian tribe. However, STO has filed suit seeking to require a reinstatement verbatim of the ALJ's recommended decision and findings of fact.

The Director, Portland Area Office, Bureau of Indian Affairs, is instructed to verify the membership list and to develop with the tribe a plan and budget for the implementation of the ASIA's decision and the provision of services to the members of the Samish Tribal Organization.

Dated: March 29, 1996.
Ada E. Deer,
Assistant Secretary—Indian Affairs.
