

application in Docket No. CP96-134-000 pursuant to Section 7(c) of the Natural Gas Act (NGA) and Part 157 of the Federal Energy Regulatory Commission's (Commission) regulations, for a certificate of public convenience and necessity authorizing the construction and operation of taps on Transco's mainline system in Guilford County, North Carolina to connect with inlet and outlet pipelines to be constructed by Pine Needle LNG Company, LLC (Pine Needle) as part of its liquefied natural gas (LNG) storage proposal filed in Docket No. CP96-52-000. Further details on Transco's proposal are contained in the application which is on file with the Commission and open to public inspection.

Specifically, Transco proposes to install two 10-inch taps which will be used for deliveries of gas from Transco's system into Pine Needle's 10-inch inlet pipeline, and three 20-inch taps which will be used for receipts of gas into Transco's system from Pine Needle's 24-inch outlet pipeline. The taps will be located at milepost 1356.95 on Transco's mainline system. Transco says Pine Needle will reimburse Transco for the cost of the taps which Transco estimates at \$707,679.

Any person desiring to be heard or to make a protest with reference to said application should on or before January 24, 1996, file with the Federal Energy Regulatory Commission, Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.211 or 385.214) and the Regulations under the Natural Gas Act (18 CFR 157.10). All Protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedures, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and necessity. If motion for

leave to intervene is timely filed or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Transco to appear or be represented at the hearing.

Lois D. Cashell,

*Secretary.*

**[Docket No. CP96-62-000]**

**Williston Basin Interstate Pipeline Co.; Notice of Application**

January 16, 1996.

Take notice that on December 29, 1995, Williston Basin Interstate Pipeline Company (Williston Basin), Suite 300, 200 North Third Street, Bismarck, North Dakota 58501, filed in Docket No. CP96-62-000 an application pursuant to Section 7(c) of the Natural Gas Act for authorization to modify the operating nature of its Glen Ullin Compressor Station in Glen Ullin, North Dakota, all as more fully set forth in the application on file with the Commission and open to public inspection.

Williston Basin seeks authorization to use the Glen Ullin Compressor Station for mainline compression of natural gas,

either east or west from the compressor station, in addition to its existing use as compression into Northern Border Pipeline Company's pipeline. As stated by Williston Basin, this modification will allow the operational efficiency and flexibility of the system to be enhanced.

Any person desiring to be heard or to make any protest with reference to said application should on or before January 26, 1996, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Williston Basin to appear or be represented at the hearing.

### Minnesota; Major Disaster and Related Determinations

**AGENCY:** Federal Emergency Management Agency (FEMA).

**ACTION:** Notice.

**SUMMARY:** This is a notice of the Presidential declaration of a major disaster for the State of Minnesota (FEMA-1078-DR), dated January 5, 1996, and related determinations.

**EFFECTIVE DATE:** January 5, 1996.

**FOR FURTHER INFORMATION CONTACT:** Pauline C. Campbell, Response and Recovery Directorate, Federal Emergency Management Agency, Washington, DC 20472, (202) 646-3606.

**SUPPLEMENTARY INFORMATION:** Notice is hereby given that, in a letter dated January 5, 1996, the President declared a major disaster under the authority of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 *et seq.*), as follows:

I have determined that the damage in certain areas of the State of Minnesota, resulting from a severe ice storm on October 23-24, 1995, is of sufficient severity and magnitude to warrant a major disaster declaration under the Robert T. Stafford Disaster Relief and Emergency Assistance Act ("the Stafford Act"). I, therefore, declare that such a major disaster exists in the State of Minnesota.

In order to provide Federal assistance, you are hereby authorized to allocate from funds available for these purposes, such amounts as you find necessary for Federal disaster assistance and administrative expenses.

You are authorized to provide Public Assistance and Hazard Mitigation Assistance in the designated areas. Individual Assistance may be added at a later date, if requested and warranted. Consistent with the requirement that Federal assistance be supplemental, any Federal funds provided under the Stafford Act for Public Assistance and Hazard Mitigation Assistance will be limited to 75 percent of the total eligible costs.

The time period prescribed for the implementation of section 310(a), Priority to Certain Applications for

Public Facility and Public Housing Assistance, 42 U.S.C. 5153, shall be for a period not to exceed six months after the date of this declaration.

Notice is hereby given that pursuant to the authority vested in the Director of the Federal Emergency Management Agency under Executive Order 12148, I hereby appoint Dante Roveda of the Federal Emergency Management Agency to act as the Federal Coordinating Officer for this declared disaster.

I do hereby determine the following areas of the State of Minnesota to have been affected adversely by this declared major disaster:

Big Stone, Stevens, Swift, and Traverse Counties for Public Assistance and Hazard Mitigation.
