

**[Docket No. RP88-262-031]****Panhandle Eastern Pipe Line Co.;  
Notice of Compliance Filing**

January 18, 1996.

Take notice that on January 11, 1996, Panhandle Eastern Pipe Line Company (Panhandle) tendered for filing its Revised Refund Report to company with the Commission's December 7, 1995, Order on Rehearing And On Refund Reports. 73 FERC ¶ 61,287

Panhandle states that the Commission's December 7, 1995, Order concerned issues respecting refunds for the three customers who had not agreed to a settlement to resolve the issues in the RP88-262-000 dockets and who thus called upon the Commission to provide a substantive disposition of their claims. See 69 FERC ¶ 61,313 and 72 FERC ¶ 61,048. Those three customers are Associated Natural Gas Company (ANG), Central Illinois Light Company (CILCO) and Union Electric Company (Union Electric), hereinafter collectively referred to as "non-consenting parties." The contents of this submission reflect only the changes required to Panhandle's Revised Refund Report filed on July 1, 1994 as they relate to Sales Customers, including the three customers affected by this report, ANG, CILCO and Union Electric. No cash refunds are due the non-consenting parties.

Panhandle states that copies of this filing are being served on ANG, CILCO and Union Electric, their state regulatory agencies and all parties to this proceeding.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

**[Docket No. RP96-111-000]****Sea Robin Pipeline Company; Notice  
of Petition for Waiver**

January 18, 1996.

Take notice that on January 3, 1996, Sea Robin Pipeline Company (Sea Robin) filed a petition for a waiver of the 30-day notice requirement set forth in Section 154.207 of the Commission's Regulations.

Sea Robin states that in light of the Commission's ruling in Koch Gateway (Koch) Order, Sea Robin requests a waiver of the Commission's 30-day notice requirement to allow the Northern Natural Gas Company (Northern) Settlement to take effect on the date agreed upon between the parties. Sea Robin states that good cause exists for such a waiver to allow the Northern Settlement to take effect on January 1, 1994, and such finding in favor of a waiver will be consistent with the Commission's finding in the Koch Order.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C., 20426, in accordance with 385.214 and 385.211 of the Commission's Rules of Practice and Procedure. All such motions or protests must be filed on or before January 25, 1996. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Third Revised Sheet No. 6

South Georgia states that the instant filing is submitted pursuant to the December 20, 1995, Order on Initial Decision issued in Docket No. RP92-74-011 in which the Commission required South Georgia to design its interruptible transportation rate based upon a 100 percent load factor. **[Docket No. RP95-396-000]****Tennessee Gas Pipeline Company;  
Notice of Motion to Place Tariff Sheets  
Into Effect**

January 18, 1996.

Take notice that on January 5, 1996, Tennessee Gas Pipeline Company (Tennessee) filed to move Substitute First Revised Sheet No. 209A into effect as of January 1, 1996.

Tennessee states that it filed First Revised Sheet No. 209A on December 1, 1995. That sheet contains a reference to the appropriate percentage for crediting of net cash out revenues. However, First Revised Sheet No. 209A misstates that percentage as 75%. The correct percentage is 76.9%. Substitute First Revised Sheet No. 209A bears the correct reference to 76.9% rather than the incorrect reference to 76%.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be

### Trunkline Gas Company; Notice of Proposed Changes in FERC Gas Tariff

January 18, 1996.

Take notice that on January 11, 1996, Trunkline Gas Company (Trunkline) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1 revised tariff sheets, as listed on Appendix A attached to the filing, proposed to be effective February 8, 1996.

Trunkline states the revised tariff sheets propose a Rate Schedule QNIT and associated conforming revisions to the General Terms and Conditions. Rate Schedule QNIT offers the same characteristics as Trunkline's Quick Notice Transportation under firm Rate Schedule QNT, except that QNIT is interruptible. The scheduling flexibility for firm shippers under Rate Schedule QNT is mirrored for interruptible shippers under Rate Schedule QNIT. Rate Schedule QNIT shippers are permitted to make multiple changes to their nomination within the gas day to be effective on one hour's notice to Trunkline. The sum of the nominated quantities for any gas day may not exceed the MDQ stated in shipper's service agreement. Intra-day nominations will be scheduled when and to the extent that Trunkline determines that it is operationally feasible.

Trunkline states that a copy of this filing is being served on all jurisdictional customers and applicable state regulatory agencies.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests

will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

### Office of Hearings and Appeals

#### Proposed Implementation of Special Refund Procedures

**AGENCY:** Office of Hearings and Appeals, Department of Energy.

**ACTION:** Notice of proposed implementation of special refund procedures.

**SUMMARY:** The Office of Hearings and Appeals (OHA) of the Department of Energy announces the proposed procedures for disbursement of \$770,280.18 (plus accrued interest) in alleged or adjudicated crude oil overcharges obtained by the DOE from Brio Petroleum, Inc. (Case No. VEF-0017), Merit Petroleum Company (Case No. VEF-0018), Texas American Oil Corp. (Case No. VEF-0019), Transcontinental Energy Corp. (VEF-0020) and Utex Oil Co. (Case No. VEF-0021). The OHA has determined that the funds obtained from these firms, plus accrued interest, will be distributed in accordance with the DOE's Modified Statement of Restitutionary Policy in Crude Oil Cases, 51 Fed. Reg. 27899 (August 4, 1986).

**DATE AND ADDRESS:** Comments must be filed in duplicate February 23, 1996, and should be addressed to the Office of Hearings and Appeals, Department of Energy, 1000 Independence Avenue, SW., Washington, DC 20585-0107. All comments should conspicuously display a reference to Case Nos. VEF-0017, *et al.*

**FOR FURTHER INFORMATION CONTACT:** Richard W. Dugan, Associate Director, Office of Hearings and Appeals, 1000 Independence Avenue, SW., Washington, DC 20585-0107, (202) 586-2860.

**SUPPLEMENTARY INFORMATION:** In accordance with 10 C.F.R. 205.282(b), notice is hereby given of the issuance of the Proposed Decision and Order set forth below. The Proposed Decision and Order sets forth the procedures that the DOE has tentatively formulated to

distribute a total of \$770,280.18, plus accrued interest, remitted to the DOE by Brio Petroleum, Inc., Merit Petroleum, Inc., Texas American Oil Corp., Transcontinental Energy Corp., and Utex Oil Co. The DOE is currently holding these funds in interest bearing escrow accounts pending distribution.

The OHA proposes to distribute these funds in accordance with the DOE's Modified Statement of Restitutionary Policy in Crude Oil Cases, 51 FR 27899 (August 4, 1986) (the MSRP). Under the MSRP, crude oil overcharge monies are divided among the federal government, the states, and injured purchasers of refined petroleum products. Refunds to the states will be distributed in proportion to each state's consumption of petroleum products during the price control period. Refunds to eligible purchasers will be based on the volume of petroleum products that they purchased and the extent to which they can demonstrate injury.

Because the June 30, 1995, deadline for crude oil refund applications has passed, we propose not to accept any new applications from purchasers of refined petroleum products for these funds. As we state in the Proposed Decision, any party who has previously submitted a refund application in the crude oil refund proceeding should not file another Application for Refund. The previously filed crude oil application will be deemed filed in all crude oil proceedings as the proceedings are finalized.

Any member of the public may submit written comments regarding the proposed refund procedures. Commenting parties are requested to submit two copies of their comments. Comments should be submitted within 30 days of publication of this notice in the Federal Register, and should be sent to the address set forth at the beginning of this notice. All comments received in these proceedings will be available for public inspection between the hours of 1:00 p.m. to 5:00 p.m., Monday through Friday, except federal holidays, in the Public Reference Room of the Office of Hearings and Appeals, located in Room 1E-234, 1000 Independence Avenue, SW., Washington, DC 20585-0107.

Dated: January 16, 1996.

George B. Breznay,  
*Director, Office of Hearings and Appeals.*
