SUPPLEMENTARY INFORMATION: This Notice informs the public that the Department of Housing and Urban Development (HUD) has submitted to OMB, for emergency processing, an information collection package with respect to a proposed Notice of Funding Availability for the Community Outreach Partnership Centers Program. HUD seeks to implement this initiative as soon as possible.

The Community Outreach Partnership Centers Program (COPC) is a demonstration program which provides grants to public and private institutions of higher education to assist in establishing or carrying out research and outreach activities addressing the problems of urban areas. In fiscal year 1996, approximately 14 New Grants will be awarded. In addition, up to 11 Institutionalization Grants will also be awarded to existing COPC grantees whose current grants are expiring.

Submission of the information required under this information collection is mandatory in order to compete for and receive the benefits of the program. All materials submitted are subject to the Freedom of Information Act and can be disclosed upon request. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid control number. The OMB control number, when assigned, will be announced by a separate notice in the Federal Register. OMB has been requested to approve this action on or before May 20, 1996.

The Department has submitted the proposal for the collection of information, as described below, to OMB for review, as required by the Paperwork Reduction Act (44 U.S.C. Chapter 35):

(1) Title of the information collection proposal:

Application Kit—Community Outreach Partnership Centers.

(2) Summary of the collection of information:

Each applicant for the COPC program would be required to submit current information, as listed below as:

1. Transmittal letter signed by the Chief Executive Officer of the institution.

2. OMB Standard Forms 424 (Application for Federal Assistance), Form 424B (Non-Construction Assurances) and Budget.

4. Narrative Project Management Work Plan.

5. Narrative statement addressing each of the rating factors.

6. Drug-Free Workplace Certification.

7. Form SF-LLL, Disclosure of Lobbying Activities, if applicable.

(7) Financial management and audit information.

(3) Description of the need for the information and its proposed use:

To appropriately determine which Institutions of Higher Education should be awarded COPC grants, certain information is necessary about the applicant's plan, budget, past and future capabilities, and the institutional commitment to the program.

(4) Description of the likely respondents, including the estimated number of likely respondents, and proposed frequency of response to the collection of information:

Respondents will be public and private institutions of higher education. While community-based organizations and local governments are not direct respondents, because the program calls for the creation of partnerships, they will be involved in the preparation of the action plan that forms the basis of the application for a COPC grant. Grantees will also be expected to prepare and submit semi-annual monitoring reports.

The estimated number of respondents submitting applications is 120. The proposed frequency of the response to the collection of information is one-time. The application need only be submitted once. The estimated number of respondents to the monitoring requirements is 25.

(5) Estimate of the total reporting and recordkeeping burden that will result from the collection of information:

Reporting Burden

Number of respondents: 120 for applicants; 25 for monitoring requirements.

Total burden hours: 80 hours per respondent for applications; 80 hours a year per respondent for monitoring requirements.

Total estimated burden hours: 12,800.
