**AGENCY:** Office of the Secretary.

**ACTION:** Notice.

**SUMMARY:** This notice lists programs or portion of programs that are eligible for inclusion in Fiscal Year 1997 annual funding agreements with Self-Governance Tribes and lists programmatic targets for each of the non-BIA bureaus, pursuant to Section 405(c)(4) of the Tribal Self-Governance Act.

**DATES:** Eligibility for inclusion in Fiscal Year 1997 annual funding agreements expires on September 30, 1996.

**ADDRESSES:** Inquires or comments regarding this notice may be directed to the Office of Self-Governance, 1849 C Street, NW, 2548 MIB, Washington, DC 20240. Telephone (202) 219-0240.

**SUPPLEMENTARY INFORMATION:****I. Background**

The Indian Self-Determination Act Amendments of 1994 (P.L. 103-413, hereinafter referred to as the "Self-Governance Act" or the "Act") instituted a permanent Tribal Self-Governance Program at the Department of the Interior (DOI). Under the Self-Governance Program, certain programs, functions, services and activities or portions thereof in Interior bureaus other than the Bureau of Indian Affairs (hereinafter referred to as "non-BIA") are eligible to be planned, conducted, consolidated, and administered by a Self-Governance tribal government.

Under Section 405(c) of the Self-Governance Act, the Secretary of the Interior is required to publish annually (1) a list of non-BIA programs, services, activities, and functions or portions thereof, that are eligible for inclusion in agreements negotiated under the Self-Governance Program and (2) programmatic targets for these bureaus.

Under the Self-Governance Act, two types of non-BIA programs are eligible for Self-Governance funding agreements. First, pursuant to Section 403(b)(2) of the Act, any non-BIA program, service, function or activity that is administered by Interior that is "otherwise available to Indian tribes or Indians" is eligible to be administered by a tribal government through a Self-

Governance agreement. Section 403(b)(2) specifies that "nothing in this subsection may be construed to provide any tribe with a preference with respect to the opportunity of the tribe to administer programs, services, functions and activities, or portions thereof, unless such preference is otherwise provided for by law." Second, under Section 403(c) of the Act, other programs, services, functions, and activities, or portions thereof, that are of "special geographic, historical, or cultural significance" to a Self-Governance Tribe may be included in a Self-Governance Agreement.

**II. Eligible Programs of the Department of the Interior Non-BIA Bureaus**

Below is a listing by bureau of the type of non-BIA programs, or portions thereof, that may be eligible for Self-Governance annual funding agreements because they are either "otherwise available to Indians" and not precluded by any other law from being contracted out or may have "special geographic, historical, or cultural significance" to a participating tribe. This summary is a general listing of the types of programs that are the bureaus' best estimate of those that are eligible for negotiation at the request of the Self-Governance tribe. The listing is not intended to be exhaustive, especially in terms of programs, services, functions or activities that may have a "special geographic, historical, or cultural significance" to a participating tribe.
