

plans and expects in the future to issue additional shares for the purpose of raising additional equity capital. For new shares issued, SFPG will incur additional costs for listing new shares on the CHX.

The majority of SFPG's stock is traded on the NYSE. Since the vast majority of SFPG stock is currently traded on NYSE, SFPG believes that it is not cost effective to maintain a listing on a regional exchange. The Company has therefore determined that a single listing, on the NYSE, will be sufficient to serve the needs of its stockholders.

Any interested person may, on or before June 6, 1996, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street NW., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchanges and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,

Secretary.

### Scientific Review and Evaluation Board for Health Services Research and Development Service; Notice of Meeting

The Department of Veterans Affairs, Veterans Health Administration, gives notice under Public Law 92-463, that a meeting of the Scientific Review and Evaluation Board for Health Services Research and Development Service will be held at the Holiday Inn-Government Center, 5 Blossom Street, Boston, MA, June 18, through June 20, 1996. The session on June 18, 1996, is scheduled to begin at 1:00 p.m. and end at 5:00

p.m. (Eastern Time). The sessions scheduled for June 19 and 20 are scheduled to begin at 8:00 a.m. and end at 5:00 p.m. (Eastern Time). The purpose of the meeting is to review research and development applications concerned with the measurement and evaluation of health care systems and with testing new methods of health care delivery and management. Applications are reviewed for scientific and technical merit. Recommendations regarding their funding are prepared for the Acting Chief Research and Development Officer (12).

This meeting will be open to the public (to the seating capacity of the room) at the start of the June 18 session for approximately a half an hour to cover administrative matters and to discuss the general status of the program. The closed portion of the meeting involves discussion, examination, reference to, and oral review of staff and consultant critiques of research protocols, and similar documents. During this portion of the meeting, discussion and recommendations will deal with qualifications of personnel conducting the studies, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, as well as research information, the premature disclosure of which would be likely to significantly frustrate implementation of proposed agency action regarding such research projects. As provided by the subsection 10(d) of Public Law 92-463, as amended by Public Law 94-409, closing portions of these meetings is in accordance with 5 U.S.C. 552b(c)(6) and (9)(B).

Due to the limited seating capacity of the room, those who plan to attend the open session should contact Mr. Bill Judy, Manager, Program Review (124F), Health Services Research and Development Service, Department of Veterans Affairs, 810 Vermont Avenue,

NW, (Techworld), Washington, DC at least five days before the meeting. For further information, he can be reached at 202.565.7298 until May 17, 1996. Following that date, Mr. Judy's new telephone number will be 202.273.7298.

Dated: May 13, 1996.
