All interested persons are invited to submit their comments and objections in writing regarding this proposal. A person may object to or comment on the proposal relating to any of the above mentioned substances without filing comments or objections regarding the others. If a person believes that one or more of these issues warrant a hearing, the individual should so state and summarize the reasons for this belief.

In the event that comments or objections to this proposal raise one or more issues which the Deputy Administrator finds warrant a hearing, the Deputy Administrator shall order a public hearing by notice in the Federal Register, summarizing the issues to be heard and setting the time for the hearing.

The Office of Management and Budget has determined that notice of aggregate production quotas are not subject to centralized review under Executive Order 12866.

Rules establishing aggregate production quotas for controlled substances in Schedules I and II are required by statute, fulfill United States obligations under the Single Convention on Narcotic Drugs, 1961, and other international treaties, and are essential to a criminal law enforcement function of the United States. Without the periodic establishment and adjustment of aggregate production quotas, pharmaceutical manufacturers in the United States could not lawfully produce a wide variety of medically necessary pharmaceutical drugs.

These actions have been analyzed in accordance with the principles and criteria contained in Executive Order 12612 and it has been determined that this matter raises no Federalism implications which would warrant the preparation of a Federalism Assessment.

The Deputy Administrator hereby certifies that this action will have no significant impact upon small entities whose interests must be considered under the Regulatory Flexibility Act, 5 U.S.C. 601, et seq. The establishment and revision of annual production quotas for Schedules I and II controlled substances is mandated by law and by the international obligations of the United States. Such quotas impact predominantly upon major

manufacturers of the affected controlled substances.

Dated: May 15, 1996.  
Stephen H. Greene,  
*Deputy Administrator.*

### Foreign Claims Settlement Commission

#### Registration of Potential Claims Against Iraq

**AGENCY:** Foreign Claims Settlement Commission; Justice.

**ACTION:** Notice.

**SUMMARY:** The Foreign Claims Settlement Commission announces the establishment of an Iraq Claims Registration Program for registration of potential claims of United States nationals (individuals U.S. citizens, corporations and other legal entities) against the Government of Iraq.

**DATES:** The deadline for registration of claims is June 28, 1996.

**FOR FURTHER INFORMATION CONTACT:** David E. Bradley, Chief Counsel, Foreign Claims Settlement Commission of the United States, 600 E Street, N.W., Suite 6002, Washington, DC 20579. Tel. (202) 616-6975; FAX (202) 616-6993.

Notice of Commencement of Claims Registration Program, and of Program Completion Date

This year marks the fifth anniversary of the Persian Gulf War. As a result of that conflict and related events, thousands of United States nationals (individual U.S. citizens, corporations and other legal entities) suffered injuries, losses and damages. Many claims arising directly out of Iraq's invasion and occupation of Kuwait are being heard by the United States Compensation Commission ("UNCC") in Geneva. However, at present there is no viable forum for the estimated \$5 billion in outstanding claims against Iraq which fall outside the UNCC's jurisdiction ("non-UNCC claims").

The Foreign Claims Settlement Commission of the United States (FCSC), an independent, quasi-judicial agency within the U.S. Department of Justice, has begun a program for United

States nationals (private citizens, corporations, and other legal entities) to register these non-UNCC claims against the Government of Iraq for breach of contract, loss of and damage to property, physical injury or illness, and other losses and damages.

Claims to be registered in this program are claims against the Government of Iraq (and its subdivisions and controlled entities) that are not within the UNCC's jurisdiction. The UNCC's jurisdiction is defined by relevant United Nations Security Council resolutions (particularly 687 and 692) and the decisions of the UNCC Governing Council.

The claims covered by this Registration Program include: (1) All claims which arose prior to Iraq's August 2, 1990, invasion of Kuwait; (2) all claims of U.S. military personnel or their survivors which arose out of Desert Shield and Desert Storm (other than claims for inhumane treatment of prisoners of war, which are compensable by the UNCC); and (3) all claims arising out of Iraq's 1987 attack on the U.S.S. Stark (other than wrongful death claims, which have been compensated by Iraq).

The information collected in the FCSC Iraq Claims Registration Program will be used to compile an accurate and comprehensive Registry of claimants and claims against Iraq, in preparation for the adjudication of those claims upon enactment of authorizing legislation. If such legislation is not enacted, the information will be used to ensure that all claims are taken into account in connection with any future claims settlement negotiations with Iraq.

This Claims Registration Program will update and supplement the information on such claims compiled by the Treasury Department in 1991. (56 FR 5636, Feb. 11, 1991) Potential claimants who registered previously with the Treasury Department should also file in this new Registration Program.

Requests for claim registration forms should be directed to the following address: Foreign Claims Settlement Commission, Attn: Iraq Claims Registration, Washington, DC 20579.

Forms also may be requested in person at the offices of the Foreign Claims Settlement Commission, 600 E

Street, Northwest, Suite 6002, Washington, DC, or by telephone at 202-616-6975 or fax at 202-616-6993.

*The deadline for filing a Registration Form is June 28, 1996.*

Note: The registration of a claim in this program will *not* constitute the filing of a formal claim against Iraq. In the event legislation is passed authorizing the Commission to adjudicate these claims against Iraq, instructions for the formal filing of claims will be forwarded to all those registered in this Iraq Claims Registration Program.

Approval has been obtained from the Office of Management and Budget for the collection of this information. Approval No. 1105-0067.

David E. Bradley,  
Chief Counsel.
