**Winona Knitting Mills, Inc. Berwick Knitwear (Formerly Komar & Sons Berwick Knitwear) Berwick, Pennsylvania; Notice of Revised Determination on Reconsideration**

On April 27, 1996, the Department issued an Affirmative Determination Regarding Application for Reconsideration for the workers and former workers of the subject firm. The notice will soon be published in the Federal Register.

Investigation findings show that the workers produced sweaters. The workers were denied TAA because the "contributed importantly" test of the Group Eligibility Requirements of the Trade Act was not met.

New investigation findings on reconsideration show that the articles manufactured by Winona Knitting Mills have been impacted importantly by the high penetration of imports into this market. U.S. import statistics for men's and boys', and women's and girls' sweaters show that the ratio of imports to U.S. shipments was more than 200% in both 1994 and 1995.

**Conclusion**

After careful consideration of the new facts obtained on reconsideration, it is concluded that the workers of Winona Knitting Mills, Inc. of Berwick, Pennsylvania were adversely affected by increased imports of articles like or directly competitive with sweaters produced at the subject firm.
