HUD Desk Officer, Office of Management and Budget, New Executive Office Building, Washington, DC 20503.

FOR FURTHER INFORMATION CONTACT: Kay F. Weaver, Reports Management Officer, Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410, telephone (202) 708-0050. This is not a toll-free number. Copies of available documents submitted to OMB may be obtained from Ms. Weaver.

SUPPLEMENTARY INFORMATION: This Notice informs the public that the Department of Housing and Urban Development (HUD) has submitted to OMB, for emergency processing, an information collection package with

respect to a proposed "Application Kit for the Drug Elimination Technical Assistance Program." HUD seeks to implement this initiative as soon as possible.

Under the Drug Elimination Technical Assistance Program, HUD will provide technical assistance to a successful application through a consultant hired by HUD. Applications will be accepted from housing authorities (HAs), qualified resident counsels (RCs) and resident management corporations (RMCs).

HUD intends that the short-term technical assistance will aid these entities in assessing their drug problems in the public housing community; in implementing appropriate anti-drug-related practices and programs; and in improving overall agency management, operations and programming so that these entities can more effectively respond to drug problems in their targeted public housing developments.

The Department has submitted the proposal for the collection of information to OMB for review, as required by the Paperwork Reduction Act (44 U.S.C. Chapter 35). The Department has requested emergency clearance of the collection of information, as described below, with approval being sought by June 3, 1996:

(1) Title of the information collection proposal: Application Kit—Drug Elimination Technical Assistance.

(2) Summary of the collection of information: Each respondent requesting Drug Elimination Technical Assistance will be required to submit current information, as listed below:

1. An explanation of what type of drug-related crime problem they are experiencing, what type of assistance they are requesting to address the problem, and how the requested assistance will fit into their existing drug elimination strategy, or assist them in developing a strategy.

2. Signatures of the HA Executive Director and a resident leader.

3. Form HUD-2880.

Each respondent requesting to provide consulting services through this program will be required to submit the following:

4. Completed Consultant Resource Inventory Questionnaire.

5. Resume.

6. Documentation of daily rate.

(3) Description of the need for the information and its proposed use:

To appropriately determine which applicants should be provided technical assistance, certain information is required. The criteria include: what type of drug-related crime problem they are

experiencing, what type of assistance they are requesting to address the problem, and how the requested assistance will fit into their existing drug elimination strategy, or assist them in developing a strategy.

To determine which consultants will be appropriate for specific requests, and to justify their reimbursement by the Department, certain information is required. This includes the Consultant Resource Inventory Questionnaire, resume, and documentation of daily rate.

The estimated number of respondents is 400. The proposed frequency of the response to the collection of information is one-time. If an applicant for technical assistance wishes more than one opportunity for technical assistance they must complete a separate application each time. Consultants providing TA must submit information only once.

(5) Estimate of the total reporting and record keeping burden that will result from the collection of information:

Reporting Burden:

Number of respondents: 400.

Total burden hours (@ 82 hour per response):

Total Estimated Burden Hours: 32,800.

Authority: Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: May 29, 1996.
