[NAFTA-00891]

Cole Haan, Cole Haan Manufacturing Division, Lewiston, ME and NAFTA-00891A Livermore Falls Location Livermore, ME; Amended Certification Regarding Eligibility To Apply for NAFTA Transitional Adjustment Assistance

In accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 U.S.C. 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on March 25, 1996, applicable to workers of Cole Haan, Cole Haan Manufacturing

Division, Lewiston, Maine. The notice was published in the Federal Register on April 25, 1996 (61 FR 18418)

At the request of the State Agency, the Department reviewed the certification for workers of the subject firm. New information provided by the company shows that workers separations have occurred at the subject firms' Livermore, Maine location. The workers are engaged in the production of moccasins for Cole Haan manufacturing facilities and provided clerical, management and office functions in support of the production of moccasins.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by increased imports of moccasins. Accordingly, the Department is amending the certification to reflect this matter.

The amended notice applicable to NAFTA-00891 is hereby issued as follows:

All workers of Cole Haan, Cole Haan Manufacturing Division, Lewiston, Maine

NAFTA—00891, and Cole Haan, Livermore Falls Location, Livermore, Maine NAFTA—00891A engaged in employment related to the production of moccasins and provided clerical, management and office functions in support of the production of moccasins who became totally or partially separated from employment on or after March 11, 1995 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, D.C. this 10th day of May 1996.

Acting Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.

[NAFTA-00944]

Dataproducts Corporation; Norcross, GA; Amended Certification Regarding Eligibility To Apply for NAFTA Transitional Adjustment Assistance

In accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 USC 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on May 15, 1996, applicable to workers of Dataproducts Corporation, Norcross, Georgia. The Notice will soon be published in the Federal Register.

The Department reviewed the certification for workers of the subject firm. New findings show that the Department inadvertently issued the certification to all workers instead of workers producing computer ribbon products, the subject of the petition. The company reports that the workers are separately identifiable. Accordingly, the Department is amending the certification to limit coverage only to the workers at the Norcross plant producing computer ribbon products.

The amended notice applicable to NAFTA—00944 is hereby issued as follows:

All workers of Dataproducts Corporation, Norcross, Georgia, engaged in the production of computer ribbon products who became totally or partially separated from employment on or after April 1, 1995 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, DC, this 20th day of May 1996.

[NAFTA-00999]

Zena Enterprises, New York, NY; Notice of Termination of Investigation

Pursuant to Section 250(b)(1) of the Trade Act of 1974, as amended, an investigation was initiated for workers of the subject firm. The Department inadvertently issued a certification on May 8, 1996, irrespective of the fact that the workers were covered under an existing certification. The notice will soon be published in the Federal Register. This notice corrects the above noted inadvertent action.

On April 23, 1996, under petition NAFTA-00721, the Department amended the certification for all workers of R.D. Simpson, Incorporated (Including D & E Laundry) in Cartersville, Georgia, to include an affiliate of the subject firm, Zena Enterprises, New York, New York (NAFTA-00721A). The notice was published in the Federal Register on May 8, 1996 (61 FR 20837).

Therefore, since the subject workers were previously certified, further investigation in NAFTA-00999 would serve no purpose and the investigation has been terminated.

Signed at Washington, DC, this 21st day of May 1996.

Acting Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.
