If no interested party requests an administrative review in accordance with the Department's notice of opportunity to request administrative review, and no domestic interested party objects to the Department's intent to revoke or terminate pursuant to this notice, we shall conclude that the antidumping duty orders, findings, and suspended investigations are no longer of interest to interested parties and shall proceed with the revocation or termination.

Opportunity To Object

Domestic interested parties, as defined in § 353.2(k) (3), (4), (5), and (6) of the Department's regulations, may object to the Department's intent to revoke these antidumping duty orders and findings or to terminate the suspended investigations by the last day of June 1996. Any submission to the Department must contain the name and case number of the proceeding and a statement that explains how the objecting party qualifies as a domestic interested party under § 353.2(k) (3), (4), (5), and (6) of the Department's regulations.

Seven copies of such objections should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room B-099, U.S. Department of Commerce, Washington, D.C. 20230. You must also include the pertinent certification(s) in accordance with § 353.31(g) and § 353.31(i) of the Department's regulations. In addition, the Department requests that a copy of the objection be sent to Michael F. Panfeld in Room 4203.

This notice is in accordance with 19 CFR 353.25(d)(4)(i).

Dated: May 29, 1996.
Joseph A. Spetrini,
Deputy Assistant Secretary for Compliance.

Notice of Postponement of Preliminary Determinations: Antidumping Duty Investigations of Certain Brake Drums and Certain Brake Rotors From the People's Republic of China

AGENCY: Import Administration,
International Trade Administration,
Department of Commerce.

EFFECTIVE DATE: June 7, 1996.

FOR FURTHER INFORMATION CONTACT: John Beck or Magd Zalok, Office of Antidumping Investigations, Import Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington D.C. 20230; telephone (202) 482-3464 or (202) 482-4162, respectively.

The Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930 (the Act) are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Rounds Agreements Act.

Postponement of Preliminary Determinations

We have determined that these investigations are extraordinarily complicated within the meaning of section 733(c)(1)(B)(i) of the Act. The large number of potential respondents in both the brake drums and the brake rotors investigations will make it necessary to review the volume and value data from each one in order to determine the appropriate mandatory respondents. In addition, claims for separate rates will have to be analyzed individually.

Furthermore, we have determined that the parties concerned are cooperating, as required by section 733(c)(1)(B) of the Act, and that additional time is necessary to make these preliminary determinations in accordance with section 733(c)(1)(B)(ii) of the Act.

For these reasons, the deadline for issuing the preliminary determination in these cases is now no later than October 3, 1996.

This notice is published pursuant to section 733(c)(2) of the Act.

Dated: May 30, 1996.
Barbara R. Stafford,
Deputy Assistant Secretary for Investigations,
Import Administration.
