## COMMODITY FUTURES TRADING COMMISSION

### COMEX Division of the New York Mercantile Exchange: Proposed Amendments to the Silver Futures Contract

**AGENCY:** Commodity Futures Trading Commission.

**ACTION:** Notice of proposed contract market rule changes.

**SUMMARY:** The COMEX Division of the New York Mercantile Exchange (COMEX or Exchange) has submitted a proposal to amend its silver futures contract. The amendments would add a new delivery point and facility to the list of Exchange-approved depositories

in Supplement No. 2 of the rules of the silver futures contract. The Acting Director of the Division of Economic Analysis (Division) of the Commodity Futures Trading Commission (Commission) has determined that the proposal is of major economic significance and that, accordingly, publication of the proposal is in the public interest, will assist the Commission in considering the views of interested persons, and is consistent with the purposes of the Commodity Exchange Act. On behalf of the Commission, the Division is hereby providing notice of, and seeking comment on, the proposed amendments.

**DATES:** Comments should be received on or before July 10, 1996.

**ADDRESSES:** Interested persons should submit their views and comments to Jean A. Webb, Secretary, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW, Washington, DC 20581. Reference should be made to the proposed amendments to Supplement No. 2 of the rules of the COMEX silver futures contract.

#### FOR FURTHER INFORMATION CONTACT:

Please contact John Forkkio of the Division of Economic Analysis, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW, Washington, DC 20581, telephone 202-418-5281.

**SUPPLEMENTARY INFORMATION:** The proposed amendments would add a new delivery point and facility to the list of Exchange-approved depositories for the silver futures contract. The new delivery point and facility are respectively, Wilmington, Delaware, and Wilmington Trust Company. The Exchange proposes to make these amendments effective on January 1, 1997. Consequently, the proposed amendments would apply to newly listed and certain currently listed silver futures contracts.<sup>1</sup>

Currently, there are five approved depositories for the silver futures contract, all located in New York City. The Exchange submits that the addition of the Wilmington Trust Company depository in Wilmington, DE to its approved list may increase metals stocks available for delivery and provide greater flexibility for market participants wishing to make or take futures delivery. The NYMEX further noted that:

The addition of Wilmington Trust would have the effect of making the [silver] contract consistent with cash market practices, as was

<sup>1</sup> COMEX silver futures contract months currently are listed out through the year 2000.

the case with [identical changes previously adopted for] the NYMEX platinum and palladium futures contracts. Market participants should, at worst, be indifferent to the addition of a depository in Wilmington, Delaware. In reviewing the data, and in talking with various industry participants, many, in fact, would experience greater flexibility should Wilmington Trust be approved. Approval could also potentially benefit those users of the COMEX silver futures contract who choose to store metal for periods of time rather than remove it immediately from a depository. Consumers or traders who desire to transport silver out of the location in which they receive it would incur a \$25 savings in withdrawal charges when removing silver lots from Wilmington Trust that would offset most or all of the difference in transportation costs for large shipments of silver.

In conclusion, other depository facilities located outside of New York City are indeed a part of the physical market for silver in the Northeast U.S., particularly Wilmington Trust. This can be seen by their use by a majority of participants in the silver industry \* \* \*.

The Division requests comments on the proposed amendments and the proposed implementation procedure, including any potential impact on the obligations of traders with open positions or on the value of such positions in the affected months.

The COMEX proposal will be available for inspection at the Office of the Secretariat, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW, Washington, DC 20581. Copies of the terms and conditions can be obtained through the Office of the Secretariat by mail at the above address or by phone at (202) 418-5097.

Other materials submitted by the COMEX in support of the proposal may be available upon request pursuant to the Freedom of Information Act (5 U.S.C. 552) and the Commission's regulations thereunder (17 C.F.R. Part 145 (1987)), except to the extent they are entitled to confidential treatment as set forth in 17 C.F.R. 145.5 and 145.9. Requests for copies of such materials should be made to the FOI, Privacy and Sunshine Act Compliance Staff of the Office of the Secretariat at the Commission's headquarters in accordance with 17 C.F.R. 145.7 and 145.8.

Any person interested in submitting written data, views, or arguments on the proposed amendments, or with respect to other materials submitted by the COMEX in support of the proposal, should send such comments to Jean A. Webb, Secretary, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW,

Issued in Washington, DC, on May 31, 1996.  
John Mielke,
