

DEPARTMENT OF EDUCATION**[CFDA NO.: 84.313A]****Even Start Family Literacy Program Women's Prison Project; Notice Inviting Applications for a New Award With Fiscal Year (FY) 1995 Funds**

Note to Applicants: This notice is a complete application package. Together with the statute authorizing the program and the Education Department General Administrative Regulations (EDGAR), the notice contains all of the information, application forms, and instructions needed to apply for a grant under this competition.

Purpose of Program: The Even Start Family Literacy Program Women's Prison grant is designed to help break the cycle of poverty and illiteracy and improve the educational opportunities of low-income families with mothers in prison by integrating early childhood education, adult literacy or adult basic education, and parenting education into a unified family literacy program of high quality. This project, which must be located in a prison that houses women and their preschool-aged children, will serve women inmates and their children, birth through age seven. (For the purposes of this program, the Secretary considers a prison to be a correctional institution that houses inmates, most of whom are incarcerated in the institution for at least one year.)

Eligible Applicants: A prison (other than a Federal prison) that houses women and their preschool-aged children, an institution of higher education, local educational agency, hospital, or other public or private organization or entity. (A Federal prison may not apply for these Federal funds. However, another eligible entity may apply for a grant to operate this family literacy program in a Federal prison.)

Deadline for Transmittal of Applications: August 7, 1996.

Deadline for Intergovernmental Review: October 7, 1996.

Available Funds: \$200,000 (for the entire project period).

Number of Awards: 1.

Project Period: 24 months.

Applicable Regulations: The EDGAR as follows:

(1) 34 CFR Part 74 (Administration of Grants and Agreements with Institutions of Higher Education, Hospitals, and other Non-profit Organizations), for applicants that are institutions of higher education, hospitals, or other public or private organizations that are not State educational agencies, local educational agencies, or Indian tribes and tribal organizations.

(2) 34 CFR Part 75 (Direct Grant Programs).

(3) 34 CFR Part 77 (Definitions that Apply to Department Regulations).

(4) 34 CFR Part 79 (Intergovernmental Review of Department of Education Programs and Activities).

(5) 34 CFR Part 80 (Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments), for applicants that are State or local governments, or federally recognized Indian tribal governments.

(6) 34 CFR Part 81 (General Education Provisions Act—Enforcement).

(7) 34 CFR Part 82 (New Restrictions on Lobbying).

(8) 34 CFR Part 85 (Governmentwide Debarment and Suspension (Nonprocurement) and Governmentwide Requirements for Drug-Free Workplace (Grants)).

Description of Program: Under the authority of section 1202(a)(2) of the Elementary and Secondary Education Act (ESEA), the Assistant Secretary of Elementary and Secondary Education will award one Even Start Family Literacy grant to an eligible applicant to plan and implement a family literacy program of high quality, that integrates adult literacy or adult basic education (including, as appropriate, English as a second language), parenting education, and early childhood education, in a prison that houses women and their preschool-aged children. This family literacy project will serve female inmates and their children birth through age seven. The children are eligible participants in the project whether or not they reside in the prison. Some project activities may be located outside the prison. The Secretary intends to award this grant for a 24-month period.

Eligible participants. Eligible participants are—

1. Female prison inmates who participate in the project with one or more of their eligible children, and who—
 - Are eligible for participation in an adult basic education program under the Adult Education Act; or
 - Are within the State's compulsory school attendance age range; and
2. The child or children, from birth through age seven, of an individual described in paragraph 1 (whether or not the child resides in the prison).

(Note: Family members of eligible participants described in paragraphs one and two, above, also may participate in Even Start Family Literacy Program activities when appropriate to serve Even Start purposes. In addition, under section 1206(b)(2) of the ESEA, participants remain eligible for Even Start Family Literacy services until all

eligible participants in a family become ineligible for participation. For example, in the case of a participating family in which the mother becomes ineligible due to educational advancement, the family would remain eligible until the participating children reach age eight.)

Federal and local funding. The Even Start Family Literacy Program Women's Prison grant funding comprises both a Federal portion of funds (Federal share) and a portion contributed by the eligible applicant (local project share). The Federal share of the project may not exceed—

- 90 percent of the total cost of the program in the first year; and
- 80 percent of the total cost of the program in the second year.

The local share of the project may be provided in cash or in kind and may be obtained from any source, including other Federal programs funded by the ESEA.

Indirect costs. Funds under this grant may not be used for the indirect costs of an Even Start Family Literacy Program Women's Prison grant project.

National Evaluation: The Secretary suggests that each applicant budget for evaluation activities as follows: a project with an estimated cost of up to \$120,000 should designate \$5,000 for this purpose; a project with an estimated cost of over \$120,000 should designate \$10,000 for these activities. These funds will be used for expenditures related to the collection and aggregation of data required for the Department's national evaluation. The Secretary also recommends that projects budget for the cost of travel to Washington, DC, and two nights' lodging for the project director and the project evaluator, for their participation in annual evaluation meetings.

Waiver of Reporting Requirement: Under the EDGAR, an applicant generally must submit an annual performance report to the Department. (See 34 CFR 74.51, 75.720, and 80.40.) However, in the interest of reducing burden at the local level, the Secretary has determined that a performance report is unnecessary until the end of the 24-month project period, and therefore waives the requirement for a performance report at the end of the first year. This waiver is in accordance with the Secretary's authority under these regulations.

Invitational Priority: Under 34 CFR 75.105(c)(1) and section 1202(a)(2) of the ESEA (20 U.S.C. 6362(a)(2)), the Secretary is particularly interested in applications that meet the following invitational priority. However, an applicant that meets this invitational priority does not receive competitive or

absolute preference over other applications:

The applicant's proposed project includes the following:

(1) A recruitment and intake procedure for participants that involves extensive participant preparation for the family literacy program and an established agreement with the participants to participate for a specified minimum length of time sufficient to meet the program's purposes.

(2) An intensity of services in parenting education, adult literacy or adult basic education, and early childhood education.

(3) Active involvement of participants in planning and implementing the project.

(4) Integration with other educational and related activities offered to inmates at the prison.

(5) An approach that has been successful in providing academic or family literacy programs in the past.

Selection Criteria: (a)(1) The Secretary uses the following selection criteria to evaluate applications for grants under this competition.

(2) The maximum composite score for all of these criteria is 100 points.

(3) The maximum score for each criterion is indicated in parentheses.

(b) *The Criteria.*—(1) *Meeting the purposes of the authorizing statute.* (20 points) The Secretary reviews each application to determine how well the project will meet the purpose of the Even Start Family Literacy Program Women's Prison Grant, which under sections 1201 and 1202(a)(2) of the ESEA is to help break the cycle of poverty and illiteracy by awarding a grant for a project that—

- Improves the educational opportunities of low-income families with mothers in prison by integrating early childhood education, adult literacy or adult basic education, and parenting education into a unified family literacy program;

- Is implemented through cooperative projects that build on existing community resources to create a new range of services for women inmates and their children through age seven;

- Promotes achievement of the National Education Goals; and

- Assists children and women in prison to achieve to challenging State content standards and challenging State student performance standards.

(2) *Extent of need for the project.* (20 points) The Secretary reviews each application to determine the extent to which the project meets specific needs recognized in the authorizing statute, including consideration of—

(i) The needs addressed by the project;

(ii) How the applicant identified those needs;

(iii) How those needs will be met by the project; and

(iv) The benefits to be gained by meeting those needs.

(Note: The Secretary invites applicants to address such factors as the following: the number of women in the prison who need Even Start services, the average educational level of female inmates with eligible children, the lack of availability of comprehensive family literacy services for that population, other resources that will be used to benefit project participants, and any other factors that the applicant considers relevant to the extent of need for the project.)

(3) *Plan of Operation.* (30 points) The Secretary reviews each application to determine the quality of the plan of operation for the project, including—

(i) The quality of the design of the project;

(ii) The extent to which the plan of management is effective and ensures proper and efficient administration of the project;

(iii) How well the objectives of the project relate to the purposes of the program;

(iv) The quality of the applicant's plan to use its resources and personnel to achieve each objective; and

(v) How the applicant will ensure that project participants who are otherwise eligible to participate are selected without regard to race, color, national origin, gender, age, or handicapping condition.

(Note: Concerning the design of the project, an eligible applicant must propose a project that incorporates, at a minimum, the following program elements required by section 1205 of the ESEA:

- Identification and recruitment of eligible participants most in need of services provided under the Even Start Family Literacy Program, as indicated by a low level of adult literacy or English language proficiency of the eligible mother and other need-related indicators.

- Screening and preparation of mothers and children to enable those mothers to participate fully in the Even Start activities and services provided by the project, including testing, referral to necessary counseling (which may include drug and alcohol counseling), other necessary developmental and support services, and related services.

- Design that accommodates the participants' work schedules and other responsibilities, including the provision of support services, when those support services are unavailable from other sources, but are necessary for participation in the Even Start activities provided by the project, such as—

- Scheduling and locating of services to allow joint participation by mothers and children;

- Child care for the period that mothers participate in project activities; and

- Transportation, if necessary, to enable mothers and their children to participate in the project.

- High-quality instructional programs that promote adult literacy and empower the mothers to support the educational growth of their children, developmentally appropriate early childhood educational services, and preparation of children for success in regular school programs.

- Special training of project staff, including child care staff, to develop the skills necessary to work with mothers and young children in the full range of instructional services offered through the Even Start Family Literacy Program.

- Operation on a year-round basis, including the provision of some program services, instructional or enrichment, during the summer months.

- As appropriate, coordination with programs assisted under other parts of Title I and other programs under the ESEA, any relevant programs under the Adult Education Act, the Individuals with Disabilities Education Act, and the Job Training Partnership Act, the Head Start program, volunteer literacy programs, and other relevant programs.

- Ensuring that the program will serve those eligible participants most in need of the activities and services provided by the project.

- An independent evaluation of the project.)

(4) *Quality of key personnel.* (5 points)

(i) The Secretary reviews each application to determine the quality of key personnel the applicant plans to use on the project, including—

(A) The qualifications of the project director (if one is to be used);

(B) The qualifications of each of the other key personnel to be used in the project;

(C) The time that each person referred to in paragraphs (b)(4)(i) (A) and (B) will commit to the project; and

(D) How the applicant, as part of its nondiscriminatory employment practices, will ensure that its personnel are selected for employment without regard to race, color, national origin, gender, age, or handicapping condition.

(ii) To determine personnel qualifications under paragraphs (b)(4)(i) (A) and (B), the Secretary considers—

(A) Experience and training in fields related to the objectives of the project; and

(B) Any other qualifications that pertain to the quality of the project.

(5) *Staff training.* (10 points) The Secretary reviews each application to determine how well the project provides special staff training, including child care staff, to develop the skills necessary to work with parents and young children in the full range of instructional services offered under the Even Start Family Literacy Program.

(6) *Budget and cost effectiveness.* (2 points) The Secretary reviews each application to determine the extent to which—

(i) The budget is adequate to support the project; and

(ii) Costs are reasonable in relation to the objectives of the project.

(7) *Evaluation plan.* (10 points) The Secretary reviews each application to determine the quality of the evaluation plan for the project, including the extent to which the applicant's methods of evaluation—

(i) Are appropriate to the project; and

(ii) To the extent possible, are objective and produce data that are quantifiable.

(Cross-reference: See 34 CFR 75.590 Evaluation by the grantee.)

(8) *Adequacy of resources.* (3 points) The Secretary reviews each application to determine the adequacy of the resources that the applicant plans to devote to the project, including facilities, equipment, and supplies.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion -- Lower Tier Covered Transactions

This certification is required by the Department of Education regulations implementing Executive Order 12549, Debarment and Suspension, 34 CFR Part 85, for all lower tier transactions meeting the threshold and tier requirements stated at Section 85.110.

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion—Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification

- (1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
- (2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

This provision is section 427 of GEPA, enacted as part of the Improving America's Schools Act of 1994 (Pub. L. 103-382).

To Whom Does This Provision Apply?

Section 427 of GEPA affects applicants for new discretionary grant awards under this program. ***ALL APPLICANTS FOR NEW AWARDS MUST INCLUDE INFORMATION IN THEIR APPLICATIONS TO ADDRESS THIS NEW PROVISION IN ORDER TO RECEIVE FUNDING UNDER THIS PROGRAM.***

What Does This Provision Require?

Section 427 requires each applicant for funds (other than an individual person) to include in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its federally-assisted program for students, teachers, and other program beneficiaries with special needs.

This section allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation that you may address: gender, race, national origin, color, disability, or age. Based on local circumstances, you can determine whether these or other barriers may prevent your students, teachers, etc.

from equitable access or participation. Your description need not be lengthy; you may provide a clear and succinct description of how you plan to address those barriers that are applicable to your circumstances. In addition, the information may be provided in a single narrative, or, if appropriate, may be discussed in connection with related topics in the application.

Section 427 is not intended to duplicate the requirements of civil rights statutes, but rather to ensure that, in designing their projects, applicants for Federal funds address equity concerns that may affect the ability of certain potential beneficiaries to fully participate in the project and to achieve to high standards. Consistent with program requirements and its approved application, an applicant may use the Federal funds awarded to it to eliminate barriers it identifies.

What are Examples of How an Applicant Might Satisfy the Requirement of This Provision?

The following examples may help illustrate how an applicant may comply with section 427.

- (1) An applicant that proposes to carry out an adult literacy project serving, among others, adults with limited English proficiency, might describe in its application how it intends to distribute a brochure about the proposed project to such potential participants in their native language.
- (2) An applicant that proposes to develop instructional materials for classroom use might describe how it will make the materials available on audio tape or in braille for students who are blind.

(3) An applicant that proposes to carry out a model science program for secondary students and is concerned that girls may be less likely than boys to enroll in the course, might indicate how it tends to conduct "outreach" efforts to girls, to encourage their enrollment.

We recognize that many applicants may already be implementing effective steps to ensure equity of access and participation in their grant programs, and we appreciate your cooperation in responding to the requirements of this provision.
