#### SUPPLEMENTARY INFORMATION:

##### Background

This document contains proposed regulations under section 280B of the Internal Revenue Code. Section 280B was added by the Tax Reform Act of 1976, Public Law 94-455, 2124(b), 90 Stat. 1520, 1918 (Oct. 4, 1976), and significant amendments were made to the provision by the Economic Recovery

Tax Act of 1981, Public Law 97-34, 212(d)(2)(C) and (e)(2), 95 Stat. 172, 239 (Aug. 13, 1981) (1981 Act) and the Tax Reform Act of 1984, Public Law 98-369, 1063, 98 Stat. 494, 1047 (July 18, 1984) (1984 Act). Transition rules were provided in the Tax Reform Act of 1986, Public Law 99-514, 1878(h), 100 Stat. 2085, 2904 (Oct. 22, 1986) (1986 Act). As originally enacted, section 280B required any costs or losses incurred on account of the demolition of any certified historic structure (a building or structure meeting certain requirements) to be capitalized into the land upon which the demolished structure was located. The 1981 Act modified the definition of certified historic structure for purposes of section 280B from a building or structure meeting certain requirements to a building (or its structural components) meeting certain requirements. The 1984 Act substituted "any structure" for "certified historic structure." These proposed regulations define what "structure" means for purposes of section 280B.

#### Explanation of Provisions

These proposed regulations define the term "structure" for purposes of section 280B as a building and its structural components as those terms are defined in § 1.48-1(e) of the Income Tax Regulations. Thus, under section 280B, a structure will include only a building and its structural components and not other inherently permanent structures such as oil and gas storage tanks, blast furnaces, and coke ovens.

The proposed regulations rely on the legislative history underlying the 1984 and 1986 Acts, which refer repeatedly to buildings rather than to structures generally. In addition, the legislative history of the 1984 Act discusses the difficulty of applying the intent test of § 1.165-3 of the regulations, which applies to the demolition of buildings, and indicates that the newly added language is meant to eliminate this difficulty.

#### Proposed Effective Date

The regulations are proposed to be effective on and after the date that final regulations are filed with the Federal Register.

#### Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in EO 12866. Therefore, a regulatory assessment is not required. It also has been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) and the Regulatory Flexibility Act (5 U.S.C. chapter 6) do

not apply to these regulations, and, therefore, a Regulatory Flexibility Analysis is not required. Pursuant to section 7805(f) of the Internal Revenue Code, this notice of proposed rulemaking will be submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.

#### Comments and Public Hearing

Before these proposed regulations are adopted as final regulations, consideration will be given to any written comments (a signed original and eight (8) copies) that are submitted timely to the IRS. All comments will be available for public inspection and copying.

A public hearing has been scheduled for October 9, 1996, in the Commissioner's Conference Room. Because of access restrictions, visitors will not be admitted beyond the Internal Revenue Building lobby more than 15 minutes before the hearing starts.

The rules of 26 CFR 601.601(a)(3) apply to the hearing.

Persons that wish to present oral comments at the hearing must submit written comments and an outline of the topics to be discussed and the time to be devoted to each topic (signed original and eight (8) copies) by September 18, 1996.

A period of 10 minutes will be allotted to each person for making comments.

An agenda showing the scheduling of the speakers will be prepared after the deadline for receiving outlines has passed. Copies of the agenda will be available free of charge at the hearing.

#### Drafting Information

The principal author of these regulations is Bernard P. Harvey, Office of Assistant Chief Counsel (Passthroughs and Special Industries). However, other personnel from the IRS and Treasury Department participated in their development.

(b) *Definition of structure.* For purposes of section 280B, the term *structure* means a building, as defined in § 1.48-1(e)(1), and the structural components of that building, as defined in § 1.48-1(e)(2).

**Mark to Market for Dealers in Securities; Equity Interests in Related Parties and the Dealer-Customer Relationship**

**AGENCY:** Internal Revenue Service (IRS), Treasury.

**ACTION:** Notice of proposed rulemaking and notice of public hearing.

**SUMMARY:** This document contains proposed regulations that make mark-to-market accounting inapplicable to most equity interests in related entities. The regulations also relate to the definition of a dealer in securities for certain federal income tax purposes. To qualify as a dealer in securities, a taxpayer must engage in transactions with customers. The proposed regulations concern the existence of dealer-customer relationships. The Revenue Reconciliation Act of 1993 amended the applicable tax law. These regulations provide guidance for taxpayers that engage in securities transactions. This document also provides notice of a public hearing on these proposed regulations.

**DATES:** Written comments and outlines of oral comments to be presented at a public hearing scheduled for October 15, 1996, at 10 a.m., must be received by September 18, 1996.

**ADDRESSES:** Send submissions to: CC:DOM:CORP:R (FI-32-95), room 5228, Internal Revenue Service, POB 7604, Ben Franklin Station, Washington, DC 20044. In the alternative, submissions may be hand delivered between the hours of 8 a.m. and 5 p.m. to: CC:DOM:CORP:R (FI-32-95), Courier's Desk, Internal Revenue Service, 1111 Constitution Avenue NW., Washington, DC 20224. The public hearing will be held in the Commissioner's Conference Room, room 3313, Internal Revenue Building, 1111 Constitution Avenue NW., Washington, DC 20224.

**FOR FURTHER INFORMATION CONTACT:** Concerning the regulations, Jo Lynn L. Ricks, (202) 622-3920, or Robert B. Williams, (202) 622-3960; concerning submissions and the hearing, Michael Slaughter, (202) 622-7190 (not toll-free numbers).

**SUPPLEMENTARY INFORMATION:**

**Paperwork Reduction Act**

The collection of information contained in this notice of proposed rulemaking has been submitted to the Office of Management and Budget for review in accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3507).

Comments on the collection of information should be sent to the Office of Management and Budget, Attn: Desk Officer for the Department of the Treasury, Office of Information and Regulatory Affairs, Washington, DC 20503, with copies to the Internal Revenue Service, Attn: IRS Reports Clearance Officer, T:FP, Washington, DC 20224. Comments on the collection of information should be received by August 19, 1996.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.

The collection of information is described in the Explanation of Provisions section of the Preamble (rather than being included in the text of the proposed regulations). The Preamble requests comments on whether the final regulations should permit taxpayers to elect to disregard certain inter-company transactions in determining status as a dealer in securities. The preamble also indicates that, if the election is allowed to be made, it is expected that taxpayers

would make it by attaching a statement to a tax return. If the final regulations allow taxpayers to make this election in this manner, the information will be required by the IRS to determine whether the election has been made, and will be used for that purpose. The likely respondents will be businesses that file consolidated tax returns. If taxpayers are allowed to make the election, responses to this collection of information will be required to obtain the benefit of having status as a dealer in securities determined without regard to certain inter-company transactions.

Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103. Estimated total annual reporting burden: 6,000 hours. The estimated annual burden per respondent varies from .25 hour to 1 hour, depending on individual circumstances, with an estimated average of .5 hours. Estimated number of respondents: 12,000. Estimated annual frequency of responses: once in the existence of each respondent.

**Background**

This document contains proposed regulations under section 475 of the Internal Revenue Code, which requires mark-to-market accounting for certain dealers in securities. Section 475 was added by section 13223 of the Revenue Reconciliation Act of 1993, Pubic Law 103-66, 107 Stat. 481, and is effective for all taxable years ending on or after December 31, 1993.

Temporary and proposed regulations published on December 29, 1993, (58 FR 68798) provide that stock in a 50-percent-controlled subsidiary (and interests in 50-percent-controlled partnerships and trusts) are deemed properly identified as held for investment and thus are excluded from mark-to-market accounting. The IRS is repropoing this rule with two changes. First, the IRS has concluded that the rationale for the rule applies equally to equity interests in most related persons and not just to persons controlled by the taxpayer. Second, after considering various comments received, the IRS determined that this rule prohibiting marking a security to market should not apply if two requirements are met: (1) The security is actively traded on a national securities exchange or through an interdealer quotation system; and (2) the taxpayer who marks owns less than 5 percent of all shares or interests of the same class.
