## DEPARTMENT OF LABOR

### Employment and Training Administration

#### Job Training Partnership Act: Employment and Training Assistance for Dislocated Workers; Reallotment of Title III Funds

**AGENCY:** Employment and Training Administration, Labor.

**ACTION:** Notice.

**SUMMARY:** The Department of Labor is publishing for public information the Job Training Partnership Act Title III (Employment and Training Assistance for Dislocated Workers) funds identified by States for reallotment, and the amount to be reallotted to eligible States.

**FOR FURTHER INFORMATION CONTACT:** Mr. Eric Johnson, Office of Worker Retraining and Adjustment Programs, Employment and Training Administration, Department of Labor, Room N-5426, 200 Constitution Avenue NW, Washington, DC 20210. Telephone: 202-219-5577 (this is not a toll-free number).

**SUPPLEMENTARY INFORMATION:** Pursuant to Title III of the Job Training Partnership Act (JTPA or the Act), as amended by the Economic Dislocation and Worker Adjustment Assistance Act (EDWAA), the Secretary of Labor (Secretary) is required to recapture funds from States identified pursuant to section 303(b) of the Act, and reallot such funds by a Notice of Obligation (NOO) adjustment to current year funds to "eligible States" and "eligible high unemployment States", as set forth in section 303(a), (b), and (c) of JTPA. 29

U.S.C. 1653. The basic reallotment process was described in Training and Employment Guidance Letter No. 4-88, dated November 25, 1988, Subject: Reallotment and Reallocation of Funds under Title III of the Job Training Partnership Act (JTPA), as amended, 53 FR 43737 (December 2, 1988). The reallotment process for Program Year (PY) 1995 funds was described in Training and Employment Guidance Letter No. 5-94, dated December 21, 1994, Subject: Reallotment of Job Training Partnership Act (JTPA) Title III Formula-Allotted Funds.

NOO adjustments to the PY 1995 (July 1, 1995-June 30, 1996) formula allotments are being issued based on expenditures reported to the Secretary by the States, as required by the recapture and reallotment provisions at Section 303 of JTPA. 29 U.S.C. 1653.

Excess funds are recaptured from PY 1995 formula allotments, and are distributed by formula to eligible States and eligible high unemployment States, resulting in either an upward or downward adjustment to every State's PY 1995 allotment.

#### Unemployment Data

The unemployment data used in the formula for reallotments, relative numbers of unemployed and relative numbers of excess unemployed, were for the October 1994 through September 1995 period. Long-term unemployment data used were for calendar year 1995. The determination of "eligible high unemployment States" for the reallotment of excess unexpended funds was also based on unemployment data for the period October 1994 through September 1995, with all average unemployment rates rounded to the nearest tenth of one percent. The unemployment data were provided by the Bureau of Labor Statistics, based upon the Current Population Survey.

The table below displays the distribution of the net changes to PY 1995 formula allotments.
