Abstract: These collections are necessary for the award and administration of discretionary and formula grants. The collections specific to ED forms are part of the reinvented process ED uses for awarding multi-year discretionary grants. The new process substantially increases flexibility of the grant process by enabling all years of multi-year budgets to be negotiated on at the time of initial award, and to submit only a performance report instead of an entire noncompeting continuation (NCC) package to receive funding.

Northern Natural Gas Company; Notice of Application

June 27, 1996.

Take notice that on June 21, 1996, Northern Natural Gas Company (Northern), 1111 South 103rd Street, Omaha, Nebraska 68124, filed in Docket No. CP96-590-000 an application pursuant to Section 7(b) of the Natural Gas Act for permission and approval to abandon certain pipeline facilities to West Texas Gas, Inc. Northern proposes to abandon, by sale to WTG, approximately 14 miles of 6-inch pipeline and appurtenant facilities located in Hansford and Hutchinson Counties, Texas, to be used by WTG as non-jurisdictional gathering facilities.

Northern states that in instances where the primary term of any transportation service agreement using the subject facilities has not expired, to the extent necessary, WTG would perform a comparable, but non-jurisdictional, service on terms and conditions to be mutually agreed upon by WTG and the respective party for the remainder of the primary term.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that permission and approval for the proposed abandonment are required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Northern to appear or be represented at the hearing.
