In accordance with Section 223 of the Trade Act of 1974, as amended, the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers (TA-W) issued during the period of June, 1996.

**Boise Cascade Corporation, Vancouver, WA; Notice of Affirmative Determination Regarding Application for Reconsideration**

By letter of June 13, 1996, the petitioners, Paper manufacturers of Local Union 293, Association of Western Pulp and Paper Workers, requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Transitional Adjustment Assistance under the trade act of 1974. The denial notice was signed on April

19, 1996, and published in the Federal Register on May 16, 1996 (61 FR 24814).

The petitioner presents evidence that the Department's analysis of U.S. imports of pulp, and all paper products produced at the subject firm, was incomplete.

**Conclusion**

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, D.C., this 17th day of June 1996.
