Applicant's Representations

1. Applicant is an open-end management investment company organized as a Massachusetts business trust. On November 22, 1989, applicant filed a registration statement on Form N-1A pursuant to section 8(b) of the Act and under the Securities Act of 1933 to register its shares. The registration statement became effective on March 1, 1990, and the initial public offering commenced on or about the same date.

2. On June 16, 1994, applicant's board of trustees adopted an Agreement and Plan of Reorganization (the "Reorganization Plan") whereby applicant would exchange its net assets for shares of Oppenheimer Global Emerging Growth Fund ("OGEF"), a registered, open-end management investment company, and the OGEF shares would be distributed *pro rata* to applicant's shareholders.

3. On August 16, 1994, applicant filed a proxy statement with the SEC that was declared effective on September 19, 1994. Applicant's shareholders approved the Reorganization Plan on November 11, 1994.

4. At the close of business on November 17, 1994, immediately preceding effectiveness of the Reorganization Plan, applicant had 2,815,907.520 shares outstanding. As of that date, applicant's aggregate net assets were \$27,636,863.83, and the net asset value per share was \$9.81. In exchange for 1,540,515.42 shares of OGEF, applicant transferred to OGEF its assets less liabilities with respect to: (a) amounts payable for portfolio securities purchased but not yet settled; (b) a cash reserve retained for the payment of the expenses of applicant's dissolution and its liabilities; (c) deferred trustee amounts; and (d) capital stock. Pursuant to the Reorganization Plan, applicant received that number of OGEF shares having an aggregate net asset value equal to the value of applicant's net assets.

5. On November 18, 1994, the reorganization was consummated. Applicant was subsequently liquidated and applicant's shareholders received *pro rata* the OGEF shares received by applicant pursuant to the reorganization.

6. The expenses borne by applicant pursuant to the reorganization totalled \$46,775. These expenses included the cost of printing and mailing proxies and proxy statements, a portion of the cost of the tax opinion, with the remainder paid by OGEGF, as well as legal, accounting, and transfer agency expenses. Applicant's share of the expenses was paid from its cash reserve.

7. As of the date of the filing of the application, applicant has no assets, and no outstanding debts or liabilities. Applicant has no shareholders and is not a party to any litigation or administrative proceeding. Applicant is not presently engaged in, nor does it propose to engage in, any business activities other than those necessary for the winding-up of its affairs.

8. Applicant filed a termination of trust with Massachusetts authorities on June 26, 1995.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the Chicago Board Options Exchange, Incorporated Relating to Operation and Enforcement of the Firm Quote Rule in the OEX Trading Crowd

June 28, 1996.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"), 15 U.S.C. 78s(b)(1), notice is hereby given that on May 15, 1996, the Chicago Board Options Exchange, Incorporated ("CBOE" or "Exchange") filed with the Securities and Exchange Commission ("Commission" or "SEC") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the CBOE. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The CBOE proposes to issue two regulatory circulars pertaining to the administration and enforcement of the firm quote rule in the trading crowd where options on the Standard and Poor's 100 Index ("OEX options") are traded. The text of the regulatory

circulars and the proposed rule change are available at the Office of the Secretary, CBOE and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CBOE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The CBOE has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of the proposed rule change is, first, to consolidate and clarify in a single regulatory circular (referred to as "Regulatory Circular 96-xx") the Exchange's policies concerning the administration and enforcement of the firm quote rule (CBOE Rule 8.51) in the OEX trading crowd, and, second, to set forth in a separate regulatory circular (referred to as "Regulatory Circular 96-yy") the specific fines that may be imposed under the Exchange's summary fine procedure for violations of the requirements of the firm quote program in the OEX crowd, as contemplated in CBOE Rule 17.50(g)(6).

Proposed Regulatory Circular 96-xx consolidates without substantial change various requirements applicable to market makers and floor brokers in the OEX trading crowd under CBOE Rule 8.51 (the firm quote rule). These requirements have previously been set forth in a number of different regulatory circulars, two of which (RG 90-09 and RG 96-25) are currently effective. The proposed regulatory circular would take the place of both of these circulars in order to provide in one place a clear and comprehensive statement of how firm quote requirements apply in the OEX crowd.

In addition to restating what is set forth in existing circulars, the proposed circular would amend those circulars to clarify certain aspects of the obligations of market makers and floor brokers under the firm quote rule, and how those obligations are enforced. Specifically, with respect to market makers, proposed Regulatory Circular 96-xx sets forth a mechanism for the enforcement of Rule 8.51 in the OEX trading crowd by providing that if the OEX trading crowd fails to honor a

posted quotation in accordance with the firm quote rule, two Floor Officials may designate one or more market makers in the crowd to take the contra side of the order that is entitled to execution. The proposed circular makes it clear that any failure to comply with the Floor Officials' designation is a violation of Rule 8.51, which may subject the violator to summary fine under Rule 17.50 as well as to formal disciplinary proceedings.¹ The circular points out that the fine permitted to be imposed by Floor Officials for such violations can be as high as \$5,000, which is the maximum fine authorized under the summary fine rule. It is the Exchange's expectation that the *in terrorem* effect of a substantial fine will cause market makers to comply with Floor Officials' designations, and the fines themselves will rarely if ever have to be imposed.

Proposed Regulatory Circular 96-xx also clarifies the meaning of the due diligence obligation imposed on floor brokers under Rule 6.73(a), as that obligation applies in the OEX trading crowd in light of the operation of the firm quote rule. The circular describes two alternative ways in which public customer orders eligible for execution under the firm quote rule may be represented: The floor broker may either ask for a market and then immediately fill the order for up to the ten contract limit entitled to execution under the firm quote rule at the better of the posted market or the market given in response to his request, or the floor broker may bid or offer on behalf of his customer at a price between the posted bid and offer in an attempt to obtain an execution at a better price than the posted market. Under the second alternative, the floor broker must then immediately fill the public customer order for up to ten contracts at his announced bid or offer if the crowd is willing to trade at that price, or if not, he must immediately fill the order at the originally posted market.

In all other respects, proposed Regulatory Circular 96-xx is substantially the same as the existing circulars that it will replace.

Proposed Regulatory Circular 96-yy is being issued pursuant to CBOE's summary fine rule (Rule 17.50), which authorizes the summary imposition of fines for certain specified "minor rule violations" in lieu of formal disciplinary proceedings. Paragraph (g)(6) of Rule 17.50 covers the imposition of summary

¹ Violations of Rule 8.51 are deemed to be violations of Rule 6.20(b) pursuant to paragraph (vii) of Interpretation and Policy .04 under Rule 6.20. Rule 6.20(b) requires that fines imposed thereunder must be agreed upon by at least two Floor Officials.
