Western Energy Company, Colstrip, MT; Notice of Termination of Investigation

Pursuant to Title V of the North American Free Trade Agreement Implementation Act (P.L. 103-182) concerning transitional adjustment assistance, hereinafter called (NAFTA-TAA), and in accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 USC 2273), an investigation was initiated on May 16, 1996 in response to a petition filed on behalf of workers at Western Energy Company in Colstrip, Montana.

The petitioning worker group is already covered under an amended active certification (NAFTA-00946A). Consequently, further investigation in this case would serve no purpose, and the investigation has been terminated.

Signed at Washington, D.C., this 27th day of June 1996.

[TA-W-31,962]

Blue Chip Products, Incorporated, Morrisville, PA; Notice of Termination of Investigation

Pursuant to Section 221 of the Trade Act of 1974, an investigation was initiated on March 4, 1996 in response to a worker petition which was filed on March 4, 1996 on behalf of workers at Blue Chip Products, Incorporated, Morrisville, Pennsylvania.

The petitioning group of workers is subject to a previous investigation for which a negative determination has been issued (NAFTA-00837). In the North American Free Trade Agreement-Trade Adjustment Assistance investigation it was determined that based on the facts in the case, there was no evidence of adverse import impact from countries other than Canada or Mexico. At that time, the case was reviewed and it was determined that a certification with respect to that petition couldn't be issued in accordance with the requirements of Section 222 of the Trade Act. Consequently, further investigation in this case would serve no purpose, and the investigation has been terminated.

Signed in Washington, D.C., this 26th day of June 1996.

Russell T. Kile,

*Acting Program Manager, Policy and
Reemployment Services, Office of Trade
Adjustment Assistance.*
