

securities that are neither Nasdaq nor exchange-listed.

The NASD believes the extension of the Service through December 31, 1996 is fully consistent with the foregoing provisions of the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The NASD believes that the rule change will not result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The NASD requests that the Commission find good cause, pursuant to Section 19(b)(2) of the Act, for approving the proposed rule change prior to the 30th day after its publication in the Federal Register to avoid any interruption of the Service. The current authorization for the Service extends through June 30, 1996. Hence, it is imperative that the Commission approve the instant filing on or before that date. Otherwise, the NASD will be required to suspend operation of the Service pending Commission action on the proposed extension.

The NASD believes that accelerated approval is appropriate to ensure continuity in the Service's operation pending a determination on permanent status for the Service, as requested in File No. SR-NASD-92-7. Continued operation of the Service will ensure the availability of an electronic quotation medium to support member firms' market making in approximately 5,514 OTC Equities and the widespread dissemination of quotation information on these securities. The Service's operation also expedites price discovery and facilitates the execution of customer orders at the best available price. From a regulatory standpoint, the NASD's capture of quotation data from participating market makers supplements the transactional data now reported by member firms pursuant to NASD Rule 6600.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing. Persons making written submissions

should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the NASD. All submissions should refer to the file number in the caption above and should be submitted by: July 30, 1996.

V. Commission's Findings and Order Granting Accelerated Approval

The Commission finds that approval of the proposed rule change is consistent with the Act and the rules and regulations thereunder, and in particular with the requirements of Section 15A(b)(11) of the Act, which provides that the rules of the NASD relating to quotations must be designed to produce fair and informative quotations, prevent fictitious or misleading quotations and promote orderly procedures for collecting, distributing, and publishing quotations.

The Commission finds good cause for approving the proposed rule change prior to the 30th day after the date of publishing notice of the filing thereof. The Commission finds that approval of this proposed rule change to continue operation of the pilot program is customers' orders at the best available price. Additionally, continued operation of the Service will materially assist the NASD's surveillance of trading in OTC Equities that are quoted in the Service, including certain non-Tape B securities that are listed on regional exchanges and quoted in the Service.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act, that the proposed rule change be, and hereby is, approved for an interim period through December 31, 1996.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁶

[Release No. 34-37385; File No. SR-PSE-96-16]

Self-Regulatory Organizations; Notice of Filing of Proposed Rule Change by the Pacific Stock Exchange, Inc. Relating to Listing and Trading Guidelines for Municipal Bonds

June 28, 1996.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"), 15 U.S.C. § 78s(b)(1), notice is hereby given that on June 5, 1996, the Pacific Stock Exchange, Inc. ("PSE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The PSE proposes to adopt on a permanent basis rules for the listing and trading of municipal bonds.

The text of the proposed rule change is available at the Office of the Secretary, PSE and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the PSE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The PSE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On March 7, 1994, the Commission approved an Exchange pilot program providing for the listing and trading of "municipal securities," as defined in Section 3(a)(29) of the Act ("pilot program")¹ The Exchange now

¹ See Securities Exchange Act Release No. 33721 (March 7, 1994), 59 FR 11636 (March 11, 1994). On July 5, 1994, the Commission approved a 120-day extension to the Exchange's Municipal Bond Trading Pilot Program. See Securities Exchange Act Release No. 34317 (July 5, 1994), 59 FR 35546 (July

proposes to adopt this municipal securities pilot program on a permanent basis.

Under the pilot program, a municipal security may be eligible for Exchange listing provided it is rated as investment grade by at least one nationally recognized rating service, and satisfies the Exchange's distribution criteria for bonds of issuers whose corporate securities are not listed on the Exchange, *i.e.*, the size of issue must be at least \$20 million principal amount/aggregate market value, with at least 100 holders. In addition, the Exchange may consider such other information as it deems necessary to evaluate the appropriateness of the issue for exchange trading, including the financing structure and/or arrangement of the issuer.

Any municipal securities listed by the Exchange must be assigned to a specialist and traded in accordance with all PSE regulations otherwise applicable to the trading of securities listed on the Exchange. As with corporate bonds, trade reports and quotation information for municipal securities will be disseminated over Network B. However, to ensure uniformity of practice within the securities industry, proposed Rule 5.13(i) provides that all aspects of the trade reconciliation process, including comparison, settlement and clearing will be governed by the applicable requirements of the Municipal Securities Rulemaking Board ("MSRB").²

Under the pilot program, any purchase or sale of a municipal security shall be exempt from the provisions of the Exchange's off-board trading rules.³ In addition pilot program is not intended to otherwise alter the existing regulatory framework and oversight applicable to municipal securities trading.⁴ Finally, a municipal security would be subject to delisting in the event it were no longer rated as

investment grade by a nationally recognized rating service.

To accommodate the listing of municipal securities, the PSE proposes to apply the same rules and conditions of the pilot program, as noted above, on a permanent basis. In addition, the Exchange proposes to adopt the following rules on a permanent basis: Rule 3.2(e)(3) (basic listing requirements); Rule 3.5(d)(5) (maintenance requirements); Rule 5.13(i) (comparance, settlement, and clearance); and Rule 5.46(xv) (exemption to offboard trading requirements). The Exchange proposes that any municipal security that it lists be assigned to a specialist and traded in accordance with all PSE regulations otherwise applicable to the trading of securities on the Equity Floors of the Exchange.⁵ Finally, the Exchange represents that it will require that its members who trade municipal bonds listed on the Exchange will have an adequate understanding of the tax implication of the trading of such bonds.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with Section 6(b) of the Act in general and furthers the objectives of Section 6(b)(5) in particular in that it is designed to prevent fraudulent and manipulative acts and practices and to promote just and equitable principles of trade, and is not designed to permit unfair discrimination between customers, issuers, brokers and dealers.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes the proposed rule change will impose no burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the publication of this notice in the Federal Register or within such other period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to

which the self-regulatory organization consents, the Commission will:

(A) by order approve the proposed rule change, or

(B) institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. § 552, will be available for inspection and copying at the Commission's Public Reference Section, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of such filing will also be available for inspection and copying at the principal office of the PSE. All submissions should refer to File No. SR-PSE-96-16 and should be submitted by: July 30, 1996.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁶

Self-Regulatory Organizations; Notice of Filing of Proposed Rule Change by the Pacific Stock Exchange, Inc., Relating to the Liability of the Exchange and its Governors, Officers, and Agents

July 1, 1996.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 17, 1996, the Pacific Stock Exchange, Inc. ("PSE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule

12, 1994). The pilot program expired in November 1994.

² MSRB Rule G-3 provides specific qualification requirements for municipal securities principals and representatives. In light of the PSE's qualification requirements for specialists, the Exchange believes it is appropriate for the PSE to rely on these requirements for its specialists in lieu of the Rule G-3 standards. It is important, however, that any specialist selected by the PSE for a listed municipal security be familiar with the characteristics of municipal securities.

³ See Rule 5.46.

⁴ The National Association of Securities Dealers ("NASD") has the authority to enforce the MSRB rules. The Exchange notes that it will also be responsible for enforcing MSRB rules for the listed municipal securities. The PSE's enforcement in this regard will not preempt or limit in any manner the NASD's authority to act in this area.

⁵ To date, the Exchange has not listed or traded any municipal securities under the pilot program.
