DEPARTMENT OF COMMERCE

Bureau of Export Administration

Supplement 17 to the Antiboycott Regulations

Pursuant to Articles 5, 7, and 26 of the Treaty of Peace between the State of Israel and the Hashemite Kingdom of Jordan and implementing legislation enacted by Jordan, Jordan's participation in the Arab economic boycott of Israel was formally terminated on August 16, 1995.

On the basis of this action, it is the Department's position that certain requests for information, action or agreement from Jordan which were considered boycott-related by implication now cannot be presumed boycott-related and thus would not be prohibited or reportable under the regulations. For example, a request that an exporter certify that the vessel on which it is shipping its goods is eligible to enter Hashemite Kingdom of Jordan ports has been considered a boycott-related request that the exporter could not comply with because Jordan has had

a boycott in force against Israel (see 43 FR 16969, April 21, 1978). Such a request from Jordan after August 16, 1995 would not be presumed boycott-related because the underlying boycott requirement/basis for the certification has been eliminated. Similarly, a U.S. company would not be prohibited from complying with a request received from Jordanian government officials to furnish the place of birth of employees the company is seeking to take to Jordan, because there is no underlying boycott law or policy that would give rise to a presumption that the request was boycott-related.

U.S. persons are reminded that requests that are on their face boycott-related or that are for action obviously in furtherance or support of an unsanctioned foreign boycott are subject to the regulations, irrespective of the country of origin. For example, requests containing references to "blacklisted companies", "Israel boycott list", "non-Israeli goods" or other phrases or words indicating boycott purpose would be subject to the appropriate provisions of the Department's antiboycott regulations.

Dated: January 24, 1996.
John Despres,
Assistant Secretary for Export Enforcement.

Foreign-Trade Zones Board

[Docket 7-96]

Foreign-Trade Zone 75—Phoenix, AZ, Application for Subzone Status, Abbott Manufacturing, Inc., Plant (Infant Formula, Adult Nutritional Products) Casa Grande, Arizona

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the City of Phoenix, grantee of FTZ 75, requesting special-purpose subzone status for export activity at the infant formula and adult nutritional products manufacturing plant of Abbott Manufacturing, Inc., (AMI) (a subsidiary of Abbott Laboratories, Inc.), located in Casa Grande, Arizona. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR Part 400). It was formally filed on January 22, 1996.

The AMI plant (590,000 sq.ft. on 161 acres) is located at 1250 West Maricopa Highway, Casa Grande (Pinal County), Arizona, approximately 50 miles south of Phoenix. The facility (340 employees) is used to produce milk and sugar-based

infant formula and adult nutritional products for export and the domestic market; however, zone procedures would be used only for production for export. The production process involves blending foreign, ex-quota milk powder and foreign, ex-quota sugar with domestically-sourced oils, soy isolates, vitamins and minerals, and EZO ends. Other foreign-sourced items that may be used in the export-blending activity include: cocoa powder, pharmaceutical grade fat emulsions, vitamins and minerals, and caseinates. All foreign-origin milk and sugar would be re-exported as finished blended products.

Zone procedures would exempt AMI from quota requirements and Customs duty payments on the foreign milk and sugar products used in the export activity. The application indicates that subzone status would help improve the plant's international competitiveness.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment on the application is invited from interested parties. Submissions (original and three copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is April 1, 1996. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to April 16, 1996).

A copy of the application and the accompanying exhibits will be available for public inspection at each of the following locations:

U.S. Department of Commerce, District Office, Phoenix Plaza, Suite 970, 2901 N. Central Avenue, Phoenix, AZ 85012
