SUPPLEMENTARY INFORMATION:

Background

The Department of Commerce has received requests to conduct administrative reviews of the antidumping duty orders on antifriction bearings (other than tapered roller bearings) and parts thereof from France, Germany, Italy, Japan, Romania, Singapore, Thailand, and the United Kingdom. On June 19, 1995, the Department initiated these administrative reviews covering the period May 1, 1994, through April 30, 1995.

Due to the complexity of these cases it is not practicable to complete this review within the time limit mandated by section 751 (a) (3) (A) of the Tariff Act of 1930, as amended. Therefore, in accordance with that section, the Department is extending the time limits for the preliminary results to June 27, 1996, and for the final results to December 24, 1996.

The Department adjusted 28 days to the time limits due to the Government shutdowns, which lasted from November 14, 1995, to November 20, 1995, and from December 15, 1995, to January 6, 1996. See Memorandum to the file from Susan G. Esserman, Assistant Secretary for Import Administration, January 11, 1996.

Interested parties must submit applications disclosure under administrative protective order in accordance with 19 CFR 353.34 (b).

These extensions are in accordance with section 751 (a) (3) (a) of the Tariff Act of 1930, as amended (19 U.S.C. 1675 (a)).

On January 19, 1996, the notices of preliminary determination of sales at less than fair value and postponement of final determination for certain pasta from Italy and Turkey were published in the Federal Register. Accordingly, the date for the final countervailing duty determinations for certain pasta from Italy and Turkey will be June 3, 1996.

In accordance with section 703(d) of the Act, the Department will direct the U.S. Customs Service to terminate the suspension of liquidation in the countervailing duty investigations on February 14, 1996, which is four months (120 days) from the date of publication of the preliminary determinations in these countervailing duty investigations. No cash deposits or bonds for potential countervailing duties will be required for merchandise which enters on or after February 14, 1996. The suspension of liquidation will not be resumed unless and until the Department publishes countervailing duty orders. We will also direct the U.S. Customs Service to continue to suspend liquidation of entries made between October 17, 1995, through February 13, 1996 until the conclusion of these investigations.

The U.S. International Trade Commission is being advised of this postponement of final determinations in accordance with section 705(d) of the Act and the termination of suspension of liquidation in accordance with section 703(f) of the Act.
