Notice of Public Information Collections Being Reviewed by FCC for Extension Under Delegated Authority 5 CFR 1320 Authority; Comments Requested

July 9, 1996.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the

Commission, including whether the information shall have practical utility; (b) the accuracy of the Commissions burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

The FCC is reviewing the following information collection requirements for possible 3-year extension under delegated authority 5 CFR 1320, authority delegated to the Commission by the Office of Management and Budget (OMB).

DATES: Written comments should be submitted on or before September 13, 1996. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all comments to Dorothy Conway, Federal Communications Commission, Room 234, 1919 M St., NW., Washington, DC 20554 or via internet to dconway@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Dorothy Conway at 202-418-0217 or via internet at dconway@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Approval Number: 3060-0435.

Title: Section 80.361 Frequencies for Narrow-Band Direct-Printing (NB-DP) and data transmissions.

Form No.: N/A.

Type of Review: Extension of existing collection.

Respondents: Individuals, business or other for-profit.

Number of Respondents: 2.

Estimated Time Per Response: 2 hours.

Total Annual Burden: 4 hours.

Total Annual Cost: 0.

Needs and Uses: The reporting requirement contained in Section 80.361 is necessary to require applicants to submit a showing of need to obtain new or additional narrow-band direct-printing (NB-DP) frequencies. Applicants for new or additional NB-DP frequencies are required to show the schedule of service of each currently licensed or proposed series of NB-DP frequencies and to show a need for additional frequencies based on at least a 40% usage of existing NB-DP frequencies. The information is used to determine whether an application for a

NB-DP frequency should be granted. If the collection of this information was not conducted, the FCC would have no information available regarding the use of NB-DP frequencies by public coast stations, and, therefore would be handicapped in determining whether the frequencies were being hoarded and not put into use by public coast stations.

OMB Approval Number: 3060-0263.

Title: Section 90.177 Protection of certain radio receiving locations.

Form No.: N/A.

Type of Review: Extension of existing collection.

Respondents: Individuals and households; Businesses or other for-profit; Non-profit institutions; State and local governments.

Number of Respondents: 300.

Estimated Time Per Response: .5 hours.

Total Annual Burden: 150 hours.

Needs and Uses: This rule requires applicants proposing to locate near certain radio receiving sites to notify those parties. Requirement protects critical national security and research sites from interference.

OMB Approval Number: 3060-0225.

Title: Section 90.131(b) Amendment or dismissal of applications.

Form No.: N/A.

Type of Review: Extension of existing collection.

Respondents: Businesses or other for-profit; Non-profit institutions; State and local governments.

Number of Respondents: 25.

Estimated Time Per Response: .166 hours.

Total Annual Burden: 4.15 hours.

Needs and Uses: This rule allows applicants to dismiss any pending application by sending a written request. Information will alert licensing personnel of applicant's desire to discontinue processing of application.

Public Information Collection Requirement Submitted to OMB for Review and Approval

July 8, 1996.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction

Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Persons wishing to comment on this information collection should submit comments September 13, 1996.

ADDRESSES: Direct all comments to Timothy Fain, Office of Management and Budget, Room 10236 NEOB, Washington, DC 20503, (202) 395-3561 or via internet at fain_t@a1.eop.gov, and Dorothy Conway, Federal Communications Commission, Room 234, 1919 M St., NW., Washington, DC 20554 or via internet to dconway@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Dorothy Conway at 202-418-0217 or via internet at dconway@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Approval Number: New collection.

Title: Telecommunications Relay Services (TRS), CC Docket No. 90-571, MO&O (Coin Sent-Paid Order).

Form No.: N/A.

Type of Review: New Collection

Respondents: Business or other for-profit.

Number of Respondents: 30 respondents for the 12 and 18 month reports; 3,000 respondents for the disclosure requirement.

Estimated Time Per Response: 7 hours per response for the 12 month report, 9 hours per response for the 18 month report and 2.5 hours per respondent to comply with the disclosure requirement.

Total Annual Burden: 7,980.

Needs and Uses: In Memorandum Opinion and Order, (Order) issued in CC Docket No. 90-571, the Bureau suspended the coin sent-paid

requirement until August 26, 1997. This Order requires that payphones be made accessible to TRS users pursuant to the alternative plan proposed and during the continued suspension, outlined in paragraph 18 of the attached Order. In addition, carriers must make either calling cards or prepaid (debit) cards available to TRS users. TRS providers and/or carriers must also implement programs to educate TRS users about these alternative payment methods.

The Bureau also required that Petitioners work with any other interested parties that wish to participate, to prepare and file a joint status report with the Commission on August 26, 1996 (twelve month status report) and February 26, 1997 (eighteen month status report).

The twelve month status report must address the following issues: (1) Implementation and effectiveness of the alternative payment methods, *i.e.*, free local calling, and calling cards and/or prepaid cards for toll calls; (2) implementation and effectiveness of consumer education and card distribution programs; (3) coordination with the TRS user community; and (4) identification of any problem areas and corrective actions taken or proposed.

The eighteen month status report must address issues (1) through (4) above, as well as the following: (5) technical feasibility of developing and implementing TRS coin sent-paid service; (6) estimated costs of developing and implementing TRS coin sent-paid service; (7) any significant difference, in technical feasibility or cost, between the provision of TRS coin sent-paid service for local calls and the provision of such service for toll calls; (8) data on call volume and payment methods for TRS and non-TRS payphone calls, including, to the extent feasible, data on both local and long distance calls; and (9) to the extent not provided in response to item (8) above, data indicating long term trends in the demand for coin sent-paid service.

OMB Approval Number: 3060-0003.

Title: Application for Amateur Operator/Primary Station License.

Form No.: FCC 610.

Type of Review: Revision of a currently approved collection.

Respondents: Individuals or households.

Number of Respondents: 93,000.

Estimated Time Per Response: 10 minutes.

Total Annual Burden: 15,438.

Needs and Uses: FCC Rules require that applicants file the FCC 610 to apply for a new, renewed or modified license. The form is required by the Communications of 1934 as amended.

The form is being revised to include a space for applicants to provide an internet address and newly implemented antenna registration numbers. No other changes are being proposed to this form.

BILLING CODE 6712-01-P

FEDERAL DEPOSIT INSURANCE CORPORATION

Notice of Agency Sunshine Act Meeting

Pursuant to the provisions of the "Government in the Sunshine Act" (5 U.S.C. 552b), notice is hereby given that at 10 a.m. on Tuesday, July 9, 1996, the Board of Directors of the Federal Deposit Insurance Corporation met in closed session to consider the following matters:

Matters relating to the Corporation's corporate and supervisory activities.

Matters relating to the probable failure of an insured depository institution.

In calling the meeting, the Board determined, on motion of Director Joseph H. Neely (Appointive), seconded by Jonathan L. Fiechter (Acting Director, Office of Thrift Supervision), concurred in by Vice Chairman Andrew C. Hove, Jr. and Ms. Julie Williams, acting in the place and stead of Director Eugene A. Ludwig (Comptroller of the Currency), that Corporation business required its consideration of the matters on less than seven days' notice to the public; that no earlier notice of the meeting was practicable; that the public interest did not require consideration of the matters in a meeting open to public observation; and that the matters could be considered in a closed meeting by authority of subsections (c)(2), (c)(4), (c)(6), (c)(8), (c)(9)(A)(ii), (c)(9)(B), and (c)(10) of the "Government in the Sunshine Act" (5 U.S.C. 552b (c)(2), (c)(4), (c)(6), (c)(8), (c)(9)(A)(ii), (c)(9)(B), and (c)(10)).

The meeting was held in the Board Room of the FDIC Building located at 550 17th Street, NW., Washington, DC.

Dated: July 9, 1996.

Federal Deposit Insurance Corporation.
