BILLING CODE 6717-01-M

**[Docket No. RP95-425-001]**

**Transwestern Pipeline Company; Notice of Proposed Changes in FERC Gas Tariff**

July 23, 1996.

Take notice that on July 18, 1996, Transwestern Pipeline company (Transwestern) tendered for filing an amendment to its August 31, 1995 tariff filing to recover certain take-or-pay settlement, buy-out, buy-down contract reformation costs (TCR II costs).

Transwestern states that on May 21, 1996 it and the parties protesting the August 31, 1995 filing have resolved all issues in this proceeding as to the eligibility of severance taxes and royalty payments. In addition, the recovery of such taxes and royalty payments will be pursuant to the agreed-upon eligibility standards contained in the May 21 Stipulation in Docket No. RP95-271 and RP94-227, and as provided in this Amendment in Docket No. RP95-271 and RP94-227, and as provided in this Amendment. The Amendment is subject

to Commission approval of the May 21, 1996 Stipulation.

As a result of the determinations described above, Transwestern states that it is amending its August 31st filing to remove approximately \$159,121.09 of TCR II costs from the TCR II cost recovery mechanism. Transwestern further agrees it will not refile these costs in a future TCR II cost proceeding. Since this total amount has a minimal impact on Transwestern's TCR II surcharge (i.e. \$0.000070 for Transwestern's highest load factor shipper), Transwestern shall reflect the effect of removing such costs in its upcoming annual RCR II true-up filing to be effective November 1, 1996 and there will be no effect to the tariff sheets currently on file with the Commission.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C., 20426, in accordance with Rule 211 of the Commission's Rules of Practice and Procedure. All such protests should be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection.
