SUPPLEMENTARY INFORMATION:

Background

Under 49 U.S.C. 30141(a)(1)(A) (formerly section 108(c)(3)(A)(i)(I) of the National Traffic and Motor Vehicle Safety Act (the Act)), a motor vehicle that was not originally manufactured to conform to all applicable Federal motor vehicle safety standards shall be refused admission into the United States unless NHTSA has decided that the motor vehicle is substantially similar to a motor vehicle originally manufactured for importation into and sale in the United States, certified under 49 U.S.C. 30115 (formerly section 114 of the Act), and of the same model year as the model of the motor vehicle to be compared, and is capable of being readily altered to conform to all applicable Federal motor vehicle safety standards.

Petitions for eligibility decisions may be submitted by either manufacturers or importers who have registered with NHTSA pursuant to 49 CFR part 592. As specified in 49 CFR 593.7, NHTSA publishes notice in the Federal Register of each petition that it receives, and affords interested persons an opportunity to comment on the petition. At the close of the comment period, NHTSA decides, on the basis of the petition and any comments that it has received, whether the vehicle is eligible for importation. The agency then publishes this decision in the Federal Register.

Champagne Imports, Inc. of Lansdale, Pennsylvania ("Champagne") (Registered Importer 90-009) has petitioned NHTSA to decide whether 1988 Kawasaki ZX1000-B1 motorcycles are eligible for importation into the United States. The vehicle which Champagne believes is substantially similar is the version of the 1988 Kawasaki ZX1000-B1 that was manufactured for importation into, and sale in, the United States and certified by its manufacturer as conforming to all applicable Federal motor vehicle safety standards.

The petitioner claims that it carefully compared the non-U.S. certified 1988 Kawasaki ZX1000-B1 to its U.S. certified counterpart, and found the two vehicles to be substantially similar with respect to compliance with most Federal motor vehicle safety standards.

Champagne submitted information with its petition intended to demonstrate that the non-U.S. certified 1988 Kawasaki ZX1000-B1, as originally manufactured, conforms to many Federal motor vehicle safety standards in the same manner as its U.S. certified counterpart, or is capable of being readily altered to conform to those standards.

Specifically, the petitioner claims that the non-U.S. certified 1988 Kawasaki ZX1000-B1 is identical to its U.S. certified counterpart with respect to compliance with Standards Nos. 106 *Brake Hoses*, 111 *Rearview Mirrors*, 115 *Vehicle Identification Number*, 116 *Brake Fluid*, 119 *New Pneumatic Tires for Vehicles other than Passenger Cars*, 120 *Tire Selection and Rims for Vehicles other than Passenger Cars*, and 122 *Motorcycle Brake Systems*.

Petitioner also contends that the vehicle is capable of being readily altered to meet the following standards, in the manner indicated: Standard No. 108 *Lamps, Reflective Devices and Associated Equipment*: installation of U.S.-model headlamp assemblies.

Standard No. 123 *Motorcycle Controls and Displays*: installation of a U.S. model speedometer calibrated in miles per hour.

Comments should refer to the docket number and be submitted to: Docket Section, National Highway Traffic Safety Administration, Room 5109, 400 Seventh Street, SW., Washington, DC 20590. It is requested but not required that 10 copies be submitted.

All comments received before the close of business on the closing date indicated above will be considered, and will be available for examination in the docket at the above address both before and after that date. To the extent possible, comments filed after the closing date will also be considered. Notice of final action on the petition will be published in the Federal Register pursuant to the authority indicated below.

Authority: 49 U.S.C. 30141(a)(1)(A) and (b)(1); 49 CFR 593.8; delegations of authority at 49 CFR 1.50 and 501.8.

Issued on: July 22, 1996.

Surface Transportation Board¹

[STB Finance Docket No. 32999]

Nebraska Northeastern Railway Company; Acquisition and Operation Exemption; Burlington Northern Railroad Company

Nebraska Northeastern Railway Company (NNR), a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to acquire and operate approximately 120.4 miles of rail line from Burlington Northern Railroad Company, between milepost 4.0 near Ferry Station, NE, and milepost 124.4² at O'Neill, NE. The transaction was to have been consummated on or after July 19, 1996.

This proceeding is related to *TNW Corporation—Continuance in Control Exemption—Nebraska Northeastern Railway Company*, STB Finance Docket No. 33000, wherein TNW Corporation has concurrently filed a verified notice to continue to control NNR, upon its becoming a Class III rail carrier.

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction. An original and 10 copies of all pleadings, referring to STB Finance Docket No. 32999, must be filed with the Surface Transportation Board, Office of the Secretary, Case Control Branch, 1201 Constitution Avenue, N.W., Washington, DC 20423 and served on: Eugenia Langan, Shea & Gardner, 1800 Massachusetts Avenue, N.W., Washington, DC 20036.

Decided: July 19, 1996.

¹ The ICC Termination Act of 1995, Pub. L. No. 104-88, 109 Stat. 803, which was enacted on December 29, 1995, and took effect on January 1, 1996, abolished the Interstate Commerce Commission (ICC) and transferred certain functions to the Surface Transportation Board (Board). This notice relates to functions that are subject to Board jurisdiction pursuant to 49 U.S.C. 10901.

² NNR erroneously has indicated the milepost at O'Neill to be milepost 120.4. Their map, however, indicates O'Neill at milepost 124.4.

By the Board, David M. Konschnik,
Director, Office of Proceedings.
Vernon A. Williams,
Secretary.

L. 104-88, 109 Stat. 803 (the ICCTA), which was enacted on December 29, 1995, and took effect on January 1, 1996, abolished the Interstate Commerce Commission (ICC) and transferred certain functions and proceedings to the Surface Transportation Board (Board).
