[Docket No. 96-19; Notice 02]

RIN 2127-AF92

Insurer Reporting Requirements; List of Insurers Required to File Reports

AGENCY: National Highway Traffic Safety Administration (NHTSA), Department of Transportation (DOT).

ACTION: Final rule.

SUMMARY: This final rule updates the list in Appendices A, B, and C of Part 544 of passenger motor vehicle insurers that are required to file reports on their motor vehicle theft loss experiences, pursuant to 49 U.S.C. Section 33112. Each insurer listed must file a report for the 1993 calendar year not later than October 25, 1996. Further, as long as an insurer remains listed, it must submit reports on each subsequent October 25.

DATES: The final rule on this subject is effective August 13, 1996.

Reporting Date: Insurers listed in the appendices are required to submit reports on their calendar year 1993 experience on or before October 25, 1996. Previously listed insurers whose names are removed by this notice need not submit reports for that year. Insurers newly listed in this final rule must submit their reports for calendar year 1993 on or before October 25, 1996. Under Part 544, as long as an insurer is listed, it must file reports each October 25. Thus, any insurer listed in the appendices as of the date of the most recent final rule must file a report on the following October 25, and on each succeeding October 25, absent a further amendment removing the insurer's name from the appendices.

SUPPLEMENTARY INFORMATION:**Background**

Pursuant to 49 U.S.C. 33112, Insurer reports and information, NHTSA requires certain passenger motor vehicle insurers to file an annual report with the agency. Each insurer's report includes information about thefts and recoveries of motor vehicles, the rating rules used by the insurer to establish premiums for comprehensive coverage, the actions

taken by the insurer to reduce such premiums, and the actions taken by the insurer to reduce or deter theft. Under the agency's implementing regulation, 49 CFR Part 544, the following insurers are subject to the reporting requirements: (1) Those issuers of motor vehicle insurance policies whose total premiums account for 1 percent or more of the total premiums of motor vehicle insurance issued within the United States; (2) Those issuers of motor vehicle insurance policies whose premiums account for 10 percent or more of total premiums written within any one State; and (3) Rental and leasing companies with a fleet of 20 or more vehicles not covered by theft insurance policies issued by insurers of motor vehicles, other than any governmental entity.

Pursuant to its statutory exemption authority, the agency has exempted smaller passenger motor vehicle insurers from the reporting requirements.

A. Small Insurers of Passenger Motor Vehicles

Section 33112(f)(2) provides that NHTSA shall exempt small insurers of passenger motor vehicles if it finds that such exemptions will not significantly affect the validity or usefulness of the information in the reports, either nationally or on a State-by-State basis. The term "small insurer" is defined in Section 33112(f)(1)(A) and (B) as an insurer whose premiums for motor vehicle insurance issued directly or through an affiliate, including pooling arrangements established under State law or regulation for the issuance of motor vehicle insurance, account for less than 1 percent of the total premiums for all forms of motor vehicle insurance issued by insurers within the United States. However, that section also stipulates that if an insurance company satisfies this definition of a "small insurer," but accounts for 10 percent or more of the total premiums for all motor vehicle insurance issued in a particular State, the insurer must report about its operations in that State.

As provided in 49 CFR Part 544, NHTSA exercises its exemption authority by listing in Appendix A each insurer which must report because it had at least 1 percent of the motor vehicle insurance premiums nationally. Listing the insurers subject to reporting instead of each insurer exempted from reporting because it had less than 1 percent of the premiums nationally is administratively simpler since the former group is much smaller than the latter. In Appendix B, NHTSA lists those insurers that are required to report

for particular states because each insurer had a 10 percent or greater market share of motor vehicle premiums in those States. In the establishing Part 544 (52 FR 59, January 2, 1987) final rule, the agency stated that Appendices A and B will be updated annually. It has been NHTSA's practice to update the appendices based on data voluntarily provided by insurance companies to A.M. Best and made available for the agency each spring. The agency uses the data to determine the insurers' market shares nationally and in each state.

B. Self-insured Rental and Leasing Companies

In addition, upon making certain determinations, NHTSA is authorized to grant exemptions to self-insurers, i.e., any person who has a fleet of 20 or more motor vehicles (other than any governmental entity) which are used primarily for rental or lease and which are not covered by theft insurance policies issued by insurers of passenger motor vehicles, 49 U.S.C. 33112(e)(1) and (2). NHTSA may exempt a self-insurer from reporting, if the agency determines:

(1) The cost of preparing and furnishing such reports is excessive in relation to the size of the business of the insurer; and

(2) The insurer's report will not significantly contribute to carrying out the purposes of Chapter 331.

Conversely, NHTSA may not exempt a self insurer solely based on meeting the definition of insurer as defined in Section 33112(b)(1).

In a final rule published June 22, 1990 (55 FR 25606), the agency granted a class exemption to all companies that rent or lease fewer than 50,000 vehicles because it believed that reports from only the largest companies would sufficiently represent the theft experience of rental and leasing companies. NHTSA concluded that reports by the many smaller rental and leasing companies do not significantly contribute to carrying out NHTSA's statutory obligations, and that exempting such companies will relieve an unnecessary burden on most companies that potentially must report. As a result of the June 1990 final rule, the agency added a new Appendix C, which consists of an annually updated list of the self-insurers that are subject to Part 544.

Following the same approach as in the case of Appendix A, NHTSA has included in Appendix C each of the relatively few self-insurers which are subject to reporting instead of the relatively numerous self-insurers which are exempted. NHTSA updates

Appendix C based primarily on information from the publications Automotive Fleet Magazine and Business Travel News.

Notice of Proposed Rulemaking

(1) *Insurers of Passenger Motor Vehicles*

On April 8, 1996, NHTSA published a notice of proposed rulemaking (NPRM) to update the list of insurers in Appendices A, B, and C required to file reports (61 FR 15443). Based on the 1993 calendar year market share data provided by A.M. Best, NHTSA proposed to amend the listing in Appendix A of insurers which must report because each had written at least one percent of the motor vehicle insurance premiums on a national basis. The list was last amended in a notice published on June 27, 1995 (See 60 FR 33145). One company, General ACC Group, included in the June 1995 listing, was proposed to be removed from Appendix A. Two companies, Allmerica Property and Casualty Companies and Metropolitan Group, that were not listed in Appendix A, were proposed to be added.

Each of the 19 insurers listed in Appendix A of this notice is required to file a report not later than October 25, 1996, setting forth the information required by Part 544 for each State in which it did business in the 1993 calendar year. As long as those 19 insurers remain listed, they are required to submit reports on each subsequent October 25 for the calendar year ending slightly less than 3 years before.

Appendix B lists those insurers that are required to report for particular States for the calendar year 1993 because each insurer had a 10 percent or greater market share of motor vehicle premiums in those States. Based on the 1993 calendar year A.M. Best data for market shares, it was proposed that one company, Nodak Mutual Insurance Company, reporting on its activities in the State of North Dakota, be added to Appendix B.

The 12 insurers listed in Appendix B of this notice would be required to report on their activities in every State in which they had a 10 percent or greater market share. These reports must be filed no later than October 25, 1996, and set forth the information required by Part 544. As long as those 12 insurers remain listed, they would be required to submit reports on each subsequent October 25 for the calendar year ending slightly less than 3 years before.

(2) *Rental and Leasing Companies*

Based on information in Automotive Fleet Magazine and Business Travel News for 1993, the most recent year that data are available, NHTSA proposed several changes in Appendix C. Based on the data reported in the above mentioned publications, NHTSA proposed that the American International Rent-A-Car Corp./ANSA be removed from Appendix C. The agency also proposed that four additional rental and leasing companies, Citicorp Bankers Leasing Corporation, Donlen Corporation, Lease Plan International, and USL Capital Fleet Services, be included in Appendix C. Accordingly, each of the 13 companies (including franchisees and licensees) listed in this notice in Appendix C would be required to file reports for the calendar year 1993 no later than October 25, 1996, and set forth the information required by Part 544. As long as those 13 companies remain listed, they would be required to submit reports on each subsequent October 25 for the calendar year ending slightly less than 3 years before.

NHTSA notes that on July 5, 1994, the Cost Savings Act, (including Title VI—Theft Prevention) was revised and codified “without substantive change.” The passenger motor vehicle theft insurers’ reporting provisions formerly at 15 U.S.C. 2032 are now at 49 U.S.C. 33112. This final rule amends part 544 to reflect the changed statutory authority.

Public Comments and Final Determination

In response to the NPRM, the agency received no comments. Accordingly, this final rule adopts the proposed changes to Appendices A, B, and C.

Regulatory Impacts

(1) *Costs and Other Impacts*

This notice has not been reviewed under Executive Order 12866. NHTSA has considered the impact of this final rule and has determined the action not to be “significant” within the meaning of the Department of Transportation’s regulatory policy and procedures. This rule implements the agency’s policy of ensuring that all insurance companies that are statutorily eligible for exemption from the insurer reporting requirements are in fact exempted from those requirements. Only those companies that are not statutorily eligible for an exemption are expressly required to file reports.

NHTSA does not believe that this rule, reflecting more current data, affects the impacts described in the final

regulatory evaluation prepared for the final rule establishing Part 544. (52 FR 59, January 2, 1987). Accordingly, a separate regulatory evaluation has not been prepared for this rulemaking action. Using the cost estimates in the 1987 final regulatory evaluation, the agency estimates that the cost of compliance will be about \$50,000 for any insurer that is added to Appendix A, about \$20,000 for any insurer added to Appendix B, and about \$5,770 for any insurer added to Appendix C. In this final rule, for Appendix A, the agency removed one insurer and added two insurers; for Appendix B, the agency added one insurer; and for Appendix C, the agency removed one company and included four additional companies. The agency therefore estimates that the net effect of this final rule will be a cost increase to insurers, as a group, of less than \$100,000.

Interested persons may wish to examine the 1987 final regulatory evaluation. Copies of that evaluation have been placed in Docket No. T86-01; Notice 2. Any interested person may obtain a copy of this evaluation by writing to NHTSA, Docket Section, Room 5109, 400 Seventh Street, S.W., Washington, DC 20590, or by calling (202) 366-4949.

(2) *Paperwork Reduction Act*

The information collection requirements in this final rule have been submitted to and approved by the Office of Management and Budget (OMB) pursuant to the requirements of the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*) This collection of information has been assigned OMB Control Number 2127-0547 (“Insurer Reporting Requirements”) and has been approved for use through October 31, 1996.

(3) *Regulatory Flexibility Act*

The agency has also considered the effects of this rulemaking under the Regulatory Flexibility Act (RFA) (5 U.S.C. 601 *et seq.*) I certify that this final rule would not have a significant economic impact on a substantial number of small entities. The rationale for the certification is that none of the companies proposed to be included on appendices A, B, or C would be construed to be a small entity within the definition of the RFA. “Small insurer” is defined in part under 49 U.S.C. 33112 as any insurer whose premiums for all forms of motor vehicle insurance account for less than one percent of the total premiums for all forms of motor vehicle insurance issued by insurers within the United States, or any insurer whose premiums within any State,

account for less than 10 percent of the total premiums for all forms of motor vehicle insurance issued by insurers within the State. This notice would exempt all insurers meeting those criteria. Any insurers meeting those criteria is not a small entity. In addition, in this rulemaking, the agency proposes to exempt all "self insured rental and leasing companies" that have fleets of fewer than 50,000 vehicles. Any self insured rental and leasing company too large to meet that criterion is not a small entity.

(4) *Federalism*

This action has been analyzed in accordance with the principles and criteria contained in Executive Order 12612, and it has been determined that this final rule does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.

(5) *Environmental Impacts*

In accordance with the National Environmental Policy Act, NHTSA has considered the environmental impacts of this final rule and determined that it would not have a significant impact on the quality of the human environment.

(6) *Civil Justice Reform*

This final rule does not have any retroactive effect, and it does not preempt any State law. 49 U.S.C. 33117 provides that judicial review of this rule may be obtained pursuant to 49 U.S.C. 32909. Section 32909 does not require submission of a petition for reconsideration or other administrative proceedings before parties may file suit in court.
