### Notice of Proposed Decision Amending the California Desert Conservation Area Plan

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of proposed decision.

**SUMMARY:** The Bureau of Land Management proposes to amend the California Desert Conservation Area Plan by revising the northern boundary of the Singer Geoglyphs Area of Critical Environmental Concern (ACEC) to follow the 1988 realignment of State Route 78 and exclude the following public lands:

San Bernardino Base & Meridian, Imperial County, California

*T.13 S., R.19 E.:*

Section 21: That portion situated north of State Route 78, containing 5 acres more or less.

These lands would be classified as Multiple-Use Class M (Moderate Use) under the California Desert Conservation Area (CDCA) Plan.

**DATES:** A 30-day protest period on the proposed plan amendment begins August 16, 1996. Protests on the proposed plan amendment must be received no later than close of business, September 16, 1996.

**ADDRESSES:** Protests should be sent to: Bureau of Land Management, El Centro Resource Area, 1661 South 4th Street, El Centro, CA 92243.

**FOR ADDITIONAL INFORMATION CONTACT:** Thomas Zale, Multi-Resource Staff Chief, El Centro Resource Area at (619) 337-4420.

**SUPPLEMENTARY INFORMATION:** On February 14, 1996, the District Manager, California Desert District, approved a Record of Decision for a land exchange and a right-of-way for the Mesquite Regional Landfill. The Record of Decision noted that a proposed amendment to the California Desert Conservation Area to revise the boundary of the Singer Geoglyphs ACEC was being considered by the State Director, California. The proposed amendment was addressed in both the draft and final Environmental Impact Statement/Environmental Impact Report for the Mesquite Regional Landfill. A separate decision-making process for the proposed plan amendment is required in conformance with Federal Regulations (43 CFR 1610.5).

April 21, 1996, marked the end of a 60-day Governor's Consistency Review period for the proposed amendment to the California Desert Conservation Area Plan. The proposed amendment would revise the boundary of the Singer Geoglyphs ACEC to exclude approximately five acres of public land situated north of State Route 78 in Section 21, Township 13 South, Range 19 East, San Bernardino Meridian, Imperial County, California, and redesignate the excluded land as Multiple-Use Class M. The excluded land does not contain significant cultural resources for which the ACEC was designated and is separated from the remainder of the ACEC by the current alignment of State Route 78. The proposed decision is to approve the plan amendment.

Any person who participated in the planning process and has an interest which is or may be adversely affected by this proposed amendment may protest. A protest shall raise only those issues which were submitted for the record during the planning process. The protest shall be in writing and shall contain:
