National Park Service

60 Day Notice of Intention to Request Clearance of Information Collection; Opportunity for Public Comment

AGENCY: Guadalupe Mountains National Park, National Park Service (NPS).

ACTION: Notice and request for comments.

SUMMARY: Under the provisions of the Paperwork Reduction Act of 1995 and 5 CFR 1320, Reporting and Record Keeping Requirements, the NPS invites public comment on a proposed information collection request (ICR).

Comments are invited on: (1) The need for the information including whether the information has practical utility; (2) the accuracy of the reporting burden estimate; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the information collection on respondents, including the use of automated collection techniques or other forms of information technology.

The primary purpose of the proposed ICR is to compare and contrast any significant differences between park users from three apparently different visitor use seasons of spring, summer, and fall. This proposed collection of information will be accomplished using a mail-back questionnaire focusing on information that is not readily available from registers at visitor centers, trailheads, or camping permits. The range of issues in the questionnaire will assess (1) visitor information sources inside and outside the park, (2) visitor travel flow within the park, (3) visitor evaluation of existing and desired facilities, programs or activities, and (4) visitor perceptions of crowding or solitude in wilderness and developed areas. This data is needed to plan for future management actions that would protect park resources and provide visitor services.

DATES: Written comments will be accepted until April 5, 1996.

SEND COMMENTS TO: Superintendent, Guadalupe Mountains National Park, HC 60 Box 400, Salt Flat, TX 79847-9801.

FOR FURTHER INFORMATION CONTACT: Fred Armstrong, Resource Management Specialist, at (915) 828-3251 extension 132.

All responses to this notice will be summarized and included in the request for Office of Management and Budget approval. All comments will become a matter of public record.

DEPARTMENT OF JUSTICE

Antitrust Division

U.S. v. First Hawaiian, Inc. and First Interstate of Hawaii, Inc.; Proposed Modification of the Final Judgment, Notice

Please take notice that First Hawaiian, Inc. ("First Hawaiian"), defendant in the above-captioned action, has filed a motion for an order modifying the Final Judgment entered on May 29, 1991 in this antitrust action. Plaintiff, the United States of America, has tentatively consented to the entry of such an order, but it has reserved the right to withdraw its consent within 30 days after the last day of publication of this Notice.

The Complaint in this case was filed on December 28, 1990, and alleged that the acquisition of Defendant First Interstate of Hawaii, Inc. ("First Interstate") by Defendant First Hawaiian would violate Section 7 of the Clayton Act (15 U.S.C. § 18) by substantially lessening competition in business banking services in several geographic markets in the State of Hawaii. After the Complaint was filed, the parties agreed to a stipulated Final Judgment that allowed the acquisition to proceed provided that First Hawaiian, *inter alia*, divested seven branches. The Final Judgment was entered by the Court on May 29, 1991, after an appropriate public notice and comment period under the Tunney Act (15 U.S.C. § 16(b) *et seq.*).

To date, First Hawaiian has divested four branches, but has yet to divest three more: The Kuapa Kai branch located at

377 Keahole Street, Honolulu, Hawaii 96825; the Lahaina—Pakui branch located at 135 Papalua Street, Lahaina, Hawaii 96761; and the Market branch located at 2005 Main Street, Wailuku, Hawaii 96793 (collectively the “divestiture branches”).

The proposed modification of the Final Judgment is limited to Section V.A., which requires First Hawaiian to divest the divestiture branches to federally insured financial institution(s) that offer customers, at a minimum, transaction account deposits and commercial loans. Despite its best efforts over a four-year period, First Hawaiian has been unsuccessful in finding a qualified purchaser for the divestiture branches within the meaning of the Final Judgment. Finance Factors, Ltd., a company not authorized to offer transaction account deposits, has now offered to acquire the divestiture branches’ outstanding loans and other assets, as well as the non-transaction account deposits. The proposed modification would allow First Hawaiian to satisfy the divestiture requirements of the Final Judgment by allowing First Hawaiian to sell the loans and other assets, and the non-transaction account deposits, of the divestiture branches to Finance Factors, or a similar business, with the prior approval of the Department of Justice.

First Hawaiian and the United States have filed memoranda with the Court setting forth why the proposed modification is in the public interest. Copies of the Complaint, Final Judgment, motion papers, the modification memoranda, all comments submitted and all further papers filed with the Court will be available for inspection at Room 200, Antitrust Division, United States Department of Justice, 325 Seventh Street, N.W., Washington, D.C. 20530 (telephone: 202/514-2481), and at the Office of the Clerk of the United States District Court for the District of Hawaii. Copies of these materials may be obtained from the Antitrust Division upon request and payment of the copying fee set by Department of Justice regulations.

Interested persons may submit to the United States comments regarding the proposed modification. Comments must be received on or before February 18, 1996, by sending them to Mr. Ian Simmons, Computers and Finance Section, Antitrust Division, Department of Justice, 555 Fourth Street, N.W., Room 9903, Washington, D.C. 20001 (telephone: 202/307-6164). Copies of, and its responses to, if any, any

comments will be filed with the Court by the Government.

Director of Operations Antitrust Division.
