[Docket No. RP-96-342-000]

Mississippi River Transmission Corporation; Notice of Proposed Changes in FERC Gas Tariff

August 20, 1996.

Take notice that on August 16, 1996, Mississippi River Transmission Corporation (MRT) tendered for filing to become part of MRT's FERC Gas Tariff, Third Revised Volume No. 1, First Revised Sheet No. 219, to be effective September 16, 1996.

MRT states that the purpose of the instant filing is to revise the twelve month period when MRT will accumulate revenues for purposes of

filing its Miscellaneous Revenue Flowthrough Adjustment set forth in Section 18 of the General Terms and Conditions of MRT's Tariff. MRT states that this filing is consistent with what MRT represented it would do in its filing in Mississippi River Transmission Corporation Docket No. TM96-4-25-000.

MRT states that copies of its filing have been mailed to all of its affected customers and the State Commissions of Arkansas, Missouri, and Illinois.

Any person desiring to be heard or protest the subject filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with §§ 385.211 and 385.214 of the Commission's Rules of Practice and Procedure: 18 CFR 385.211 and 385.214. All such motions and protests must be filed as provided in § 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and available for public inspection.

[Docket No. CP96-701-000]

Mississippi River Transmission Corporation; Notice of Application

August 20, 1996.

Take notice that on August 9, 1996, Mississippi River Transmission Corporation (MRT), P.O. Box 21734, Shreveport, Louisiana 71151, filed in Docket No. CP96-701-000, an application pursuant to Section 7(b) of the Natural Gas Act for permission and approval to abandon an exchange service with Mid Louisiana Gas Company (Mid La), which was authorized in Docket No. CP73-83, all as more fully set forth in the application on file with the Commission and open to public inspection.

MRT proposes to abandon an exchange service with Mid La because the service is no longer necessary or beneficial and both parties have agreed to terminate the exchange service.

Any person desiring to be heard or to make protest with reference to said application should on or before September 10, 1996, file with the Federal Energy Regulatory Commission,

Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that permission and approval for the proposed abandonment are required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure provided for, unless otherwise advised, it will be unnecessary for MRT to appear or be represented at the hearing.

[Docket No. RP96-302-001]

Northern Natural Gas Company; Notice of Compliance Filing

August 20, 1996.

Take notice that on August 15, 1996, Northern Natural Gas Company (Northern), tendered for filing to become part of Northern's FERC Gas Tariff, the following tariff sheets:

Fifth Revised Volume No. 1
Second Revised Sheet No. 226
First Revised Sheet No. 226A

Reason for Filing

On July 1, 1996 in Docket No. RP96-302-000, Northern filed tariff sheets to increase the positive and punitive daily delivery variance charge (DDVC) only on those limited days when a Critical Day is in effect on Northern's system, and to revise the receipt point scheduling penalties and provisions applicable to hourly takes of gas. On July 31, 1996, the Commission issued an Order Accepting and Suspending Tariff Sheets Subject to Refund and Conditions and Establishing Technical Conference (Order). In that Order the Commission directed Northern to refile tariff sheets to correct the pagination. This filing is to comply with the Commission's Order.

Northern states that copies of the filing were served upon the company's customers and interested State Commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C., 20426, in accordance with § 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in § 154.210 of the Commission's Regulations. All protests

will be considered by the Commission in determining the appropriate action to be taken in this proceeding, but will not serve to make Protestant a party to the proceeding. Copies of this filing are on file with the Commission and are available for inspection.
