Air Quality Criteria for Ozone and Related Photochemical Oxidants**AGENCY:** Environmental Protection Agency.**ACTION:** Notice of availability.

SUMMARY: This notice announces the availability of a final report titled, Air Quality Criteria for Ozone and Related Photochemical Oxidants, Volumes I, II, and III (EPA/600/P-93/004aF, bF, and cF), prepared by the U.S. Environmental Protection Agency's (EPA) Office of Research and Development (ORD). This document evaluates the latest scientific information pertaining to health and environmental effects associated with

ozone and related photochemical oxidants.

DATES: On June 12, 1996, ORD transmitted the final document to the EPA Office of Air and Radiation. ORD thereby completed a criteria document preparation, comment, revision and approval cycle beginning with the call for information of August 27, 1992 (57 FR 38832).

ADDRESSES: Interested parties can obtain a single bound copy of the final Air Quality Criteria Document for Ozone and Related Photochemical Oxidants by contacting the ORD Publications Office, Technology Transfer and Support Division, National Risk Management Research Laboratory, U.S. Environmental Protection Agency, 26 W. Martin Luther King Drive, Cincinnati, OH 45268; telephone: (513) 569-7562; facsimile: (513) 569-7566. Please provide your name and mailing address, and request the three-volume document by the title and EPA document number (EPA/600/P-93/004aF-cF). A limited number of paper copies will be available from the above source. After the supply is exhausted, copies of the Ozone document can be purchased from the National Technical Information Service (NTIS) by calling (703) 487-4650 or sending a facsimile to (703) 321-8547. The NTIS order numbers for the Air Quality Criteria for Ozone and Related Photochemical Oxidants are: Vol. I of III (PB96-185582), Vol. II of III (PB96-185590), Vol. III of III (PB96-185608), and for the three-volume set (PB96-185574).

The Executive Summary of the Air Quality Criteria Document for Ozone will be available via the Internet on the ORD Home Page (<http://www.epa.gov/ORD>). Interested parties also can access the Executive Summary of the Ozone Air Quality Criteria Document electronically on the Agency's Office of Air Quality Planning and Standards (OAQPS) Technology Transfer Network (TTN) Bulletin Board System (BBS). The telephone number for the TTN BBS is (919) 541-5742. To access the bulletin board, a modem and communications software are necessary. The following parameters on the communications software are required: Data Bits—8; Parity—N; and Stop Bits—1. The Executive Summary will be located on the Clean Air Act Amendments BBS, under Title I, Policy/Guidance Documents. If assistance is needed in accessing the system, call the help desk at (919) 541-5384 in Research Triangle Park, NC. A copy of the complete report is also available for public inspection at the EPA Air Docket and at the EPA Library, both at EPA Headquarters,

Waterside Mall, 401 M Street, SW, Washington, D.C. EPA Air Docket hours, in Room M1500 of Waterside Mall, are 8:00 a.m. to 5:30 p.m., Monday through Friday, excluding Federal holidays. EPA Library hours are from 10:00 a.m. until 2:00 p.m., Monday through Friday, excluding Federal holidays.

FOR FURTHER INFORMATION CONTACT:

James Raub, National Center for Environmental Assessment (MD-52), U.S. Environmental Protection Agency, Research Triangle Park, NC 27711; telephone: (919) 541-4157; facsimile: (919) 541-1818; e-mail: raub.james@epamail.epa.gov.

SUPPLEMENTARY INFORMATION: Sections 108 and 109 of the Clean Air Act (CAA) govern the establishment, review, and revision of National Ambient Air Quality Standards (NAAQS). Section 108 directs the Administrator of the U.S. Environmental Protection Agency (EPA) to list pollutants that may reasonably be anticipated to endanger public health or welfare and to issue air quality criteria for them. The air quality criteria are to reflect the latest scientific information useful in indicating the kind and extent of all effects on public health and welfare that may be expected from the presence of the pollutant in ambient air. In keeping with these CAA mandates, this document evaluates the latest scientific information useful in deriving criteria to form scientific bases for decisions regarding possible revision of current Ozone NAAQS.

Dated: August 7, 1996.

Joseph K. Alexander,

Acting Assistant Administrator for Research and Development.

FEDERAL EMERGENCY MANAGEMENT AGENCY**Agency Information Collection Activities: Submission for OMB Review; Comment Request**

SUMMARY: The Federal Emergency Management Agency has submitted the following proposed information collection to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. 3507(a)(1)).

Title: Community Rating System (CRS) Program—Application Worksheets and Commentary and NFIP Repetitive Loss Correction Worksheet.

FEMA Form: 81-83, NFIP Repetitive Loss Correction Worksheet.

* Incorporation by reference—see § 63.14.

¹ Adapted from EPA-340/1-86-016 (July 1986), p. II-2.² The subscript "s" denotes each value is for the coating "as supplied" by the manufacturer.³ Explain the other method used under "Remarks."

Type of Review: Revision of a currently approved information collection.

Abstract: The Community Rating System (CRS) is designed by the Federal Insurance Administration to encourage, through the use of flood insurance premium discounts, communities and States to undertake activities that will mitigate flooding and flood damage beyond the minimum standards for National Flood Insurance Program participation. Communities use the NFIP/CRS Coordinator's Manual which includes the schedule, commentary and application worksheets. The application worksheets, requisite documentation, and certification are submitted to the appropriate FEMA Regional Office. The NFIP Repetitive Loss Correction Worksheet is used to correct/update property location/address, dates of loss, total number of losses per property, community name, community number, and reason for change.

Affected Public: State, local or tribal government.

Number of Respondents: 60.

Estimated Time per Respondent: 30 hours.

Estimated Total Annual Burden and Recordkeeping Hours: 1,800.

Frequency of Response: Other—once per respondent with annual updates regarding participation.

COMMENTS: Interested persons are invited to submit written comments on the proposed collection to Victoria Wassmer, Desk Officer for the Federal Emergency Management Agency, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503 within 30 days of the date of this notice.

ADDRESSES: Requests for additional information or copies of the information collection instruments should be made to Muriel B. Anderson, Information Collections Officer, Federal Emergency Management Agency, 500 C Street, SW, Room 311, Washington, DC 20472. Telephone number (202) 646-2625. FAX number (202) 646-3524.

Dated: July 31, 1996.
Reginald Trujillo,
Director, Program Services Division,
Operations Support Directorate.

BILLING CODE 6718-01-P

Agency Information Collection Activities: Submission for OMB Review; Comment Request

SUMMARY: The Federal Emergency Management Agency has submitted the following proposed information collection to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. 3507(a)(1)).

OMB Control Number: 3067-0024.
Title: General Admissions Application and National Fire Academy Roster of Course Completion.

Type of Review: Extension.
Form Numbers: FEMA Form 75-5, General Admissions Application; FEMA Form 75-9, National Fire Academy Roster of Course Completion.

Abstract: The National Fire Academy (NFA) and Emergency Management Institute (EMI) (located at the National Emergency Training Center in Emmitsburg, Maryland) use FEMA Form 75-5, General Admissions Application,

to admit applicants to resident courses and programs offered at the NETC. Information from the application form is maintained in the Student Record System. The system: (1) Provides a consolidated record of all FEMA training taken by a student; (2) Identifies or verifies participation in any prerequisite courses; (3) Produces a transcript which can be used by the student in requesting college credit or continuing education units for courses completed; and (4) Determines which students receive stipends to attending NFA courses.

FEMA Form 75-9, National Fire Academy Roster of Course Completion, is used by a State and local sponsoring agency to admit applicants to NFA off-campus courses. The form is completed by the student at the time the class is conducted. The United States Fire Administration/NFA has established a strong cooperative partnership with State and local fire training systems. This partnership has resulted in the ongoing development and delivery of a series of courses which constitute the NFA's off-campus program curriculum. NFA off-campus courses offer short term intensive training designed to provide maximum participation by fire service/rescue personnel and allied professionals, who can not afford the time required for attending on-campus resident programs, to attend training courses within the State and local community.

Affected Public: Individuals or households, Not-for-profit institutions, and State, local or tribal governments, and Federal Government.

ESTIMATED TOTAL ANNUAL BURDEN HOURS

FEMA form No.	No. responses	Time per response (minutes)	Total burden hours
FEMA Form 75-5	33,000	4,950
FEMA Form 75-9	15,000	3	750
Total	48,000	16	5,700

¹ Average.

COMMENTS: Interested persons are invited to submit written comments on the proposed collection to Victoria Wassmer, Desk Officer for the Federal Emergency Management Agency, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503 within 30 days of the date of this notice.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or

copies of the forms should be made to Muriel B. Anderson, Information Collections Officer, Federal Emergency Management Agency, 500 C Street, SW, Room 311, Washington, DC 20472. Telephone number (202) 646-2625 or Facsimile number (202) 646-3524.

Dated: July 31, 1996.
