**SUPPLEMENTARY INFORMATION:**

**I. Background**

The UCX law (5 U.S.C. 8521-8523) requires State employment security agencies to administer the UCX program in accordance with the same terms and conditions of the paying State's unemployment insurance law which apply to unemployed claimants who worked in the private sector. Each State agency must be able to obtain certain military service information from each claimant filing claims for UCX benefits to enable them to determine his/her eligibility for benefits. The State agencies record or obtain required UCX information on forms developed by the Department of Labor, ETA 841, ETA 842 and ETA 843. The use of each of these forms is essential to the UCX claims process.

Information pertaining to the UCX claimant can only be obtained from the individuals's military discharge papers, the appropriate branch of military service or the Department of Veterans Affairs (formerly the Veterans Administration). If the claimant does not have this information available, the most feasible and effective way to obtain this information is by use of the forms prescribed by the Department of Labor for State agency use. Without this

information, we could not adequately determine the eligibility of ex-servicemembers and would not be able to properly administer the program.

**II. Current Actions**

This is a request for OMB approval under the Paperwork Reduction Act of 1995 (44 U.S.C. 3506(c)(2)(A)) of an extension to an existing collection of information previously approved and assigned OMB control No. 1205-0176. A current inventory of 255,000 UCX claims were filed in FY 1994 and a proposed inventory of 138,573 UCX claims will be reported for FY 1995 reflecting a significant decrease of 116,427 from the previous fiscal year resulting in a reduction of - 3,009 hours toward ETA's Information Collection Budget.

Fifty-three (53) SESAs fill out these forms. Form ETA 841 is completed by SESAs whenever an ex-servicemember files: (1) A "first claim" (UCX) for unemployment compensation, whereby an assignment of Federal military service is recorded; or (2) a request for determination of entitlement to UCX benefits, whether or not such request results in a "first claim." Form ETA 842 is very rarely used under current legislation so our estimate is zero burden. ETA 843 is used by SESAs only when it is necessary to obtain additional clarifying information from the military pertaining to the UCX claimant or to obtain a copy of DD Form 214 that was not issued to the claimant when separated from military service. Accordingly, the ETA 843 is used for only 5% of the UCX "first claims." This is then sent to any one of the four

branches of military service (Army, Navy, Marines, Air Force), the Coast Guard, or the National Oceanic Atmospheric Administration (they are considered branches of military service for UCX purposes but are not under the jurisdiction of the Department of Defense).
