BILLING CODE 4510-30-M

TA-W-32,205, Progressive Knitting Mills of Pennsylvania, Incorporated Philadelphia, Pennsylvania; Notice of Revised Determination on Reconsideration

On June 12, 1996, the Department issued a Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to all workers of Progressive Knitting Mills located in Philadelphia, Pennsylvania. The notice was published in the Federal Register on July 7, 1996 (61 FR 34874).

By letter of July 31, 1996, the union representative requested administrative reconsideration of the Department's findings. The workers produce men's women's and children's active wear. Production and employment at the subject firm declined during the time period relevant to the investigation.

New findings on reconsideration show that the active wear production by Progressive Knitting Mills is mass marketed. Therefore, the articles manufactured by the subject firm have been impacted importantly by the high penetration of active wear imports in this market. In 1994 and 1995, the ratio of U.S. imports to domestic production of men's and boy's swimwear; and women's and girls' slacks and shorts was more than 100%.

Conclusion

After careful review of the additional facts obtained on reconsideration, I concluded that increased imports of articles like or directly competitive with active wear and swimwear products produced at the subject firm contributed importantly to the declines in sales or production and to the total or partial separation of workers of affected all workers of the Progressive Knitting Mills of Pennsylvania, Incorporated in Philadelphia, Pennsylvania. In accordance with the provisions of the act, I make the following certification:

All workers of Progressive Knitting Mills of Pennsylvania, Incorporated, Philadelphia, Pennsylvania who became totally or partially separated from employment on or after March 27, 1995 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, D.C., this 23th day of August 1996.
