

Defense for Acquisition and Technology on scientific and technical matters as they affect the perceived needs of the Department of Defense. At this meeting the Task Force will work with the JCS Chairman and Vice Chairman in support of the Expanded JROC activities. The JRO has sponsored assessments of U.S. capabilities to conduct various kinds of military operations. These Joint Warfighting Capability Assessments (JWCA) are key to determining the Chairman's position concerning plans and programs. The Task Force should review the JWCA process and recommend ways in which the process might be improved.

In accordance with Section 10(d) of the Federal Advisory Committee Act, P.L. No. 92-463, as amended (5 U.S.C. App. II, (1994)), it has been determined that this DSB Task Force meeting concerns matters listed in 5 U.S.C. § 552b(c)(1) (1994), and that accordingly this meeting will be closed to the public.

Dated: September 12, 1996.

### **Defense Science Board Task Force on Image-Based Automatic Target Recognition**

**ACTION:** Notice of Advisory Committee Meetings.

**SUMMARY:** The Defense Science Board Task Force on Image-Based Automatic Target Recognition will meet in closed session on October 16-17 at Science Applications International, McLean, Virginia; and on November 6-7, 1996 at the Pentagon, Arlington, Virginia.

The mission of the Defense Science Board is to advise the Secretary of Defense through the Under Secretary of Defense for Acquisition and Technology on scientific and technical matters as they affect the perceived needs of the Department of Defense. At these meetings the Task Force will assess the ability of automatic/aided target recognition technology and systems to support important military missions, principally in the near- and mid-term. The Task Force should concentrate on those technologies and systems that use imagery (EO, IR or radar) as their primary input medium.

In accordance with Section 10(d) of the Federal Advisory Committee Act, P.L. No. 92-463, as amended (5 U.S.C. App. II, (1994)), it has been determined that these DSB Task Force meetings

concern matters listed in 5 U.S.C. § 552b(c)(1) (1994), and that accordingly these meetings will be closed to the public.

Dated: September 12, 1996.

#### **Notice of Intent To Prepare Environmental Impact Analyses for Defense Base Realignment and Disposal Actions Resulting From the 1995 Commission's Recommendations**

**AGENCY:** Department of Defense, United States Army.

**ACTION:** Correction notice.

**SUMMARY:** In previous Federal Register notice (60 FR 49263-49264) of September 22, 1995, the following corrections should be made:

On page 49263 in column three, paragraph a(2) indicates that an environmental assessment is planned for Detroit Arsenal, Michigan, for receiving automotive materiel management functions from Aviation-Troop Command, St. Louis, Missouri, to align with Tank-Automotive and Armaments Command. This relocation is below the threshold requiring an environmental assessment and is covered by a Department of Army categorical exclusion which will be analyzed within a Record of Consideration.

On page 49263 in column three, paragraph a(4) indicates that an environmental assessment is planned for Fort Bliss, Texas, for receiving U.S. Army Test and Experimentation Center missions and functions from Fort Hunter Liggett, California. Department of the Army approved a plan on July 31, 1996, to inactivate the U.S. Army Test and Experimentation Center in place. Therefore, the environmental analysis on its relocation is canceled.

On page 49264 in column one, paragraph c(2) indicates that an environmental assessment is planned for property disposal at Big Coppitt Key, Florida. The property has since been identified for transfer to the Department of the Navy. The transfer of real property administrative control to another military department is covered by a Department of Army categorical exclusion which will be analyzed within a Record of Consideration.

On page 49264 in column one, paragraph c(22) indicates that an

environmental assessment is planned for property disposal at Senena Army Depot, New York. We have reassessed our initial determination and now plan to analyze property disposal at this site in an environmental impact statement.

On page 49264 in column one, paragraph c(24) indicates that an environmental assessment is planned for property disposal at Sudbury Training Annex, Massachusetts. The property has since been identified for transfer to other federal agencies. The transfer of real property administrative control to other federal agencies is covered by a Department of Army categorical exclusion which will be analyzed within a Record of Consideration.

On page 49264 in column one, paragraph d(2) indicates that an environmental impact statement is planned for property disposal at Defense Distribution Depot, Memphis, Tennessee. We have reassessed our initial determination and now plan to analyze property disposal at this site in an environmental assessment.

**FOR FURTHER INFORMATION CONTACT:** For further information regarding these environmental impact analyses, please contact the Public Affairs Office at the affected installations or the appropriate higher headquarters as indicated below: INSTALLATION—(AREA CODE)

#### **Notice of Availability of the Final Supplemental Environmental Impact Statement for the Disposal and Reuse of Fort Ord, California**

**AGENCY:** Department of the Army, DoD.  
**ACTION:** Notice of availability.

**SUMMARY:** In compliance with the National Environmental Policy Act and the President's Council on Environmental Quality, the Army has prepared a Final Supplemental Environmental Impact Statement (FSEIS) for disposal of certain excess

property at Fort Ord, California. The FSEIS also analyzes impacts on a range of potential reuse alternatives.

Copies of the FSEIS have been forwarded to various federal, state and local agencies, and predetermined interested organizations and individuals.

**DATES:** This FSEIS will be available to the public for 30 days, after which the Army will prepare a Record of Decision for the Army action.

**ADDRESSES:** Copies of the Final Supplemental Environmental Impact Statement can be obtained by writing or calling Mr. Bob Verkade, Sacramento District, U.S. Army Corps of Engineers, 1325 J Street, Sacramento, California 95814-2922, telephone (916) 557-7423, fax (916) 557-5307.

## DEPARTMENT OF EDUCATION

### Notice of Proposed Information Collection Requests

**AGENCY:** Department of Education.

**ACTION:** Proposed collection; comment request.

**SUMMARY:** The Acting Director, Information Resources Group, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

**DATES:** Interested persons are invited to submit comments on or before November 18, 1996.

**ADDRESSES:** Written comments and requests for copies of the proposed information collection requests should be addressed to Patrick J. Sherrill, Department of Education, 600 Independence Avenue, S.W., Room 5624, Regional Office Building 3, Washington, DC 20202-4651.

**FOR FURTHER INFORMATION CONTACT:** Patrick J. Sherrill (202) 708-8196.

Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 between 8 a.m. and 8 p.m., Eastern time, Monday through Friday.

**SUPPLEMENTARY INFORMATION:** Section 3506 of the Paperwork Reduction Act of 1995 (44 U. S. C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information

collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Acting Director of the Information Resources Group publishes this notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment at the address specified above. Copies of the requests are available from Patrick J. Sherrill at the address specified above.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department, (2) will this information be processed and used in a timely manner, (3) is the estimate of burden accurate, (4) how might the Department enhance the quality, utility, and clarity of the information to be collected, and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: September 11, 1996.

### Record of Decision for the Medical Isotopes Production Project: Molybdenum-99 and Related Isotopes

**AGENCY:** Department of Energy.

**ACTION:** Record of decision.

**SUMMARY:** The Department of Energy (DOE) is issuing this Record of Decision regarding DOE's proposal to establish a production capability for molybdenum-99 (Mo-99) and related medical isotopes. DOE has decided to proceed with the proposed action using the preferred alternative identified in the Medical Isotopes Production Project: Molybdenum-99 and Related Isotopes Environmental Impact Statement (DOE/EIS-0249F). The selected facilities are located at Sandia National Laboratories in Albuquerque, New Mexico (SNL/NM), and Los Alamos National Laboratory (LANL) in Los Alamos, New Mexico.

**FOR FURTHER INFORMATION CONTACT:** Further information on the environmental impact statement (EIS) can be obtained by contacting: Mr. Wade P. Carroll, MIPP EIS Document Manager, Office of Nuclear Energy, Science and Technology, NE-70, U.S. Department of Energy, 19901 Germantown Road, Germantown, MD 20874, Telephone: (301) 903-7731; facsimile: (301) 903-5434.
