

Agency Debt Collection Data Base,' last published in the Federal Register at 58 FR 10875 on February 22, 1993.

**E. Description of computer matching program:** ED, as the source agency, will provide DMDC with a magnetic tape which contains the names of delinquent debtors in programs ED administers. Upon receipt of the computer tape file of debtor accounts, DMDC will perform a computer match using all nine digits of the SSN of the ED file against a DMDC computer database. The DMDC database, established under an interagency agreement between DOD, OPM, OMB, and the Department of the Treasury, consists of employment records of non-postal Federal employees and military members, active, and retired. Matching records ('hits'), based on the SSN, will produce the member's name, service or agency, category of employee, and current work or home address. The hits or matches will be furnished to ED. ED is responsible for verifying and determining that the data on the DMDC reply tape file are consistent with ED's source file and for resolving any discrepancies or inconsistencies on an individual basis. ED will also be responsible for making final determinations as to positive identification, amount of indebtedness and recovery efforts as a result of the match.

**F. Inclusive dates of the matching program:** This computer matching program is subject to review by the Office of Management and Budget and Congress. If no objections are raised by either, and the mandatory 30 day public notice period for comment has expired for this Federal Register notice with no significant adverse public comments in receipt resulting in a contrary determination, then this computer matching program becomes effective and the respective agencies may begin the exchange of data 30 days after the date of this published notice at a mutually agreeable time and will be repeated on a six month basis. Under no circumstances shall the matching program be implemented before the 30 day public notice period for comment has elapsed as this time period cannot be waived. By agreement between ED and DoD, the matching program will be in effect and continue for 18 months with an option to renew for 12 additional months unless one of the parties to the agreement advises the other by written request to terminate or modify the agreement.

**G. Address for receipt of public comments or inquiries:** Director, Defense Privacy Office, Crystal Mall 4, Room 920, 1941 Jefferson Davis

Highway, Arlington, VA 22202-4502. Telephone (703) 607-2943.
