*OMB Approval Number:* 3060-0383.

*Title:* Part 25—Satellite Communications.

*Form No.:* N/A.

*Type of Review:* Revision to existing collection.

*Respondents:* Not-for-profit institutions; Business or other for-profit; Small businesses and organizations.

*Number of Respondents:* 2500.

*Estimated Time Per Response:* 1.5 hours.

*Total Annual Burden:* 3,750 hours.

*Estimated Cost Per Respondent:* Based on the assumption that applicants will hire outside counsel at an approximate cost of \$150 per hour, it is estimated that the cost per submission will be \$450.00.

*Needs and Uses:* On January 19, 1996, the Commission adopted a Report and Order revising its rules and policies regarding satellite space and earth station licensing. Amendment of the Commission's Regulatory Policies Governing Domestic Fixed Satellite and Separate International Satellite Systems, IB Docket No. 95-41, 61 FR 9946 (March 12, 1996). The Commission sought emergency approval of this voluntary collection, OMB Number 0380-0383, at 61 FR 37897 (July 22, 1996).

The revisions to this information collection will permit all U.S.-licensed satellite operators to provide both domestic and international service via U.S.-licensed facilities without submitting modification applications. In addition, applicants may designate whether their services will be offered on a common carrier or non-common carrier basis in the initial application for service. Should their service requirements change, a letter indicating a change in status will be submitted, rather than an application to modify the license.

An increase in the Intelsat Article XIV(d) consultation submissions may occur as applicants and licensees entering the international service market will be required to consult their operations with Intelsat under Article XIV(d).

The collections of information contained in Part 25 are used by Commission staff in carrying out its duties as set forth in Section 308 and 309 of the Communications Act of 1934, as amended, 47 U.S.C. Section 308 and 309, to determine the technical, legal and other qualifications of an applicant to operate a station. Article XIV(d)

consultations will be used by the Commission to verify that licensees are fully coordinated with other users in the band. The information collected is used to determine whether the public interest, convenience and necessity will be served, in accordance with Section 309 of the Communications Act of 1934, as amended, 47 USC 309.

[No. 96-N-7]

### Notice of Federal Home Loan Bank Members Selected for Community Support Review

**AGENCY:** Federal Housing Finance Board.

#### **ACTION:** Notice.

**SUMMARY:** The Financial Institutions Reform, Recovery, and Enforcement Act of 1989 added a new Section 10(g) to the Federal Home Loan Bank Act of 1932 requiring that members of the Federal Home Loan Bank (FHLBank) System meet standards for community investment or service in order to maintain continued access to long-term FHLBank System advances. In compliance with this statutory change, the Federal Housing Finance Board (Housing Finance Board) promulgated Community Support regulations (12 CFR Part 936). Under the review process established in the regulations, the Housing Finance Board will select a certain number of members for review each quarter, so that all members that are subject to the Community Reinvestment Act of 1977, 12 U.S.C. 2901 *et seq.*, (CRA), will be reviewed once every two years. The purpose of this Notice is to announce the names of the members selected for the third quarter review (1996-97 cycle) under the regulations. The Notice also conveys the dates by which members need to comply with the Community Support regulation review requirements and by which comments from the public must be received.

**DATES:** Due Date For Member Community Support Statements for Members Selected in Third Quarter Review: November 29, 1996.

Due Date For Public Comments on Members Selected in Third Quarter Review: November 29, 1996.

#### **SUPPLEMENTARY INFORMATION:**

##### **A. Selection for Community Support Review**

The Housing Finance Board currently reviews all FHLBank System members that are subject to CRA approximately once every two years. Approximately one-eighth of the FHLBank members in each district will be selected for review by the Housing Finance Board each calendar quarter. To date, only members that are subject to CRA have been reviewed. In selecting members, the Housing Finance Board follows the chronological sequence of the members' CRA Evaluations post-July 1, 1990, to the greatest extent practicable, selecting one-eighth of each District's membership for review each calendar quarter. However, the Housing Finance Board will postpone review of new members until they have been System members for one year.

Selection for review is not, nor should it be construed as, any indication of either the financial condition or Community Support performance of the institutions listed.
