**SUPPLEMENTARY INFORMATION:** The National Assessment Governing Board is established under section 412 of the National Education Statistics Act of 1994 (Title IV of the Improving America's Schools Act of 1994) (Pub. L. 103–382).

The Board is established to formulate policy guidelines for the National Assessment of Educational Progress (NAEP). The Board is responsible for selecting subject areas to be assessed, developing assessment objectives, identifying appropriate achievement goals for each grade and subject tested, and establishing standards and procedures for interstate and national comparisons.

On February 29, two committees will meet in open session from 4:00–6:00

p.m. Subject Area Committee #1 will meet to review and discuss issues regarding the NAEP civics planning project. The Achievement Levels Committee will meet to discuss plans for conducting the upcoming meetings for the setting of achievement levels in science. Also, on February 29, the Executive Committee will meet in open session from 7:00 p.m.–9:00 p.m. The agenda for the Executive Committee includes a briefing on the NAEP budget, and discussions regarding the use of NAEP in projects sponsored by the National Science Foundation, and Westat.

On March 1, the full Board will convene in open session at 8:30 a.m. The agenda for this session of the full Board meeting includes approval of the agenda, the Executive Director's Report, a Report on TIMSS (The Third International Math and Science Study), and an update on the NAEP project. Between 10:00 a.m. and 12:00 noon, there will be open meetings of the following subcommittees: Design and Methodology, Reporting and Dissemination, and Subject Area Committee #2. Design and Methodology will discuss design issues related to future assessments, specifically, domain scoring and computer adaptive testing. Agenda items for the Reporting and Dissemination Committee include schedules for the release of NAEP data, reporting of information on special student populations, and dissemination of assessment frameworks. Beginning at 11:15 a.m. until 12:00 noon, there will be a joint meeting of the Design and Methodology and Reporting and Dissemination Committees to discuss the issues related to the implementation of a Marketbasket approach to NAEP reporting. Subject Area Committee #2 will meet to review and discuss issues regarding the NAEP writing planning project.

The full Board will reconvene in open session, beginning at 12:00 noon, to hear a presentation on NAEP on the information superhighway, a briefing from its workgroup on planning, and a presentation on the Civics frameworks.

On March 2, the Nominations Committee will meet in closed session from 8:00–9:00 a.m. This meeting must be closed because the committee will be considering qualifications of nominees for appointment to Board membership. The review and subsequent discussion of this information will touch upon matters that relate solely to the internal personnel rules and practices of an agency and would disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy if

conducted in open session. Such matters are protected by exemptions (2) and (6) of Section 552b(c) of Title 5 U.S.C.

Beginning at 9:00 a.m. the full Board will reconvene in open session. The agenda for this session includes a briefing on plans for the NAEP Evaluation by the National Academy of Sciences, and reports from the Board's standing subcommittees—Subject Area Committees #1 and #2, Achievement Levels, Reporting and Dissemination, Design and Methodology, and Executive. The meeting of the National Assessment Governing Board will be adjourned at approximately 12:00 Noon.

A summary of the activities of the closed session and related matters, which are informative to the public and consistent with the policy of section 5 U.S.C. 552b, will be available to the public within 14 days after the meeting. Records are kept of all Board proceedings and are available for public inspection at the U.S. Department of Education, National Assessment Governing Board, Suite 825, 800 North Capitol Street, NW., Washington, DC, from 8:30 a.m. to 5:00 p.m.

**Direct Grant Programs**

**AGENCY:** Department of Education.

**ACTION:** Notice of extension of application deadline dates for certain direct grant programs.

**SUMMARY:** The Secretary extends the deadline dates for the submission of applications under certain direct grant programs. These are some of the programs under which the Secretary or other principal officers of the Department have announced competitions for new awards for fiscal year (FY) 1996. The Secretary also revises the deadlines for intergovernmental review for any of these programs subject to the requirements of Executive Order 12372 (Intergovernmental Review of Federal Programs). The Secretary takes this action to allow more time for the preparation and submission of applications by potential applicants adversely affected by the closure of the Department for a number of weeks. The extensions are intended to help these potential applicants compete fairly under these programs.
