Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is publishing the following summary of collections for public comment.

Rule 9b-1 sets forth the categories of information required to be disclosed in an options disclosure document ("ODD") and requires the options markets to file an ODD with the Commission 60 days prior to the date it is distributed to investors. In addition, Rule 9b-1 provides that the ODD must be amended if the information in the document becomes materially inaccurate or incomplete and that amendments must be filed with the Commission 30 days prior to the distribution to customers. Finally, Rule 9b-1 requires a broker-dealer to furnish to each customer an ODD and any amendments, prior to accepting an order to purchase or sell an option on behalf of that customer.

There are 5 options markets that must comply with Rule 9b-1. These 5 respondents work together to prepare a single ODD covering options traded on each market, as well as amendments to the ODD. These respondents file no more than one amendment per year, which requires approximately 8 hours per year for each respondent. Thus, the total compliance burden for options markets per year is 40 hours. The approximate cost per hour is \$100, resulting in a total cost of compliance for these respondents of \$4,000 per year (40 hours @ \$100).

In addition, approximately 2,000 broker-dealers must comply with Rule 9b-1. Each of these respondents will process an average of three new customers for options each week and, therefore, will have to furnish approximately 156 ODDs per year. The postal mailing or electronic delivery of the ODD takes respondents no more than 30 seconds to complete for an annual compliance burden for each of these respondents of 78 minutes, or 1.3 hours. Thus, the total compliance burden per year is 2,600 hours (2,000 broker-dealers × 1.3 hours). The approximate cost per hour to these
