#### SUPPLEMENTARY INFORMATION:

Comments are invited on: (1) The accuracy of the agency's estimate of the burden of the proposed collection of information; and, (2) ways to minimize the burden of the collection of information on respondents.

*Title:* FWS Customer Service Evaluation Card.

*OMB Approval Number:* This is a new information collection.

*Abstract:* The Fish and Wildlife Service manages over 500 national wildlife refuges. Approximately 28 million people visit these refuges annually. On September 11, 1993, President Clinton issued Executive Order 12862, that requires agencies to "survey customers to determine the kind and quality of services they want and their level of satisfaction with existing services." The Service plans to use, as part of its evaluation and improvement process for customer service, an evaluation card that will be distributed by approximately 300 refuges to their visitors over the next three years. The information gained from this survey will enable refuge staff to determine the level of satisfaction with existing services; to close the gap between what we provide our customers and what they want; and, to identify any areas where improvements in providing services can be made. The evaluation card will also ensure that national wildlife refuges are in compliance with the Service's mandate for implementation of its customer service standards and policy to incorporate these standards in the way the Service routinely does business.

*Frequency of collection:* On occasion. May be quarterly or seasonal considering differences in visitation to field stations in the North and South.

*Description of Respondents:* Individuals or households.

*Estimated Completion Time:* The reporting burden is estimated to average five minutes per response.

*Annual Responses:* The Service estimates that it will survey 100 refuges for the first year, issuing 1,200 cards per refuge, (30,000 responses); 200 the second year (60,000 responses); and 300 refuges the third year for a total of 90,000 responses.

*Annual Burden Hours:* 2,500, the first year; 5,000 the second year, and 7,500 hours the third year.

Dated: October 18, 1996.

Carolyn A. Bohan,  
*Acting Assistant Director—Refuges and Wildlife.*

## National Park Service

### Notice of Inventory Completion for Native American Human Remains from the Puget Sound Area, WA, in the Possession of the Washington State Historical Society, Tacoma, WA

AGENCY: National Park Service, Interior.  
ACTION: Notice.

Notice is hereby given in accordance with provisions of the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003 (d), of the completion of an inventory of human remains from the Puget Sound area, WA, in the possession of the Washington State Historical Society, Tacoma, WA.

A detailed assessment of the human remains was made by Washington State Historical Society professional staff in consultation with representatives of the Puyallup Tribe of Indians.

In 1897-1898, human remains representing three individuals were apparently donated to the Washington State Historical Society by Fay Fuller, Mrs. Theodore Huggins, or Mr. Theodore Huggins, all Pierce County residents. No known individuals were identified. No associated funerary objects are present.

In 1917, human remains representing one individual from the Puget Sound area were donated to the Washington State Historical Society by Miss Ruby Blackwell. No known individuals were identified. No associated funerary objects are present.

In 1920, human remains representing one individual were donated to the Washington State Historical Society by Mr. C. Arthur Foss of Tacoma, WA. Mr. Foss was known as a collector of Northwest Coast artifacts. No known individual was identified. No associated funerary objects are present.

Before 1921, human remains representing a minimum of one individual were donated to the Washington State Historical Society by Mr. W.E. Lowrie of Tacoma, WA. No known individuals were identified. No associated funerary objects are present.

In 1957, human remains representing one individual were donated to the Washington State Historical Society by Mrs. J.A. McLeod of Tacoma, WA. No known individual was identified. No associated funerary objects are present.

The record of early donations to the Washington State Historical Society indicates these donations were generated from the local area of Tacoma. Morphological evidence and these records, including intentional cranial modification, other physical characteristics, and geographic location, indicate these individuals are Native Americans from the Northwest Coast area. Historical documents and anthropological evidence indicate this type of modification was practiced by coastal tribes from British Columbia to Oregon into the historic period.

In August, 1996, the Washington State Historical Society and the Puyallup Tribe of Indians jointly mailed correspondence to all Indian tribes or Native Alaska Corporations with cultural ties to Northwest coastal regions, proposing these individuals be repatriated for the purpose of reburial. The proposal was sent to: AHTNA, Inc., the Aleut Corporation, the Arctic Slope Regional Corporation, the Bering Straits Native Corporation, the Bristol Bay Native Corporation, the Calista Corporation, the Chehalis Tribe, the Chugach Alaska Corporation, the Confederated Tribe of Coos, Lower Umpqua, and Siuslaw Indians, the Cook Inlet Region, Inc., the Coquille Indian Tribe, the Cow Creek Band of Umpqua Indians, Doyon, Ltd., the Elwha Klallam Tribe, the Hoh Tribe, the Jamestown S'Klallam Tribe, Koniag, Inc., the Lummi Nation, the Makah Tribe, the Muckleshoot Tribe, the NANA Corporation, the Nisqually Tribe, the Nooksack Tribe, the Port Gamble S'Klallam Tribe, the Quinalut Nation, the Quileute Tribe, the Samish Tribe, the Sauk-Suiattle Tribe, the Shoalwater Bay Tribe, the Skokomish Tribe, the Squaxin Island Tribe, the Stillaguamish Tribe, the Suquamish Tribe, the Swinomish Tribe, Sealaska Corporation, the Siletz Tribe, the Suquamish Tribe, the Swinomish Tribe, the Thirteenth Regional Corporation, the Tulalip Tribes, and the Upper Skagit Tribe. The Wahkiakum Band of the Chinook Tribe, a non-Federally recognized Native American group, was also notified. As of September 3, 1996, letters of support from Bering Straits Foundation on behalf of the Bering Straits Native Corporation, Chugach Heritage Foundation on behalf of the Chugach Native Corporation, the Jamestown S'Klallam Tribe, Koniag, Inc., the Sauk-Suiattle Indian Tribe, the Swinomish
