Appendix**General Order Prohibiting Exports of Unprocessed Timber From Certain Public Lands**

This order¹ is issued pursuant to Public Law No. 104-208. Section 319 of Title III of Section 101(d) of Title I of Public Law No. 104-208 requires the Secretary of Commerce to extend, through September 30, 1997, the total prohibition of section 491(b)(2)(A) of the Forest Resources Conservation and Shortage Relief Act of 1990, as amended (the Act) (16 U.S.C. 620 *et seq.* (1994)) on the export of unprocessed timber originating from public lands in states west of the 100th meridian in the contiguous 48 States with more than 400,000,000 board feet of annual sales volumes of such timber. Section 319 also requires the Secretary of Commerce to make effective, on October 1, 1997, the prohibition of section 491(b)(2)(B) of the Act on the export of only the lesser of 400,000,000 board feet or the annual sales volume of unprocessed timber originating from public lands in states west of the 100th meridian in the contiguous 48 States with more than 400,000,000 board feet of annual sales volumes of such timber. As the Secretary of Commerce has delegated the authority for carrying out the policies and programs necessary to administer laws regarding the control of U.S. exports to the Under Secretary for Export Administration, I therefore order the following:

(a) *States with annual sales volumes of greater than 400,000,000 board feet of unprocessed timber originating from state or other public lands.* Notwithstanding any other provision of law, the export, from the United States to any destination, of unprocessed timber originating from public lands in any state located west of the 100th meridian in the contiguous 48 States with annual sales volumes of such timber greater than 400,000,000 board feet is prohibited through September 30, 1997. Effective October 1, 1997, however, only the export, from the United States to any destination, of the lesser of 400,000,000 board feet or the state's annual sales volume of such timber is prohibited. The export of the excess of 400,000,000 board feet of such timber is, therefore, permitted effective October 1, 1997, unless otherwise prohibited by any provision of law. (Section 319 of Title III of Section 101(d) of Title I, Public Law 104-208 and 16 U.S.C. 620c(b)(2)(A) and (B)).

¹ This order does not affect the prohibition on the export of any unprocessed timber originating from public lands in any state located west of the 100th meridian in the contiguous 48 States with annual sales volumes of 400,000,000 board feet or less of such timber. (16 U.S.C. 620c(b)(1) and General Order Prohibiting Exports of Unprocessed Timber from Certain Public Lands, 58 FR 55038 (October 25, 1993)).

(b) *Prohibition on substitution.*

Notwithstanding any other provision of law, all persons are prohibited from purchasing, directly or indirectly, unprocessed timber originating from public lands in a state if: (1) Such unprocessed timber would be used in substitution for exported unprocessed timber originating from private lands in that State; or (2) such person has, during the preceding 24-month period, exported unprocessed timber originating from private lands in that State. (16 U.S.C. 620c(b)(3)(A)).

(c) *Exemption.* The prohibitions in section (b) of this Order do not apply in a state on or after the date on which: (1) The Governor of that state provides the Secretary of Commerce with notification of a prior state program under section 491(d)(2)(C) (16 U.S.C. 620c(d)(2)(C)) of the Act; or (2) the Secretary of Commerce approves a state program under section 491(d)(2)(A) (16 U.S.C. 620c(d)(2)(A)) of the Act; or (3) the Secretary of Commerce issues implementing regulations under the Act, whichever occurs first.² (16 U.S.C. 620c(b)(3)(B)).

(d) *Prior contracts.* This Order does not apply to any contract for the purchase of unprocessed timber from public lands entered into before September 10, 1990, with respect to states with annual sales volumes of 400,000,000 board feet or less, or January 1, 1991, with respect to states with annual sales volumes greater than 400,000,000 board feet, or any contract under which exports were permitted pursuant to an Order of the Secretary of Commerce in effect under the Act before October 23, 1992. (16 U.S.C. 620c(e)).

(e) *Western Red Cedar.* This Order shall not be construed to supersede the controls on the export of Western Red Cedar required by section 7(l) of the Export Administration Act of 1979, as amended (50 U.S.C. app. 2406(l)), as supplemented by the International Emergency Economic Powers Act (50 U.S.C. 1701-1706), Executive Order 12924 of August 19, 1994 (59 FR 43437, August 27, 1994), and the Presidential Notices of August 15, 1995 and August 14, 1996, and as set out in section 754.4 of the Export Administration Regulations (15 CFR 754.4).
