Health Resources and Services Administration

Proposed Collection: Comment Request

In compliance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 for opportunity for public comment on proposed data collection projects, the Health Resources and Services Administration (HRSA) will publish periodic summaries of proposed projects being developed for submission to OMB under the Paperwork Reduction Act of 1995. To request more information on the proposed project or to obtain a copy of the data collection plans and instruments, call the HRSA Reports Clearance Officer on (301) 443-1129.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have

practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Projects

1. *Evaluation of the Ryan White HIV/AIDS Dental Reimbursement Program*—Title 776(b) of the Public Health Service Act authorizes the Secretary to make grants to assist accredited dental schools and post-doctoral dental programs to meet uncompensated costs for providing oral health care to HIV infected individuals. A survey will be conducted to determine the effect this reimbursement program has had on the conduct of HIV/AIDS education and services within institutions and their graduates receiving these funds. The survey will assess the effect the Program has had on (1) the support and commitment of institutions to HIV/AIDS education and the provision of care; (2) the scope, content and conduct of HIV/AIDS education in participating institutions, (3) increasing the access to oral health care by HIV/AIDS patients; and (4) improving the integration of oral health care with health care and long-term HIV/AIDS case management under other components of the Ryan White Act. The survey will compare dental schools and hospitals awarded Ryan White HIV/AIDS dental reimbursement monies with eligible institutions which did not participate in the reimbursement program. An initial telephone interview will be followed up by a mail questionnaire. Because this is a targeted survey with limited numbers, automated collection techniques will not be used. Burden estimates are as follows:

Type of respondent	No. of respondents	Responses per respondent	Burden per response	Total burden hours
Dental Schools Receiving Funds	50	2	1.25	125
Hospitals Receiving Funds	70	2	1.25	175
Dental Schools Not Receiving Funds	4	2	1.25	10
Hospitals Not Receiving Funds	26	2	1.25	65
Note: Estimated Total Annual Burden: 375 hours.				

2. *Health Education Assistance Loan (HEAL) Program: Lender's Application*

for Insurance Claim on a HEAL Loan and Request for Collection Assistance

Under the HEAL Program (OMB Nos. 0915-0036 and 0915-0100)—Revision

and Extension—This clearance request is for extension of approval of two forms that were previously approved by OMB under separate OMB numbers (shown above). HEAL lenders use the Lender's Application for Insurance Claim to

request payment from the Federal Government for federally insured loans lost due to borrowers' death, disability, bankruptcy, or default. The Request for Collection Assistance form is used by HEAL lenders to request federal

assistance with the collection of delinquent payments from HEAL borrowers. No changes to these forms are proposed. The estimates of burden for the two forms are as follows:

Type of Form	No. of respondents	Responses per respondent	Burden per response	Total burden hours
Lender's Application for Insurance Claim (Form 510)	35	22.97	1.25	1,005
Request for Collection Assistance (Form 513)	35	957.74	.17	5,598
Total burden is estimated to be 6,603 hours.				

Send comments to Patricia Royston, HRSA Reports Clearance Officer, Room 14-36, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857. Written comments should be received within 60 days of this notice.
