

in the Federal Register on October 5, 1995 (60 FR 52213).

At the request of the company, the Department reviewed the certification for workers of the subject firm. The workers are engaged in employment related to the production of natural gas. New information received from the company shows that worker separations have occurred at the subject firm operations in various locations in Pennsylvania, New York, Ohio, Virginia, and Texas. Based on these new findings, the Department is again amending the certification to cover workers of Consolidated Natural Gas Transmission in those states.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by increased imports.

The amended notice applicable to TA-W-31,351 us hereby issued as follows:

"All workers of Consolidated Natural Gas Transmission, Clarksburg, West Virginia (TA-W-31,351), and the various operations located in the States of Pennsylvania (TA-W-31,351B), New York (TA-W-31,351C), Ohio (TA-W-31,351D), Virginia (TA-W-31,351E), and Texas (31,351F) who became totally or partially separated from employment on or after August 9, 1994 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington, DC, this 29th day of January 1996.

#### **D & H Companies Odessa, TX; Notice of Termination of Certification**

This notice terminates the Certification Regarding Eligibility to Apply For Worker Adjustment Assistance issued by the Department on September 22, 1995 for workers of D & H Companies located in Odessa, Texas. The notice was published in the Federal Register on October 5, 1995 (60 FR 52213).

The Department, on its own motion, reviewed the certification for workers of D & H Companies. Findings show that the petitioner was the self-employed owner and the only worker of the subject firm. The petitioner does not meet the definition of adversely affected worker engaged in adversely affected employment within the meaning of Section 247 of the Trade Act of 1974.

Since there are no adversely affected workers of the subject firm, the continuation of the certification would serve no purpose and the certification has been terminated.

Signed at Washington, D.C., this 1st day of February 1996.
