

GWI controls 11 existing Class III carrier subsidiaries: Genesee & Wyoming Railroad Company, Inc., operating in western New York; Dansville and Mount Morris Railroad Company, operating in New York; Rochester & Southern Railroad, Inc., operating in New York; Louisiana & Delta Railroad, Inc., operating in Louisiana; Buffalo & Pittsburgh Railroad, Inc., operating in New York and Pennsylvania; Bradford Industrial Rail, Inc., operating in Pennsylvania and New York; Allegheny & Eastern Railroad, Inc., operating in Pennsylvania; Willamette & Pacific Railroad, Inc., operating in Oregon; GWI Switching Services, operating in Texas; Illinois & Midland Railroad, Inc., operating in Illinois; and Pittsburg & Shawmut Railroad, Inc., operating in Pennsylvania.

GWI states that (i) CLNA, CWRY, and TRR will not connect with any railroad in the GWI corporate family; (ii) the acquisition of control is not part of a series of anticipated transactions that would connect the Rail Link subsidiaries with any railroad in the GWI corporate family; and (iii) the transaction does not involve a Class I carrier. Therefore, the transaction is exempt from the prior approval requirements of 49 U.S.C. 11323. See 49 CFR 1180.2(d)(2).

Under 49 U.S.C. 10502(g), the Board may not use its exemption authority to relieve a rail carrier of its statutory obligation to protect the interests of its employees. Section 11326(c), however, does not provide for labor protection for transactions under sections 11324 and 11325 that involve only Class III rail carriers. Because this transaction involves Class III rail carriers only, the Board, under the statute, may not impose labor protective conditions for this transaction.

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 33291, must be filed with the Surface Transportation Board, Office of the Secretary, Case Control Branch, 1201 Constitution Avenue, N.W., Washington, DC 20423. In addition, a copy of each pleading must be served on Eric M. Hocky, Esq., Gollatz, Griffin, & Ewing, P.C., 213 W. Miner Street, P.O. Box 796, West Chester, PA 19381-0796.

Decided: November 7, 1996.

Director, Office of Proceedings.
Vernon A. Williams,
Secretary.

DEPARTMENT OF VETERANS AFFAIRS

Future of VA Long-Term Care Advisory Committee, Notice of Establishment

As required by Section 9(a)(2) of the Federal Advisory Committee Act, U.S.C. (App. 1), the VA hereby gives notice of the establishment of the Future of VA Long-Term Care Advisory Committee. The Committee's review is essential to ensure that VA is sufficiently addressing the long-term care needs of veterans, thus VA has determined that this action is in the public interest. Additionally, this Committee's mission does not duplicate the mission of any VA committee.

The objectives of this Committee are to advise the Under Secretary for Health about the structure and delivery of long-term care services and make recommendations necessary for VA to foster progress in this area. The

Committee will review the background of nursing home and community-based long-term care in VA, its existing structure, and its mission within the new healthcare arena and the demographic changes of the veteran population. The Committee will examine such issues as: target populations for long-term care services; the size and mix of institutional and non-institutional services; and priorities for care when demand for services exceeds the supply.

The Committee's membership will be selected on the basis of knowledge and experience in current and future long-term care services. To ensure a balance in the recommendations made to the Under Secretary for Health, the Committee will be composed of individuals with expertise in current health care practices, economics and planning for long-term care, business practice and entrepreneurial ventures. Appointments will be for the duration of the Committee unless otherwise directed by the Secretary of Veterans Affairs. This is a mission-specific committee which will be terminated as soon as the stated mission is complete.

The Designated Federal Official for the Committee is Daniel Schoeps, M.A., Chief Community Care Programs, Veterans Health Administration, at (202) 273-8543.

Dated: November 11, 1996.
By Direction of the Secretary,
Eugene A. Brickhouse,
Committee Management Officer.
