[T.D. 96-79]

Announcement of Suspension of Collection of Special Tonnage Taxes and Light Money Upon Entry Into the United States of Vessels of Ukraine

AGENCY: U.S. Customs Service, Department of the Treasury.

ACTION: General notice.

SUMMARY: This notice announces that the United States has determined that the Government of Ukraine has ceased discriminating against vessels of the United States in the collection of certain fees and taxes from such vessels which enter that country. As a consequence, it has become possible to suspend the collection of special tonnage taxes and light money from vessels of Ukraine upon entering United States ports.

EFFECTIVE DATE: The change discussed in this notice became effective on November 14, 1996.

FOR FURTHER INFORMATION CONTACT: Larry L. Burton, Office of Regulations and Rulings (202) 482-7040.

SUPPLEMENTARY INFORMATION:

Background

Generally, the United States imposes regular and special tonnage taxes, and a duty of a specified amount per ton denominated "light money", on all foreign vessels which enter United States ports (46 U.S.C. App. 121 and 128). Vessels of a foreign nation may, however, be exempted from the payment of such special tonnage taxes and light money upon presentation of satisfactory proof that no discriminatory duties of tonnage or impost are imposed by that foreign nation on United States vessels or their cargoes (46 U.S.C. App. 141). The list of nations whose vessels have been found to be reciprocally exempt from the payment of any higher tonnage duties than are applicable to vessels of the United States and from the payment of light money is found at § 4.22, Customs Regulations (19 CFR 4.22). Nations granted these commercial privileges that subsequently impose discriminatory duties are subject to retaliatory suspension of the commercial privileges (46 U.S.C. App. 141 and 142).

The list of countries in 19 CFR 4.22 is compiled as the result of international agreements between the United States and the governments of those nations listed. Customs either adds or deletes
