#### Streamlining of Commerce Acquisition Process

**AGENCY:** Department of Commerce.

**ACTION:** Advance notice of proposed rulemaking.

**SUMMARY:** The Department of Commerce has reengineered its acquisition processes and is planning to implement these new processes department-wide. The Department is also testing the effectiveness of the new processes at two Pilot sites within the agency. The new processes are described in the Acquisition Process Case for Change, Concept of Operations (CONOPS). The new processes were developed by a team of departmental representatives who extensively reviewed private and public sector acquisition practices and recommendations. The intended effect is to create a more customer-friendly acquisition process that is less complex,
