**COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED**

**Procurement List Addition**

**AGENCY:** Committee for Purchase From People Who Are Blind or Severely Disabled.

**ACTION:** Addition to the Procurement List.

**SUMMARY:** This action adds to the Procurement List a commodity to be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities.

**EFFECTIVE DATE:** January 6, 1997.

**ADDRESSES:** Committee for Purchase From People Who Are Blind or Severely Disabled, Crystal Square 3, Suite 403, 1735 Jefferson Davis Highway, Arlington, Virginia 22202-3461.

**FOR FURTHER INFORMATION CONTACT:** Beverly Milkman (703) 603-7740.

**SUPPLEMENTARY INFORMATION:** On September 20, 1996, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice (61 F.R. 49435) of proposed addition to the Procurement List.

Comments were received from the current contractor for the dustpan. The contractor, a small company, noted that it has frequently had a Government contract for the dustpan over the past twenty years and has made this dustpan for over fifty years. The contractor questioned whether an organization which had not made the dustpan previously could furnish it to the Government at anywhere near the current price. The contractor proposed that, if the dustpan is to be taken out of competitive procurement, that it be directed to two "self-help" enterprises with which the contractor has worked. The contractor also objected to having the jobs this dustpan represents transferred out of its firm and locality to another area.

The impact of this addition on the contractor is not at the level which the Committee considers to be severe, even when the contractor's record as a long-time supplier is taken into account. The nonprofit agency has been found to be capable of producing the dustpan by the

Government agency which buys it, as well as by the Committee. The price the Government will pay, as the Committee's statute requires, reflects the market for this item, so a substantial price increase will not occur.

The contractor did not indicate how many jobs would actually be lost because of the Committee's action. The two organizations the contractor named do not participate in the Committee's program. However, several organizations in that area do participate in the program. While they will not be making the dustpan, they do generate employment for people with severe disabilities living in the contractor's area.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the commodity and impact of the addition on the current or most recent contractors, the Committee has determined that the commodity listed below is suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organization that will furnish the commodity to the Government.
2. The action does not appear to have a severe economic impact on current contractors for the commodity.
3. The action will result in authorizing a small entity to furnish the commodity to the Government.
4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the commodity proposed for addition to the Procurement List.

Accordingly, the following commodity is hereby added to the Procurement List:

Dustpan  
7290-00-224-8308

This action does not affect current contracts awarded prior to the effective date of this addition or options that may be exercised under those contracts.
