V. Objections

Any person who will be adversely affected by this regulation may at any time on or before January 9, 1997, file with the Dockets Management Branch (address above) written objections thereto. Each objection shall be separately numbered, and each numbered objection shall specify with particularity the provisions of the regulation to which objection is made and the grounds for the objection. Each numbered objection on which a hearing is requested shall specifically so state. Failure to request a hearing for any particular objection shall constitute a waiver of the right to a hearing on that objection. Each numbered objection for which a hearing is requested shall include a detailed description and analysis of the specific factual information intended to be presented in support of the objection in the event that a hearing is held. Failure to include such a description and analysis for any particular objection shall constitute a waiver of the right to a hearing on the objection. Three copies of all documents shall be submitted and shall be identified with the docket number

found in brackets in the heading of this document. Any objections received in response to the regulation may be seen in the Dockets Management Branch between 9 a.m. and 4 p.m., Monday through Friday.

RIN 2115-AE46

Special Local Regulations; Rada Fajardo, East of Villa Marina, Fajardo, PR

AGENCY: Coast Guard, DOT.

ACTION: Temporary final rule.

SUMMARY: Special local regulations are being adopted for the AC Delco Offshore

Invitational. This event will be held from 1 p.m. AST (Atlantic Standard Time) to 2:30 p.m. AST on December 15, 1996, on the waters of Rada Fajardo, due East of Villa Marina, Fajardo, Puerto Rico. During this event, race boats will be competing at high speeds with numerous spectator craft in the area, creating an extra or unusual hazard on the navigable waterways. Therefore, these regulations are necessary to provide for the safety of life on the navigable waters during the event.

EFFECTIVE DATE: These regulations become effective from 12:30 p.m. AST to 3 p.m. AST, December 15, 1996.

FOR FURTHER INFORMATION CONTACT:

LTJG D. L. Garrison, Project Officer,
Coast Guard Greater Antilles Section,
Puerto Rico, at (787) 729-6800,
extension 227.

SUPPLEMENTARY INFORMATION:

In accordance with 5 U.S.C. 553, a notice of proposed rulemaking has not been published for these regulations and good cause exists for making them effective in less than 30 days from the date of publication. Following normal rulemaking procedures would have been impracticable, because the permit application was received by the unit less than six weeks before the scheduled date for the event.

Discussion of Regulations

The event requiring these regulations is the AC Delco Offshore Invitational. This event will be held from 1 p.m. AST to 2:30 p.m. AST on December 15, 1996, in the waters of Rada Fajardo due east of Villa Marine, Fajardo, Puerto Rico. The race boats will be competing at high speeds with numerous spectator craft in the area, creating an extra or unusual hazard in the navigable waterways. These regulations are required to provide for the safety of life on the navigable waters during the running of the AC Delco Offshore Invitational.

These regulations will establish a regulated area in the waters of Rada Fajardo, due East of Villa Marine, Fajardo, Puerto Rico, starting at 18-20.0N, 065-37.2W, then North to 18-22.4N, 065-37.2W, then North East to 18-23.2N, 065-36.1W, then South East to 18-22.0N, 065-34.8W, then South to 18-20.0N, 065-34.8W and back to origin. All coordinates referenced use Datum: NAD 1983.

Regulatory Evaluation

This regulation is not a significant regulatory action under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(f) of that order. It has been exempted from review by the Office of Management and Budget under that order. It is not significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040; February 26, 1979). The Coast Guard expects the economic impact of this action to be so minimal that a full Regulatory Evaluation under paragraph 10e of the regulated policies and procedures of DOT is unnecessary. The regulated area encompasses a limited area off the coast of Puerto Rico and entry into this area will be prohibited for only 2½ hours on the day of the event.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), the Coast Guard must consider whether this rulemaking will have a significant impact on a substantial number of small entities. "Small entities" include independently owned and operated small businesses that are not dominant in their field and that otherwise qualify as "small business concerns" under Section 3 of the Small Business Act (15 U.S.C. 632).

The Coast Guard certifies under 5 U.S.C. 605(b) of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) that this final rule will not have a significant economic impact on a substantial number of small entities. The regulated area encompasses a limited area and will be in effect for only 2½ hours on the day of the event.

Collection of Information

These regulations contain no collection-of-information requirements under the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*).

Federalism

This action has been analyzed in accordance with the principles and criteria contained in Executive Order 12612, and it has been determined that this rulemaking does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.

Environmental Assessment

The Coast Guard has considered the environmental impact of this action consistent with Section 2.B.2. of Commandant Instruction M16475.1B. In accordance with that instruction section 2.B.4.g., this action has been environmentally assessed (EA completed), and the Coast Guard has concluded that it will not significantly affect the quality of the human environment. An environmental assessment and finding of no significant impact have been prepared and are available for inspection and copying from LTJG D. L. Garrison, Coast Guard Section, Greater Antilles, San Juan, Puerto Rico, (787) 729-6800, extension 227. As a condition to the permit, the applicant is required to conduct a survey of the race course one hour prior to the event to ensure no manatees or sea turtles are in the vicinity, to educate the operators of participant and spectator craft regarding the possible presence of manatees and sea turtles, and the appropriate precautions to take if the animals are sighted.

Temporary Regulations

For reasons set out in the preamble, the Coast Guard amends part 100 of title 33, Code of Federal Regulations, as follows:

1. The authority citation for part 100 continues to read as follows:

PART 100—[AMENDED]

Authority: 33 U.S.C. 1233; 49 CFR 1.46 and 33 CFR 100.35.

2. A temporary section 100.35-T96-068 is added as follows:

§ 100.35-T96-068 AC Delco Offshore Invitational; Fajardo, PR.

(a) *Definitions*—(1) *Regulated Area*. A regulated area is established for the navigable waters of Rada Fajardo, due East of Villa Marine, Fajardo, Puerto Rico, starting at 18-20.0N, 065-37.2W, then North to 18-22.4N, 065-37.2W, then North East to 18-23.2N, 065-36.1W, then South East to 18-22.0N, 065-34.8W, then South to 18-20.0N, 065-34.8W and back to origin. All coordinates referenced use Datum: NAD 1983.

(2) *Coast Guard Patrol Commander*. The Coast Guard Patrol Commander is a commissioned, warrant, or petty officer of the Coast Guard who has been designated by the Commander, Coast Guard Section, Greater Antilles.

(b) *Special Local Regulations*. (1) Entry into the regulated area by other than event participants is prohibited, unless otherwise authorized by the Patrol Commander.

(2) Spectator craft are required to remain in a spectator area to be established by the event sponsor west of Isle Palominos.

(3) At the discretion of the Patrol Commander, between scheduled racing events, traffic may be permitted to resume normal operations. After termination of the AC Delco Offshore Invitational on December 15, 1996, all vessels may resume normal operation.

(4) Temporary buoys will be used delineate the course.

(c) *Effective Date*. This section becomes effective from 12:30 p.m. AST to 3 p.m. AST, on December 15, 1996.

Dated: November 15, 1996.
