Constance K. Robinson, *Director of Operations*.

(3) The parties stipulate that a Final Judgment in the form hereto attached may be filed and entered by the Court, upon the motion of any party or upon the Court's own motion, at any time after compliance with the requirements of the Antitrust Procedures and Penalties Act (15 U.S.C. 16), and without further notice to any party or other proceedings, provided that plaintiff has not withdrawn its consent, which it may do at any time before the entry of the proposed Final Judgment by serving notice thereof on the parties and by filing that notice with the Court.

(4) The defendants shall abide by and comply with the provisions of the proposed Final Judgment pending entry of the Final Judgment, and shall, from the date of the signing of this Stipulation, comply with all the terms and provisions of the proposed Final Judgment as though the same were in full force and effect as an order of the Court.

(5) The parties recognize that there could be a delay in obtaining approval by or a ruling of a government agency related to the divestitures required by Section IV of the Final Judgment, notwithstanding the good faith efforts of the defendants and any prospective Acquirer, as defined in the Final Judgment. In this circumstance, plaintiff will, in the exercise of its sole discretion, acting in good faith, give special consideration to forebearing from applying for the appointment of a trustee pursuant to Section V of the Final Judgment, or from pursuing legal remedies.

Production Act of 1993, 15 U.S.C. § 4301 et seq. ("the Act"), the ATM Forum ("Forum") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, the changes are as follows: GIE COFiRA, Paris, FRANCE; IT Concept PTE Ltd., Singapore, SINGAPORE; LGIC Anyang, KOREA; Lockheed Martin Corporation, Sunnyvale, CA; Paradyne Corporation, Melbourne Beach FL; and Teltrend Inc., St. Charles, IL have been added to the venture. Company name changes include the following: Telecom Lab MOTC ROC to Telecommunications Labs, Chunghwa Telecom Co.; and Cray Communications to Case Technology. Agile Networks has withdrawn from the venture. National Communications has changed from an auditing member to a principal member.

No changes have been made in the planning activities of the Forum. Membership remains open, and the members intend to file additional written notifications disclosing all

changes in membership.

On April 19, 1993, the ATM Forum filed its original notification pursuant to § 6(a) of the Act. The Department of Justice published a notice in the Federal Register pursuant to § 6(b) of the Act on June 2, 1993 (58 FR 31415). The last notification was filed on August 1, 1996 and the Department of Justice published a notice in the Federal Register on September 3, 1996 (61 FR 46488). Constance K. Robinson,

Notice Pursuant to the National Cooperative Research and Production Act of 1993; PNGV Fuel Cell Technical Team

Notice is hereby given that, on October 30, 1996, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. § 4301 et seq. ("the Act"), General Motors Corporation filed notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the identities of the parties to and (2) the nature and objectives of a research and development venture. The notifications were filed for the purpose of invoking the Act's provisions limiting the

recovery of antitrust plaintiffs to actual damages under specified circumstances. Pursuant to Section 6(b) of the Act, the identities of the parties are General Motors Corporation, Detroit, MI; Chrysler Corporation, Auburn Hills, MI; and Ford Motor Company, Dearborn, MI.

The parties have established a Fuel Cell Technical Team to conduct joint research aimed at developing and demonstrating a viable fuel cell powertrain. The activity encompasses several related tasks including research and development efforts on fuel cells, stacks, modules and components as well as development of fuel processing technologies, fuel cell systems integration, and fuel cell/vehicle integration. The results of this effort will support the Partnership for a New Generation of Vehicles (PNGV) effort and allow each party to better service customers around the world. PNGV is the joint effort of the Federal Government and the U.S. auto industry to develop affordable, fuel-efficient, low-emission automobiles that meet today's performance standards. To meet these objectives, the parties will collect, exchange and analyze research information, interact with government, auto industry and other entities interested in this area and perform other acts allowed by the Act that would advance these goals.
