FOR FURTHER INFORMATION CONTACT: A. Barron Bail, Klamath Falls Resource Area Manager, 2795 Anderson Ave. Building 25, Klamath Falls, OR 97603. Existing planning documents and information are available at the above address or by phone at 541/883-6916. Comments on the proposed plan amendment should be sent to the above address.

SUPPLEMENTARY INFORMATION: The BLM is proposing to amend the Klamath Falls Resource Area Resource Management Plan which covers the management of public lands administered by the BLM in Klamath County, Oregon. The purpose of the amendment has two parts. The first is to include the following language in the Land Tenure Adjustments section of the plan: "Where survey hiatuses and unintentional encroachments on public land are discovered in the future which meet the disposal criteria, the lands may automatically be assigned Zone 3 for disposal." Public lands in Zone 3 may be disposed of by sale or exchange. The second part of the amendment identifies approximately 1.5 acres of public land, T. 40 S., R. 6 E. Section 1 S $\frac{1}{2}$ (metes and bounds), as suitable for direct sale pursuant to Section 203 of the Federal Land Policy and Management Act of 1976. The existing plan does not identify these lands for disposal nor does it allow BLM the option to resolve survey hiatuses and unintentional encroachments by selling public lands that meet disposal criteria.

The public interest may be well served by sale of these lands. An environmental assessment will be prepared, along with the plan amendment, by an interdisciplinary team which will analyze the impacts of this proposal and a reasonable range of alternatives.

Dated: December 6, 1996.

Acting District Manager.

General Management Plan Tumacacori National Historical Park; Notice of Availability of Final Environmental Impact Statement

SUMMARY: Pursuant to Section 102(2)(C) of the National Environmental Policy Act of 1969 (P.L. 91-190 as amended), the National Park Service, Department

of the Interior, has prepared a final environmental impact statement assessing the potential impacts of the proposed General Management Plan for Tumacacori National Historical Park, Santa Cruz County, Arizona. Once approved, the plan will guide the management of the historic site over the next 15 years.

The final General Management Plan and Environmental Impact Statement (GMP/EIS) presents a proposal and three alternatives for the management, use, and development of Tumacacori National Historical Park. The Proposed General Management Plan provides increased staffing sufficient to extend protection and interpretation to the two new units. The plan also includes a trail (the mission trail) linking the three sites that comprise the National Historical Park—Tumacacori, Calabazas, and Guevavi—and the ultimate removal of employee residences over known archeological remains at Tumacacori. A new maintenance facility would be developed at Tumacacori while visitor facilities and an employee residence would be developed at Calabazas. Guevavi would be accessed by guided tour and by the mission trail. Boundaries at Tumacacori and Guevavi would be expanded.

Alternative A was the proposed action in the draft GMP/EIS. It is similar to the proposed plan but with continued provision of park housing at the Tumacacori unit, and a more extensive development at Calabazas. Alternative B (Minimum Requirements) includes the development of administrative facilities at Tumacacori, and access to Calabazas and Guevavi by guided tour and by the mission trail. Boundary changes are proposed for the Tumacacori unit only. Alternative C (No Action) would provide no new visitor or administrative facilities, boundary changes, or trail linkages. The two new units, Guevavi and Calabazas, would remain unavailable for general public visitation.

The environmental consequences of the alternatives are fully documented. No significant adverse impacts are anticipated.

SUPPLEMENTARY INFORMATION: Written comments on the general management plan and environmental impact statement should be directed to the Superintendent, Tumacacori National Historical Park, P.O. Box 67, Tumacacori, AZ 85640. Comments on the plan must be received within 30 days after publication of a notice of availability in the Federal Register by the Environmental Protection Agency.

Inquiries on and requests for copies of the plan should be directed to

Tumacacori National Historical Park, address as above, or by telephone at (602) 398-2341.

Comments Relating to Proposed Modified Final Judgment and Response of United States to Comments

Pursuant to Section 2(b) of the Antitrust Procedures and Penalties Act, 15 U.S.C. § (b)-(h) ("APPA"), the United States of America hereby files the public comments it has received relating to the proposed Modified Final Judgment in this civil antitrust proceeding, and herein responds to the public comments.

I. Background

This action was commenced on August 5, 1996, when the United States filed a civil antitrust Complaint under Section 15 of the Clayton Act, as amended, 15 U.S.C. § 25, alleging that the proposed acquisition of Citicasters, Inc. ("Citicasters") by Jacor Communication, Inc. ("Jacor") would violate Section 7 of the Clayton Act, 15 U.S.C. § 18. The complaint alleges that the combination of these companies would substantially lessen competition in the sale of radio advertising time in Cincinnati, Ohio and the surrounding areas. Also on August 5, the United States filed a proposed Final Judgment that would allow the acquisition to proceed provided that Jacor divest the assets of Cincinnati radio station WKRQ-FM. At the same time, the government filed a Competitive Impact Statement explaining the basis for the Complaint and the provisions of the proposed Final Judgment.

On September 16, 1996, the United States filed a Modified Final Judgment with the Court superseding the original Final Judgment. The Modified Final Judgment clarified the obligation of Jacor under Section IX of the Judgment to file notice with the Department of Justice for certain types of transactions. At the same time, the United States filed a stipulation in which the parties consented to the entry of the Modified Final Judgment after completion of the
