Background

On August 22, 1996, the Office of Foreign Assets Control issued the Terrorism List Governments Sanctions Regulations, 31 CFR part 596 (the "Regulations"), implementing section 321 of the Antiterrorism and Effective Death Penalty Act of 1996 (Pub. L. 104-132, 110 Stat. 1214, 1254 (18 U.S.C. 2332d)). Section 596.504 authorizes U.S. persons to engage in all financial transactions with a terrorism list government that is not otherwise subject to sanctions contained in 31 CFR chapter V, currently the Governments of Syria and Sudan, except for a transfer from a terrorism list government constituting a donation to a U.S. person, or a payment that a U.S. person knows or has reason to know poses the risk of furthering terrorist acts in the United States. This final rule adds § 596.505 to the Regulations, generally authorizing donations from the Governments of Syria and Sudan in the form of stipends and scholarships for their respective nationals enrolled as students in accredited educational institutions in the United States. Representations made by an accredited educational institution concerning the status of a student may be relied upon in determining the applicability of this general license.

The general license contained in § 596.505 was originally issued by the Office of Foreign Assets Control on October 24, 1996, as General License No. 1. General License No. 1 may continue to be relied upon for transactions within its scope occurring between October 24, 1996, and the effective date of this final rule.

Since the Regulations involve a foreign affairs function, Executive Order 12886 and the provisions of the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date, are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601-612) does not apply.

No collection of information is contained in this final rule.

Subpart E—Licenses, Authorizations and Statements of Licensing Policy

2. Section 596.505 is added to subpart E to read as follows:

§ 596.505 Certain transactions related to stipends and scholarships authorized.

(a) United States persons are authorized to engage in all financial transactions with respect to stipends and scholarships covering tuition and related educational, living and travel expenses provided by the Government of Syria to Syrian nationals or the Government of Sudan to Sudanese nationals who are enrolled as students in an accredited educational institution in the United States. Representations made by an accredited educational institution concerning the status of a student may be relied upon in determining the applicability of this section.

32 CFR Part 269

Inflation Adjustment of Civil Monetary Penalties

AGENCY: Office of the Secretary, Department of Defense.

ACTION: Final rule.

SUMMARY: This final rule adjusts the amount of each statutory civil penalty subject to Department of Defense jurisdiction in accordance with the requirements of the Federal Civil Penalties Inflation Adjustment Act of 1990 as amended by the Debt Collection Improvement Act of 1996.

EFFECTIVE DATE: January 27, 1997.

FOR FURTHER INFORMATION CONTACT: Mr. Tom Summers, Directorate for Accounting Policy, Office of the Deputy Chief Financial Officer, Office of the Under Secretary of Defense (Comptroller), 1100 Defense Pentagon, Room 3A882, Washington, DC 20301-1100, (703) 697-0586 (e-mail address: summerst@ousdc.osd.mil).

SUPPLEMENTARY INFORMATION: The Federal Civil Penalties Inflation Adjustment Act of 1990 (FCPIAA), Public Law 101-410, 104 Stat. 890, 28 U.S.C. 2461, as amended by the Debt Collection Improvement Act of 1996 (DCIA), Public Law 104-134, April 26, 1996, requires the inflation adjustment of Civil Monetary Penalties (CMP) to ensure that they continue to maintain their deterrent value. The DCIA requires that not later than 180 days after its enactment, and at least once every 4 years thereafter, the head of each agency shall, by regulation published in the Federal Register, adjust each CMP within its jurisdiction by the inflation adjustment described in the FCPIAA. The inflation adjustment under the DCIA is to be determined by increasing the maximum CMP by the cost-of-living adjustment, rounding to amounts set forth in section 5(a) of the FCPIAA. The cost-of-living adjustment is the percentage (if any) for each CMP by which the Consumer Price Index (CPI) for the month of June of the calendar year preceding the adjustment, exceeds the CPI for the month of June of the calendar year in which the amount of such CMP was last set or adjusted pursuant to law. The first adjustment to a CMP may not exceed 10 percent of such penalty.

Any increased penalties shall apply only to violations which occur after the date on which the increase takes effect.

A typical example of an inflation adjustment of a CMP is as follows:

Title 10 U.S.C., section 1094(c)(1) imposes a maximum penalty of \$5,000 to a person who provides health care independently as a health-care professional where that person does not have a current license to provide such care. The term "health care professional" means physician, dentist, clinical psychologist or nurse and any other person providing direct patient care as may be designated by the
