**ACTION:** Notice of Funding Availability (NOFA) for Fiscal Year (FY) 1996; Amendment.

**SUMMARY:** This notice amends the NOFA for the HUD-Administered Small Cities Community Development Block Grant (CDBG) Program and the Section 108 Loan Guarantee Program for Small Communities in New York State, published in the Federal Register on December 28, 1995 (60 FR 67260). This notice provides an additional contact for New York State and to clarify certain other items as described below.

**DATES:** This notice does not effect the deadline dates described in the December 28, 1995 NOFA for the HUD-Administered Small Cities CDBG Program and the Section 108 Loan Guarantee Program for Small Communities in New York State (60 FR 67260).

**FOR FURTHER INFORMATION CONTACT:** Joseph A. D'Agosta, Director, Office of Community Planning and Development, Department of Housing and Urban Development, 26 Federal Plaza, New York, NY 10278-0068; telephone (212) 264-0771. (This is not a toll-free number.) Hearing- or speech-impaired persons may call (212) 264-0927 (TDD).

**SUPPLEMENTARY INFORMATION:** The NOFA for the HUD-Administered Small Cities Community Development Block Grant (CDBG) Program—Fiscal Year (FY) 1996, and the Section 108 Loan Guarantee Program for Small Communities in New York State was published in the Federal Register on December 28, 1995 (60 FR 67260). Today's notice amends sections I.C.2. (Previous Grantees) and I.E.2.c. (Performance Assessment Reports) of the December 28, 1995 NOFA to clarify that the submission date of annual Performance Assessment Reports (PARs) is no later than October 31 for all grant agreements executed before April 1 of the same calendar year, and that the first report should cover the period from the execution of the grant until September 30. Reports on grants made after March 31 of a calendar year will be due October 31 of the following calendar year, and the report should cover the period of time from the execution of the grant until September 30 of the calendar year following grant execution. After the submission of the initial report, PARs will be submitted annually on October 31 until completion of the activities funded under the grant.

Today's notice also amends section I.D.5.b. (Grant Limits and Funding Requirements) of the December 28, 1995 NOFA to clarify that multi-year requests may be for single purpose grants as well

as comprehensive grants. This notice specifies limits for single purpose and comprehensive grants.

With regard to section I.E.3.c.(1)(a)(iii) (Direct Homeownership Assistance) of the December 28, 1995 NOFA, the authority under the CDBG program to carry out direct homeownership assistance activities has expired. The FY 1996 HUD appropriations bill would have amended the CDBG program to make homeownership activities a permanent eligible CDBG activity. The FY 1996 HUD appropriations bill was not approved by the President, and as of this date such activities are not authorized. If there is a HUD appropriation bill enacted with this provision prior to HUD's announcement of grant awards, then any fundable applications containing such activities would be approvable. However, potential applicants are advised that should direct homeownership activities not be authorized by the time HUD makes the grant awards, HUD would not be able to make a grant obligation for such activities. Applicants should take these matters into consideration when preparing an application that contains direct homeownership activities. It is noted that some direct homeownership activities are eligible under other provisions of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5301-5320).

Today's notice corrects section II.C.2. (Streamlined Application Requirements for Certain Applicants) to be consistent with 24 CFR 570.425(c) to provide that a previous year's applicant, whose application was not funded, may notify HUD in writing within the application period that it wishes its previous application to be reconsidered in the current competition. The NOFA published on December 28, 1995 erroneously stated that all previous year's unfunded applications would be automatically reconsidered. This provision was in effect for the Fiscal Year 1995 competition only.

Today's notice amends section III (Technical Assistance) to clarify that both of HUD's New York offices, located in Buffalo and New York City, will be available to provide technical assistance to prospective applicants.

Today's notice also provides the correct phone number for HUD's Buffalo office, which is (716) 551-5742.

Accordingly, FR Doc. 95-31383, the NOFA for the HUD-Administered Small Cities Community Development block Grant (CDBG) Program—Fiscal Year 1996, and the Section 108 Loan Guarantee Program for Small Communities in New York State, published in the Federal Register on

December 28, 1995 (60 FR 67260), is amended as follows:

1. On page 67263, in column 1, section I.C.2., under the heading "Previous grantees," is amended to read as follows:

I. Purpose and Substantive Description

\* \* \* \* \*

C. Eligibility

\* \* \* \* \*

2. Previous grantees. Eligible applicants, which previously have been awarded Small Cities Program CDBG grants, are also subject to an evaluation of capacity and performance. Numerical thresholds for drawdown of funds have been established to assist HUD in evaluating a grantee's progress in implementing its program activities. (These standards apply to all CDBG Program grants received by the community.) An additional threshold relates to the submission of annual Performance Assessment Reports (PARs) which were due October 31, 1995, for all grant agreements executed before April 1, 1995. (See 24 CFR § 570.507(a)(2)(ii)(A).) Failure to submit a PAR is not a curable technical deficiency. Applicants generally will be determined to have performed adequately in the area(s) where the thresholds are met. Where a threshold has not been met, HUD will evaluate the documentation of any mitigating factors, particularly with respect to actions taken by the applicant to accelerate the implementation of its program activities.

\* \* \* \* \*

2. On page 67264, in column 1, section I.D.5.b., under the heading "Grant Limits and Funding Requirements" is amended to read as follows:

I. Purpose and Substantive Description

\* \* \* \* \*

D. Types of Grants

\* \* \* \* \*

5. Multi-year Plans

\* \* \* \* \*

b. Grant Limits and Funding Requirements. Single Purpose Multi-year requests: The maximum annual grant for a Single Purpose grant is \$600,000, except that counties may apply for up to \$900,000 in Single Purpose funds. The maximum amount for Single Purpose grant applications made jointly by units of general local government will be \$900,000. The maximum funding for implementing an entire multi-year plan is \$1,200,000 for a two year multi-year plan (\$1,800,000

for counties and joint applications by units of general local government), and \$1,800,000 for a three year multi-year plan (\$2,700,000 for counties and joint applications by units of general local government).

Comprehensive Multi-year requests.

The maximum funding for implementing an entire multi-year plan is \$3,100,000 for a two year multi-year plan, and \$5,000,000 for a three year multi-year plan. However, in no event will HUD award more than \$1,200,000 in grant funds for the first year's increment of either a 2-year or 3-year multi-year request.

Grant funds requested must be sufficient, either by themselves or in combination with funds from other sources, (including any Section 108 Loan Guarantee resources requested in conjunction with a Small Cities application under this NOFA) to complete the project within a reasonable amount of time. If other sources of funds are to be used with respect to a project, the source of those funds should be identified and the level of commitment indicated.

\* \* \* \* \*

3. On page 67265, in column 1, section I.E.2.c., under the heading "Performance Assessment Reports" is amended to read as follows:

I. Purpose and Substantive Description

\* \* \* \* \*

E. Selection Criteria/Ranking Factors and Final Selection

\* \* \* \* \*

2. Performance Evaluation

\* \* \* \* \*

c. Performance Assessment Reports. Under 24 CFR 570.507, Small Cities CDBG grantees are required to submit Performance Assessment Reports (PARs) no later than October 31 for all grants executed before April 1 of the same calendar year. The first report should cover the period from the execution of the grant until September 30. Reports on grants made after March 31 of a calendar year will be due October 31 of the following calendar year, and the reports will cover the period of time from the execution of the grant until September 30 of the calendar year following grant execution. After the submission of the initial report, PARs will be submitted annually on October 31 until completion of the activities funded under the grant. For an application for FY 1996 funds to be considered for funding, the applicant must be current in its submission of Performance Assessment Reports. Failure to submit a PAR is not a curable technical

deficiency under Section V of this NOFA.

\* \* \* \* \*

4. On page 67268, in column 2, section I.E.3.c.(1)(a)(iii), under the heading "Direct Homeownership Assistance," after the fifth paragraph, a new paragraph is added, to read as follows:

I. Purpose and Substantive Description

\* \* \* \* \*

E. Selection Criteria/Ranking Factors and Final Selection

\* \* \* \* \*

3. Four Factor Rating

\* \* \* \* \*

c. Program Impact—General.

(1) Program Impact—Single Purpose Grants.

\* \* \* \* \*

(a) Program Impact—Single Purpose—Housing.

(iii) Direct Homeownership Assistance.

C. The Application

\* \* \* \* \*

2. Streamlined Application Requirements for Certain Applicants

An eligible applicant that submitted an application under the Fiscal Year 1995 NOFA, but whose application was not selected for funding, may notify HUD in writing by the application deadline date, March 13, 1996, that it wishes its FY 1995 application to be reactivated for consideration under this NOFA. Applications that are reactivated may be updated, amended, or supplemented by the applicant, provided that such amendment or supplementation is received no later than the due date for applications under this NOFA. If there is no significant

change in the application involving new activities or alteration of proposed activities that will significantly change the scope, location, or objectives of the proposed activities or beneficiaries, there will be no further citizen participation requirement to keep the application active for a succeeding round or competition.

Applicants with activities approved for funding under the Fiscal Year 1995 NOFA are eligible for additional funding for those activities under this NOFA. Applicants seeking additional funding for activities selected for funding under the Fiscal Year 1995 NOFA may notify the Department in writing by March 13, 1996 that they wish to seek additional funding for those activities. Such applicants may incorporate by reference the application materials in the applicant's Fiscal Year 1995 application, and may provide material to update or supplement the prior application.

All applicants are free to submit an entirely new application in place of a previous application should they so desire.

\* \* \* \* \*

8. On pages 67278, column 3, to page 67279, column 1, section III., under the heading "Technical Assistance" is amended to read as follows:

III. Technical Assistance

Prior to the application deadline, the Buffalo and New York Offices will provide technical assistance on request to individual applicants, including explaining and responding to questions regarding program regulations, and defining terms in the application package. In addition, HUD plans to conduct informational meetings around the State to discuss the Small Cities Program, and will conduct application workshops in conjunction with these meetings. Please contact the Buffalo or New York Office for further information regarding these meetings. Application kits will be available at these meetings, as well as from the HUD offices previously identified in Section II of this NOFA, and will also be available at the informational meetings. In order to ensure that the application deadline is met, it is strongly suggested that applicants begin preparing their applications immediately and not wait for the informational meetings.

In order to be considered for funding, complete applications (an original and two photocopies of the entire application) must be physically received by the appropriate HUD office on March 13, 1996, by 4 p.m. or, if mailed, postmarked no later than midnight, March 13, 1996. Applications must be

delivered or mailed to the appropriate HUD office at the address indicated in Section II.

Dated: February 22, 1996.
